Sir,

Re E.½, Sec. 14, Tp. 7, Rge. 10, W.4th.M.

With reference to the agreement you entered into in connection with the above half section whereby you agreed to surrender any right or title to the land in order that same might be included in the Antelope Park, I am directed to advise you that the Department has approved of the exchange as agreed to by you and it is therefore desired that you advise the Department of the land which you desire in exchange for your present holdings. If you will kindly arrange to make your selection at your earliest convenience and advise the Department o same, arrangements will be made to provide for you to occupy this area immediately.

This letter will be the authority for any Dominion Lands Agent to accept your application and to reserve for you any available half section of land which you may select, providing this selection is made within one year.

Memorandum:

Mr. Cory,

An application has been received from Mr. J. Burnett for the south half of section 5, township 1, range 25, west of the 4th Meridian which is immediately adjoining the town of Coutts and the Quarantine Reserve in said township.

Mr. Burnett held under patent the east half of section 14, township 7, range 10, west of the 4th Meridian, which land he agreed to surrender to the Department for Antelope Park purposes. This is included in the park area near Foremost in which a number of antelope are at present confined.

According to reports the south half of section 5 is clear with the exception of ten acres in legal subdivision 1, which has been patented to the Roman Catholic Church.

On the 26th of April, 1915 the Patents Branch submitted a memorandum to you in regard to the south half of section 5 and other lands in this vicinity, pointing out that a portion of the township

W. W. Cory, Esq., C.M.G.,
Deputy Minister,
Department of the Interior,
Ottawa, Ontario.

was no longer required for quarantine purposes and that it was decided to deal with the lands therein as those in the so-called odd sections list and a homestead inspector's report was obtained in each case. In view of the homestead inspector's valuation ranging from $10.00 to $20.00 per acre you approved of the disposal of these lands either by tender or public auction, subject to homestead conditions, the parcels containing less than 80 acres to be disposed of to the owners or homesteaders of the adjoining lands in accordance with the usual practice. The Minister agreed to these suggestions but considered the time unfavourable for putting up lands for sale by tender or by auction and no further action has been taken in regard to same.

A. J. Tennant of Coutts made application for this land on the 20th of January, 1915 and N. F. Tibbits applied to obtain same on the 29th of August, 1905. However, Mr. Tennant was advised that the Department had decided to take no steps at the present time towards the disposal of the lands formerly included in the quarantine reserve and that his application could therefore not be entertained.

However, in the case of Mr. Burnett, he surrendered lands which he held under patent to the Crown on the strength of an agreement that he would be given patent for an equal area of available Dominion lands elsewhere. In surrendering his lands to the Crown Mr. Burnett assisted the Department in obtaining a satisfactory area for the reserve and

over

gave up possession of the lands to the Department on the strength of this agreement in the fall of 1915.

I therefore think, in view of this the Department would be quite justified in granting Mr. Burnett the south half of section 5 in exchange for his previous holdings.

The south half of section 5 does not contain an area equal to that which he surrendered, owing to ten acres of same being patented to the Roman Catholic Church and in making the exchange I would suggest that it would be on the understanding that this half section be accepted in exchange in full for the land surrendered.

Respectfully submitted,

Mr. Cote,

LAND PATENTS BRANCH
APR 30 1917

Mr. Burnett selected the south half of section 5, township 1, range 15, west of the 4th Meridian in exchange for the east half of section 24, township 7, range 14, west of the 4th Meridian which latter half section he agreed to surrender to the Department in order that same might be included in the Antelope Park Reserve near Foremost Alberta.

It is noted that the south half of section 5 was originally included in the Quarantine Reserve and was being held to be disposed of by public auction. Ten acres of this land has been patented to the Roman Catholic Church. The Minister has approved of granting Mr. Burnett patent for the balance of this half section in exchange in full for the land which he previously held and which he agreed to surrender to the Department.

Kindly have this area reserved in your records for Mr. Burnett so that when the area previously held by him has been transferred to the Crown, patent for same may be proceeded with.

Sir,

In reference to your letter of the 31st of January last in which you advised that you had selected the south half of section 5, township 4, range 15, west of the 4th Meridian in exchange for the east half of section 24, township 7, range 10, west of the 4th Meridian, which latter half section you agreed to surrender to be included in the Antelope Park Reserve near Foremost, Alberta. I am directed to advise you that your selection has been approved by this Department on the understanding that, although the south half of section 5 does not contain an equal area to that contained in the east half of section 24, owing to the fact that ten acres of same has been patented to the Roman Catholic Church, you will accept the balance of this half section in exchange in full for the land surrendered. Kindly advise if this meets with your approval.

I am further to advise you that as you hold the east half of section 24 under patent it will be necessary to secure a regular transfer, transferring

The evidence on file would indicate that exchange of property was made under agreement with you, and until such time as the completion of the conveyance of L. Mr. J. P. Harkin,

Re John Burnett
S.W. & Pr.E.½-5-1-15-W.4.

On the 30th January last Mr. John Burnett of Coutts, Alta., made representations to the Department that some concession be granted him in connection with his Seed Grain indebtedness incurred in connection with the E.½-14-7-1 -W.4 on the grounds that during the period negotiations were proceeding whereby he obtained on the 27th April, 1922, the S.W. & Part of the E.½-5-1-15-W.4 in lieu of the E.½-14, he held no land. In his letter of the 5th March last he specifies the years affected as being 1916 and 1917.

From the evidence on file it is concluded that during the period this exchange of property was proceeding he had full use of the E.½-14-7-10-W.4 until such time as the conveyance to the Crown was complete and patent to the S.W. & Part of the E.½-5-1-15-W.4 was granted to him.

Before advising Mr. Burnett definitely on this matter, I would ask you to be good enough to advise me if my conclusions are correct.

Mr. Hill

Re - John Burnett
N. E. 14-7-10 W 4
Former Patented Homestead
S. E. 14-7-10 W 4
Former Unpat'd Pre-emption
S.W.&Pt. N. ½5-1-15 W 4
Present Patented Land

Mr. John Burnett obtained advances of Seed Grain, Fodder and Relief in 1915 on the security of his patented homestead and unpatented pre-emption, the E. ½ 14-7-10 W 4 against which advances no payment has been made, and the present standing of the account is as follows:

Prins.	$354.95	
Interest	175.72	(t 31st March, 1925)
TOTAL	$530.67.	

On October 29th, 1915, John Burnett entered into an agreement with the Department to surrender his patented homestead, N. E. 14-7-10 W 4, that the land might be included in an Antelope Reserve. However, before conveyance of the land could be completed, it was necessary for Mr. John Burnett to clear the land from a mortgage he had given in favour of the Excelsior Life, and delay consequently ensued, - and it was not until 20th April, 1922, that patent issued to him for the S. W. and Pt. N. ½ 5-1-15 W 4 in lieu of his former patented homestead and unpatented pre-emption.

Representations were made by John Burnett in his letters of 30th January and 5th March last that in consequence of negotiations that preceded the selection of his present patented holding two crops were lost to him, namely in 1916 and 1917, and as he incurred considerable expense in finally locating suitable land he considers that the Department should exempt him from payment of interest, holding him only for payment of the principal.

From the evidence of Mr. Harkin's memorandum to Mr. Cory of 4th instant and that of Mr. Williamson addressed to you of 26th ultimo, Mr. Burnett's claim that he had no crops for the years mentioned is supported. It would seem also that the Department had the use of the surrendered land from 1915 as it is noted Burnett was on rented land in 1916 with insufficient accommodation for his stock, and it was late in 1917 before he ultimately selected his present land.

DEPARTMENT OF THE INTERIOR

ACCOUNTS BRANCH

OTTAWA,

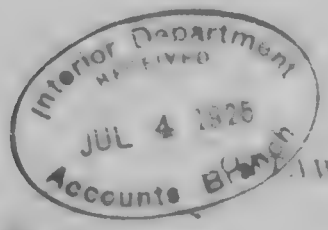

In view of the foregoing, John Burnett was evidently precluded, for the reasons stated, from raising a crop in either of the years 1916 or 1917 when he might have substantially reduced his indebtedness, and the Department might therefore deem this as sufficient cause for rebating interest during those years.

Please say what action is to be taken.

Memorandum:

Re John Burnett.
N.½ 14-7-19-W.4th M.
S.E.¼ & Pt. N.½ 5-1-15-W.4th M.

Please see letter of the 6th July last to Mr. John Burnett respecting his indebtedness in connection with this land.

Mr. Burnett surrendered the N.½ 14-7-19-W.4th M., his patented homestead and unpatented pre-emption, for park purposes, and was granted the S.E.¼ & Pt. N.½ 5-1-15-W.4th M., in lieu thereof but the title to the N.½ 14-7-19-W.4th M., has only recently been cleared.

In March 1923, the Registrar at Calgary was requested to delay the issue of duplicate certificate of title for the S.E.¼ & Pt. N.½ 5-1-15-W.4th, until he was further advised by the Department, and it is now proposed to notify him that as far as this Department is concerned there is no further necessity for delaying the issue of duplicate certificate of title for the land referred to.

It would appear that Mr. Burnett's indebtedness for seed grain, etc., in connection with the N.½ 14-7-19-W.4th M., has been transferred to the S.E.¼ & Pt. N.½ 5-1-15-W.4th M.

Referring to my letter of the 22nd March, 1923, a copy of which is attached for your convenience, requesting you to delay, for the reasons mentioned therein, the issue of duplicate certificate of title for the above described land the patent for which in the name of John Burnett and bearing date the 20th April, 1922, was forwarded to your office with certificate of seed grain indemnities attached under cover of my letter of the 24th April, 1922, I beg to state that a satisfactory title for the land surrendered by Mr. Burnett having been received, the Department has, therefore, no further objection to the issue of title for the S.E. ¼ and Pt. E. ½ 5-1-15 E. 4th M. patented to him subject of course to the said seed grain liens amounting to $384.95 as set forth in the certificate attached to the patent above referred to.

Dear Sir:-

For purposes of proving the age of an aged Canadian originally from the Ukraine and who has no other way to prove the same for his entitlement for Old Age Pension, may I apply for search of the records for Homestead Entry of one Fred Semenchuk of Waugh, Alberta.

His recollection is that he made entry for the S.W. of 25-58-23 W 4 in April or May 1909.

The Old Age Securities Department accepts the declaration as to the age of an applicant for Homestead Entry which were made under Oath as proof of age since these people from that part of Europe have no means to get at records in their countries of origin under or rather behind the iron curtain.

Thanks for the usual attention.

The Tax Consolidation Board, hereby recommends that the liens charged against the S. ½. 13-6-10-W. 4th Mer., for advances made to W. J. English, by the Municipal District of Burlington No. 34, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor was the owner of the S.W.¼, 13-6-10-W. 4th Mer., subject to a first mortgage which had priority to all liens.

2. That the Mortgagee foreclosed upon his security and became the registered owner of said land and that by such foreclosure all liens were eliminated therefrom.

3. That at the time the advances were made the debtor held pre-emption entry to the S.E.¼. 13-6-10-W. 4th Mer., and that such entry was cancelled.

4. That this quarter section has now been secured by another party as a homestead entry but the present entrant was not required to assume the Joint Relief liability which was charged against the said land and this quarter section no longer affords any security for the said advances.

5. That the present entrant for this quarter section assumed the Dominion liability charged against the said land and has paid same in full.

6. That the debtor attempted to re-establish himself in another District but was unsuccessful and has nothing from which collection could be made under his personal covenant.

The Board therefore recommends that all liens registered against the said lands be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board also recommends that the Municipal District of Burlington No. 34, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor was the owner of the S.W.¼, 13-6-10-W. 4th Mer., subject to a first mortgage which had priority to all liens.

2. That the Mortgagee foreclosed upon his security and became the registered owner of said land and that by such foreclosure all liens were eliminated therefrom.

3. That at the time the advances were made the debtor held pre-emption entry to the S.E.¼, 13-6-10-W. 4th Mer., and that such entry was cancelled.

4. That this quarter section has now been secured by another party as a homestead entry but the present entrant was not required to assume the Joint Relief liability which was charged against the said land and this quarter section no longer affords any security for the said advances.

5. That the present entrant for this quarter section assumed the Dominion liability charged against the said land and has paid same in full.

6. That the debtor attempted to re-establish himself in another District but was unsuccessful and has nothing from which collection could be made under his personal covenant.

The Board therefore recommends that all liens registered against the said lands be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board also recommends that the Municipal District of Burlington No. 34, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

Dear Sir:

Re: W. J. English - Seed Grain and Relief Indebtedness - M.D. of Burlington #34
S.½ 13- 6- 10- W.4th

W. J. English obtained the undermentioned advances from the Municipal District of Burlington #34:

Seed Grain -	April 1, 1919	$221.00	
	April 1, 1920	484.00	
	April 1, 1922	131.00	
Relief -	April 1, 1922	72.25	
			$908.25

On December 1, 1920 he paid $295.00 on seed grain account. With interest to December 31, 1930 he owes the undermentioned balance:

Seed Grain -	Principal	$563.65	
	Interest	411.33	
			$974.98
Relief -	Principal	$72.25	
	Interest	44.21	
			116.46
			$1091.44

He signed lien agreements charging the S.½ 13- 6- 10- W.4th and promissory notes. Liens were duly registered on title to S.W. 13- 6- 10- W.4th but were removed by foreclosure of a prior mortgage.

Liens on the S.E. 13- 6- 10- W.4th are now valueless. The latter held preemption entry for this quarter section but his entry has been cancelled and homestead entry has been granted to another party who, although he assumed liability for and paid direct Federal indebtedness, was not required to assume liability for the

E. J. Fream, Esq., 5569588

Joint Provincial-Federal relief indebtedness.

There is thus no security for any portion of this seed grain and relief account.

In the opinion of the Secretary-Treasurer of the Municipal District there is no likelihood of collection from the debtor personally. He is purchasing land near Kirkcaldy but could not finance his operations and was obliged to lease it. He has little equity in the property and will probably lose it. He is working as an occasional carpenter at Lethbridge.

I therefore recommend that his account be written off as uncollectable both in so far as it affects his indebtedness to the Municipal District and the indebtedness of the Municipal District to the Province of Alberta.

Yours truly,

ELJ/PB.

Director.

Board Order 4920.

In this case there were outstanding certain advances in the joint right of the Province and the Dominion. Board Order 4949.

In this case there were outstanding certain advances in the joint right of the Province and the Dominion. The Adjustment Board of Alberta in their report dated the 18th July, 1931, recommended that the indebtedness be written off as a loss. They also advised that the liens are not registered. As no action to deregister is necessary this communication may be accepted as conveying the consent of the Department to the cancellation of the liens and the closing out of the account as a loss, which action has already been taken on our records.

Memorandum

Mr. Hume.

Re. S.E.¼. 6-1-11-W.4th M.
Homestead, Edward Mulder.
Entry granted, July 15th, 1916.
Patent applied for.
Recommended.

The homesteader for the land above described has applied for patent and claims the completion of the requisite settlement duties as shown on Form No. 54, hereunder marked.

Mr. Mulder has executed Form No. 226, from which it would appear that he has been a resident of Canada for a sufficient length of time to establish his eligibility to apply for Naturalization. In view of this I presume that patent may issue without waiting until he is in a position to furnish a Certificate of Naturalization.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that any liens, Municipal Seed Grain and Joint Relief charged against the S.W.¼. 32-6-11-W. 4th Mer., for advances made to E. E. Doren, by the Municipal District of Burlington No. 34, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated May 30th, 1931, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor held pre-emption entry to said land, that such entry was cancelled in the year 1927.

2. That in the year 1928, A. E. Baker, secured homestead entry for this land but was not required to assume the liability of the previous entrant and therefore through the cancellation of the debtor's pre-emption entry all security has been lost.

3. That the debtor has lost all his property and is now over 70 years of age, and has nothing from which collection could be made under his personal covenant.

The Board therefore recommends that all liens registered against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Tax Consolidation Board, hereby recommends that any liens charged against the S.W.¼, 32-6-11-4. 4th Mer., for advances made to E. H. Doren, by the Municipal District of Burlington No. 34, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor held pre-emption entry to said land, that such entry was cancelled in the year 1927.

2. That in the year 1928, A. E. Baker, secured homestead entry for this land but was not required to assume the liability of the previous entrant and therefore through the cancellation of the debtor's pre-emption entry all security has been lost.

3. That the debtor has lost all his property and is now over 70 years of age, and has nothing from which collection could be made under the personal covenant.

The Board therefore recommends that all liens registered against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board also recommends that the Municipal District of Burlington No. 34, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

Dear Sir:

Re: E. E. Doren - Seed Grain and Relief
Indebtedness - M.D. of Burlington #34
S.W. 32- 6- 11- W.4th

E. E. Doren obtained the undermentioned advances from the Municipal District of Burlington #34:

Seed Grain -	April 1, 1919	$257.75
	April 1, 1920	351.25
	October 1, 1921	27.00
	May 1, 1922	96.00
Relief -	March 1, 1920	259.70
	June 1, 1921	13.60
	April 1, 1922	263.75
		$1269.05

He has made no repayment. With interest to December 31, 1930 he owes the undermentioned sum:

Seed Grain -	Principal	$732.00	
	Interest	551.85	
			$1283.85
Relief -	Principal	$537.05	
	Interest	368.43	
			905.48
			$2189.33

As security he signed lien agreements charging the S.W. 32- 6- 11- W.4 th. He held preemption entry for this quarter section. His entry was cancelled on September 22, 1927. On August 8, 1928 A. E. Baker obtained homestead entry for this quarter section and stated that there were no improvements on the land.

As the Agent of Dominion Lands at Lethbridge had no record of any seed grain and relief indebtedness, the new entrant was not required to assume liability. There is therefore no security for any portion of this account.

5569525

E. J. Fream, Esq.,

In the opinion of the Secretary-Treasurer of the Municipal District there is no likelihood of collection from the debtor under his personal covenant. He is over seventy years of age and is heavily involved financially. He was farming for awhile in the Lethbridge Northern Irrigation District.

I therefore recommend that his account be written off as uncollectable both in so far as it affects his indebtedness to the Municipal District and the indebtedness of the Municipal District to the Province of Alberta.

Yours truly,

Director.

The Tax Consolidation Board, hereby recommends that any liens charged against the S.W.¼, 32-6-11-W. 4th Mer., for advances made to T. H. Doren, by the Municipal District of Burlington No. 34, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor held pre-emption entry to said land, that such entry was cancelled in the year 1927.

2. That in the year 1928, A. E. Baker, secured homestead entry for this land but was not required to assume the liability of the previous entrant and therefore through the cancellation of the debtor's pre-emption entry all security has been lost.

The Board also recommends that the Municipal District of Burlington No. 34, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

Board Order 4916.

In this case there were outstanding certain advances in the joint right of the Province and the Dominion. The Adjustment Board of Alberta in their report dated 17th July, 1931, recommended that the indebtedness be written off as a loss. They also advised that the liens are not registered. This recommendation has been ratified by Order in Council P.C. 179/2402, dated 29th September, 1931.

As no acton to deregister is necessary this communication may be accepted as conveying the consent of the Department to the cancellation of the liens and the closing out of the account as a loss, which action has already been taken on our records.

MEMORANDUM:

On the 9th inst., Mr. P. McPherson, Right of Way & Lease Agent, Canadian Pacific Railway Co., Winnipeg, forwarded to this Department a transfer from the pre-emptor covering the land taken for station grounds (2.27 acres) and extra land (.50 acres) in the north-west quarter of section 17, township 6, range 11, west of the 4th meridian, shown coloured pink on the sketch beneath.

As the extra portion is evidently required for extra width, and is shown on the final plan of the right of way along with station grounds and as the land was entered for as a pre-emption, I would recommend that before patent for the land described in the transfer be issued, the Company be asked to pay for the 2.77 acres required, at the rate of $3 per acre.

Sir,

Re S.W. 9-6-11-W. 4th M.

I beg to inform you that the Secretary-Treasurer, Municipal District of Burlington No. 34, Foremost, Alberta, advises that liens for $416.50, $240.00, $416.50, $125.00 and $115.00, respectively, cloud the title to the above described land, and to say the records here show that the liens embraced in these amounts were given by one F. You are, therefore, hereby authorized and requested to remove from the title to the said the S.W.¼ 9-6-11-W. 4th M., the liens in question for $416.50, $240.00, $416.50, $125.00 and $115.00, respectively, registered against it.

Memorandum

Mr. Hume,

S.E.¼ 32--6--11 W. 4th Mer.(Area "A").
Pre-emption - Leo. J. Doren.
Entry granted - 21st January, 1918.

The entrant in this case made application for patent on the 9th November, 1917, claiming sufficient duties completed as shown on form #53R. (marked).

A Certificate of Recommendation was issued in his favor which expired on the 15th September, 1919, and same was renewed until the 15th January, 1922.

Inspector Wilcox reported on the 15th October 1923, that the entrant was living in Olympia, Washington, U.S.A. Improvements, nil; Cultivation, 16 acres broken, nothing in crop that year.

Cancellation proceedings were instituted against the pre-emption on behalf of the Department on the grounds of non-payment on the 19th November, 1923. No defence has been filed.

According to the Patents Branch there is $726.11 due on account.

The agent now forwards here an Abstract of Title which shows that a caveat has been registered against the land in favor of the Municipal District of Burlington, No. 34, Tax Recovery Act 1922.

In view of the evidence furnished in the Inspector's report referred to above and as the entrant has failed to file a defence to the cancellation proceedings I would suggest that the agent be instructed to carry out cancellation and as the land is situated in area "A" to post same for leasing purposes only provided he is aware of no reason to the contrary.

Homestead - Theodore Verburg.
Entry dated - 30th N.W., 1916.

Theodore Verburg made entry for this land at Lethbridge on the 30th of November, 1916, as a homestead. Cancellation proceedings were instituted on the 19th of April last and the following three declarations were on file:

"I do solemnly declare that Theodore "Verburg of the above mentioned entry has "really resided on said homestead namely, the "N.W.¼ Sect. 15 Town. 1 Range. 14 West 4th "Mer. except Forty (40) acres alike mailing "entry for same - and further that said "Theodore Verburg has been in the machinery "business in Coutts, Alberta, for the past "two years or more and further that being a "single man has not family residing on "his homestead during his absence and has "resided the best part of the past two years "in the state of Montana, U.S.A. I also "declare that during the present year of 1916 "Theodore Verburg has not resided on his "entry the months of April and May, 19[illegible].

([illegible]) [illegible] Villereale.

"I do solemnly declare that Theodore "Verburg of the above mentioned entry has "resided on said homestead namely the N.W. "¼ Sect. 15 Township 1 Range 14 West 4th Mer. "except forty (40) acres alike mailing entry "for same, and further, that said Theodore "Verburg has been in the machinery business "Coutts, Alberta, for the past two years or "more, and further that being a single man "has no family residing on his homestead "during his absence and has resided the best part "of the past two years in the state of Montana, "U.S.A. I also declare that during the present "year of 1916, Theodore Verburg has only resided "on his entry the months of April [illegible] "1916."

([illegible]) John Riley Black.

I do solemnly

"I do solemnly declare that Theodore "Verburg of the above mentioned entry has "only resided on the said homestead - namely "the N.W.¼ 15-1-14-4 about Forty (40) nights "since making entry for same and further that "said Theodore Verburg has been in the machine "business in Strutta, Alberta, for the past two "years or more and further that being a single "man has had no family residing on his homestead "during his absence and he resided the best "part of the past two years in the state of "Montana, U.S.A. I also declare that Theodore "Verburg has only resided on his entry the "nights of April 2nd and 3rd, 1916."

(SGD) Henry Hall.

In support of cancellation proceedings being instituted a defence was filed by the entrant on the 17th of June in which he stated that the first six months he lived with his brother eight miles away and then in residence on his homestead. He states as follows:

"From November 1st, 1913, to May 1st, 1914, "and from October 21st, 1914, to April 21st, 1915, "from March 30th, 1916 to April 3rd, 1916, from "June 6th, 1916, to the present time."

He also stated the following residence:

1913. Broke 100 acres, cropped 100 acres.
1914. Broke acres, cropped 100 acres.
1915. Broke acres, cropped 100 acres.
1916. Broke acres, cropped acres as I am summerfallowing the 100 Acres which I have broke and at the present time I have a man with a gang plow and six horses at work with the summerfallowing."

Further evidence reveals the fact that in the Spring of 1916, he was suddenly taken ill with inflamatory rheumatism and pleurisy and had to go to the hospital where he remained for four weeks. He states that it was then he was cancelled and it took him five weeks longer before he could get around. Up to the date of declaration he evidently was under the Doctor's care. The following declaration signed by Len Stelten and Geo. H. Robert is on file:

"Len Stelten and Geo. H. Roberts do "solemnly declare that Theodore Verburg of "the N.W.Sec. 15, Township 1, Range 14, West "of the 4th P.M.
"on his Homestead above described has the "following improvements. A house 14 X 16, "a barn 12 X 16, a well of good water, and on "this homestead and preemption 1 3/4 miles of "2 wire fencing and 1/2 mile of one wire fence, "that the said Theodore Verburg has 100 acres "broke upon the said homestead which he has had "in crop for three past years and that he is "now summerfallowing it."

"That the said Theodore Verburg has resided "on his homestead as follows from November 1st,

1913, to May 1st

"1913, to May 1st, 1914; and from October
"31st, 1914, to April 31st, 1915; from March
"31st, 1916, to April 3rd, 1916; from June 4th
"1916, to the present time."

In view of his defence above rehearsed an Inspector's report was called for. In the meantime, however, a letter was received and is on file in which Geo. W. Roberts states that he will not become a party to the statement previously shown above as signed by him and Stelton

The Inspector's report, however, is now to hand and states as follows:

Improvements.

House 1. Lumber Size. 12 x 14 Value. $75.00
Stable 1. Lumber Size. 10 x 14 Value. $30.00
Fencing - Nature 1½ mile 2 wires ½ mile 1 wire.
Value. $80.00

Well - Value $25.00

Cultivation.

There is 100 acres broken on the above land and crop in 1913, 1914 and 1915. The breaking and seeding has all been done by hired help.

Remarks.

"Your file 81161 and in reply to say I "visited the Homestead of Theodore Verberg and "find him not in residence his improvements are "as I have set forth above. He has a man and "team summerfallowing the land at time of my "visit I have made diligent inquiries as to his "residence on his Homestead from his nearest "neighbours and also at Coutts, Alberta, and "Sweet Grass, Montana. I find that he has re-"sided in the two above named places for the "last 3 years only visiting his Homestead "occasionly he has been agent for the Interna-"tional Harvester Company and the John Deere "Machinery Company at Coutts and Sweet Grass and "also runs a Motor Livery at Sweet Grass, Montana, "He has a small house in Coutts just close to "the boundary where he resides making it his "home. I have taken three Declarations regarding "his residence which I herewith submit and from "the information I have received after two days "investigation I am certainly of the opinion "that his entry for the above land should be "cancelled forthwith."

The following declarations are also on file:

"I do solemnly declare that I have known "the above homesteader Theodore Verberg since "November 1913 and I know of my own knowledge "that he has not resided on his homestead for "2 months since November 1st, 1913, but is in "residence at Coutts, Alberta, and Sweet Grass

Montana for the

"Montana, for the John Deere Implement
"Company and the International Harvester
"Company and lives there in a small house."

(SGD) Stefan Ponech.

"I do solemnly declare that Theodore
"Verberg of the above mentioned land has not
"performed bone-fide residence on his home-
"stead the N.W. quarter of Sect. 15 Township 1
"Range 14 West 4th Mer. since filing same and
"further that the said Theo. Verburg is resident
"for the best part of the past two years in
"Coutts, Alberta and in business there as
"Machinery Agent for John Deere Plow Co., Inter-
"national Harvester Co and others and is also
"conducting a Garage or Livery."

(SGD) John Blake Callaher, J.P.

"I do solemnly declare that I have known
"the above mentioned homesteader Theodore Ver-
"burg since he made entry on the above described
"land and I know that he is not a bona-fide
"resident as he has not resided on his homestead
"more than two months since he made entry for
"same but has been living in Sweet Grass, Montana,
"and Coutts, Alberta, Agent for Farming Implements
"for John Deere and the International Harvester
"Company and does not reside on his homestead."

(SGD) Lorenzo J. Smith.

In view of the fact that he has fairly good improvements on this quarter-section and that he has cropped 100 acres in 1913, 1914, and 1915, respectively, (even although it has all been done by hired help) I would suggest that he be given a final thirty days within which to establish ~~improvements full~~ upon the land (for there is every evidence that he has means to do so), and that it be made very plain to him in the letter that his action is strictly disapproved by the Department and thoroughly deserving of no consideration whatever.

About the middle of June last a Statuary Declaration bearing my signature was sent you by Mr Theo. To Whom This May Concern:

Mr. Theodore Verburg of Coutts Alberta was suffering from a severe bronchitis in February which later developed into pleurisy with effusion thereby compressing him to his bed and later crutches. Rheumatism was also a factor and the two conditions kept Mr. Verburg from doing any work for the last six months. And at this late date Mr Verburgs strenght has not returned.

I am quite sure he is in no condition to do any work but that of the lightest character.

Cancelled homestead and pre-emption.
T. Verburg.

I beg to return your Reference 17233, covering Mr. Verburg's protest against the cancellation of his entries.

He secured these entries in 1912, cancellation proceedings were instituted in April last, considerable unfavourable sworn evidence was filed, a Homestead Inspector's report was obtained which strongly recommended cancellation, and cancellation was carried out on the 1st instant but the Agent was instructed not to dispose of the land until further advised.

This was evidently done because Verburg had one hundred acres of cultivation.

Mr. Verburg now claims that he actually did perform the following residence.

With brother on N.W.¼ 15, same township. 30th November, 1912, to 1st September, 1913.

On homestead, 1st November, 1913 to 1st May, '14.
" " 21st Oct., 1914, to 21st April, '15.
" " 30th March, 1916, to 3rd April, '16.

He was then taken seriously ill and was sent to Golden, Montana, Hot Springs.

During this period he was cancelled, (that is application for cancellation was made).

The foregoing dates correspond with the defence filed by Mr. Verburg dated

W. W. Cory, Esq.,
Deputy Minister of the Interior.

dated 17th June, 1916.

I may say that a declaration was also submitted signed by L. Stelten and G. H. Roberts (3741-40). This declaration contains the same statements regarding residence except the first period with brother. Messrs. Stelten and Roberts have since disavowed the statements regarding residence, claiming that they signed the same under misapprehension.

The declaration of Messrs. Stelten and Roberts was the only evidence in favour of the homesteader on file, and this being withdrawn leaves him with no support whatever.

On the other hand the file contains six declarations claiming that Mr. Verburg has performed no bona fide residence but has been engaged in the implement business at Coutts for the past two years or more.

A statement on file dated 28th August marked by slip, gives all particulars.

The report of the Inspector was, as already stated, directly contradictory to the statements of the homesteader.

Mr. Verburg now files medical certificates to show that he was under the care of a doctor from 6th January, 1916, and that he was at Holder Hot Springs by the doctor's order from April 4th to May 6th, 1916. Another certificate from Sweet Grass, Montana, shows that Mr. Verburg was suffering from severe bronchitis in February last, also from rheumatism, and that he was prevented from doing any work for the following six months and is still in a very reduced condition physically.

Mr. Verburg.

Mr. Verburg makes the point that he was not given final thirty days notice according to the custom of the Department, but the evidence on file was so strong that it would appear that the action of the Department in cancelling was the proper action to take.

An investigation is now asked for, to be conducted by some person outside of the district, as it is claimed that the cancellation is due entirely to spite work.

There appears to be no objection to calling for a further inquiry, the same to be conducted under oath, and to go thoroughly into the matter of residence.

Kindly say if an Order-in-Council should be procured authorizing an inquiry under oath.

Respectfully submitted,

A. About two miles if one cuts across the land.

Q. Your brother secured entry in 1912?

A. Yes sir, on November 30, 1912.

Q. Do you know if he went into residence then?

A. In 1912 at the time he made entry, he was living with me, and he remained with me until the latter part of October 1913.

Q. Did he live there continuously with you?

A. Yes, he lived with me mostly continuously, it was his only home then.

Q. Did he do any improvements on his own place in 1913?

A. Yes, in 1913, he broke 100 acres and in the fall of 1913 he pulled down a shanty from my brother's place.

Q. Did he go into residence then on his own land?

A. Yes, he went into residence then on his own place and during the winter of 1913 and that of 1914 we three brothers lived on my brother Theodore's place, together.

Q. Did he move away after that?

A. I Might say that he cropped this in 1913 after he broke the 100 acres and put it into flax, but he did not have any crop out of it, as it froze. In 1914, he went into the Machine business in the spring as Manager for the Verburg Bros.

Q. What residence did he perform in 1915?

A. In 1914, he lived on his homestead again during that winter until spring, there was not much business in the machine line during those months, but in the summer of 1915 he went back into town again.

A. No sir, he was not there.

Q. Was he on his land in 1916?

Q. You are positive that he performed residence during the winter of 1912and 1913 with you on your land?

A. Yes sir, and then he lived on his own place during the winters of 1913, 1914 and the beginning of spring 1915.

He the brother that was there was Arthur, and myself and Theodore lived together on his homestead.

Theodore Verburg, Sworn.

Q. What is your name in full?

A. Theodore Verburg.

Q. What is your homestead?

A. The N.W. ¼ of 15-1-14 W. 4th.

Q. When did you receive entry for this land?

A. November 30, 1912.

Q. When did you start to perform residence duties in connection with this entry?

A. At the time that I filed, I was living with my brother on the N. W. ¼ of 14-1-14 W. 4th, and I kept right on living with him.

Q. How far was that from your own place?

A. Going right across it was about 3 miles.

Q. How long did you live with your brother?

A. I lived with him continuously until I moved my house on my own homestead on the 27th day of October 1913, then I started to live on my own land on the 1st of November 1913.

Q. How long did you stay on your land then?

A. I stayed on there until May 1, 1914.

Q. Where did you go then?

A. I then took over the International Agency for the International Harvester Co. at Coutts in the latter part of December 1913, which they kept for me until business started in the spring of 1914, about the 1st of March. On the 1st of May 1914 I took the stove out of my house, and took the bedding also to my Office at Coutts in a building I rented, and doing my own cooking, I lived and batched in the Office at Coutts until October 21, 1914.

Q. When did you go back to your land after that?

A. On the 15th of October 1914, I applied to the Government for some Relief, and I got $36.00 worth of coal, and I bought $35.00 worth of provisions at that time, then I moved on the homestead and stayed there until April 21, 1915, but during that time up till the 1st of February I never even sold a bob-sleigh or anything. I did not pay any attention to the implement business during that time, but about the 1st of March 1915, I got in a car of machinery and sometimes I went into town every day and sometimes I missed two or three days.

Q. Did you always go back home at nights during that time?

A. Yes, unless it was on account of a storm.

Q. When did you move back into town?

A. I moved back into town April 21, 1915 and stayed in town all summer until about the 1st of September, and then I lived at the hotel at Coutts.

Theodore Verburg -- continued:-

Q. Did you go back on the farm after that?

A. No sir, not in that year, as in the fall of 1915, I contracted a severe cold and was under the Doctor's care practically the whole winter, and under his advice, I could not go back. I then roomed and lived in Sweet Grass.

Q. What residence did you perform in 1916?

A. I got notice about the middle of March that there was an application in for cancellation against my land, in which Notice it said for me to be on my homestead and send in a defence by the 1st of April, so about the 20th of March 1916, I again moved out on the homestead, and on that day I went and sent in a defence showing what improvements I had done, and I went and sent in a defence which was sworn before a J.P.

Q. How long did you stay in residence then when you moved out to your land that year?

A. I stayed in residence then just four or five days, when I went into town, and was taken suddenly and seriously ill with inflammatory rheumatism, and I was then told that I had to go to Soldier, Hot Springs. I was then walking with crutches, and was put onto the train and laid up at the hospital at Hot Springs. I then also took pleurisy a little over a month after I was there, and it was during that time that the cancellation of my land went through.

Q. Did you ever have a reply from the Department to the defence y u filed?

A. Yes, I did. They acknowledged the receipt of the defence, and said I would be advised in due course, and that is all I ever heard about it, until I found out the land had been cancelled. Then I took it up immediately with Mr. Buchanan.

Q. What improvements have you got on that homestead?

A. I have a shack 14 x 16 x 8' high, covered with rubberoid and tar paper, a good cellar, a barn 12 x 16 for four head of horses, a well; my homestead and pre-emption fenced, one & ¼ mile of 2 wire fence, and half a mile of one wire fence. Then I have 100 acres broken.

Q. When was that broken?

A. It was broken in the spring of 1913.

Q. Did you get any crop that year?

A. Yes, I had put it into flax, and owing to a dry spell coming on, it did not come up until after the rains in July, and after growing up pretty good, it got frosted. I got less than 150 bushels of the whole thing.

Q. Was there a crop in 1914?

A. Yes, about 90 acres into wheat and 10 acres into oats, but owing to dry weather again, I did not get hardly anything, it just came out in patches.

Q. Was there a crop in 1915?

A. In 1915 I had it all into wheat; I drilled it in, but the Russian Thistles came out of it pretty bad, but I got about 300 bushels that time.

Theodore Verburg----continued:

Q. In 1916, did you have any crop?

A. No. I thought it was useless to drill it again, so I decided to summer-fallow the whole 160 acres, and I hired a man and he stayed on my place and I was out there nearly every night for a while, and We summer-fallowed the 160 acres, and got it in just a fine shape for year's crop. I have also all the seed ready now for this crop.

Q. You got some seed from the Government in the winter of 1914, and spring of 1915?

A. Yes, I got I think about 90 bushels of wheat and 20 bushels of oats, and in that spring I also got $25.00 worth of Feed put in with it.

Q. Where did you use the coal you got in 1914?

A. I got 6½ tons, three loads of it, and used it all on the homestead.

Q. Is there any breaking done on your pre-emption?

A. No, it is all on the homestead; I have only picked rocks on the pre-emption, besides fencing it.

I wish to add further, that in the year that I started in the implement business, Mr. Blackmer repeatedly told others and myself that he would have me broke inside of two years, butat the end of the two years, the John Deere Co. whose Agent I was at that time, gave me their contract, and when he found out that I had their contract, he told all around that he would take my homestead away from me, so he got one of the Wollersheim boys to cancel me.

I, Evelyn C. Cartin, do solemnly declare that the foregoing evidence taken by me at Milk River on the 16th day of February 1917, is true and correct to the best of my knowledge and belief.

February 26. 1917.

Sir,

In reference to your letter of October 31st, and files # 3858015 and 1829137, and Order-in-Council dated October 5th, 1916, authorizing me to hold an Investigation under oath in relation to the performance of settlement duties by Theodore Verburg in connection with the W. ½ of Sec. 15, Tp. 1, Range 14, West of the 4th Mer., I beg to say that I visited Milk River on February 16th, and took evidence under oath from five neighbors and Mr. Verburg, which you will find attached to Head Office file.

On that particular day, one of the worst blizzards that has ever visited the West, was prevailing, and it was impossible for some of the other witnesses to appear. However, Mr. Verburg told me he could get affidavits from most of the near-by neighbors concerning his settlement duties. I told him to do so, and you will also find attached to Head Office file, nine Affidavits in connection with his residence duties.

You will also note that Mr. Stelton and Mr. Roberts who sent in a letter of complaint to the Department, have sworn to Statutory Declarations that Mr. Verburg did reside on his brother's homestead during the winter of 1912 and 1913, and in the winters of 1913, 1914 and 1915 he lived on his own place. The reason these two gentlemen objected to the former Declaration, was that they were swearing to exact dates, and they claim that it was impossible to do that. They know that Mr. Verburg was there during those winters but could not swear to the exact dates.

By the evidence submitted, I am satisfied that Mr. Verburg did perform residence duties on his land for two terms and one term with his brothers. I am strongly of the opinion that according to the evidence submitted, Mr. Verburg's entry should not have been cancelled, and I would recommend that he be re-instated in his entry, and allowed two terms of residence, and be instructed to return immediately to put in one term of six months' residence, for the reason that the neighbors are unable to furnish us with the necessary information as to the exact dates of residence.

As Mr. Verburg has 100 acres summer-fallowed

Sir:-

I beg to acknowledge the receipt of your letter of the 18th instant, from which it would appear that you are desirous of securing permission to crop the land now broken and ready for crop in the spring on the above described quarter section, on condition that one-third of the proceeds of the said crop be turned over to the Government for patriotic purposes, and in reply to say that Mr. H. G. Cuttle, Chief Inspector of Dominion Land Agencies, at Moose Jaw, Sask., recently held an investigation as to the manner in which Mr. T. Virburg performed his duties in connection with his entries for this land, and I have not as yet been advised of the result of said investigation, or of what steps the Department will take in this connection.

I am forwarding your communication now under reply to the Department at Ottawa for whatever action they deem necessary in this connection.

Referring to your letter of the 13th ultimo addressed to the Agent of Dominion Lands at Lethbridge, I beg to inform you that your request to be permitted to seed in crop the broken land on the West half of Section 16, Township 1, Range 14, West of the 4th Meridian, on certain conditions cannot be entertained, as it is not the practice of the Department to comply with requests of this nature.

Memorandum:

Mr. Hume.

W.½ 15-1-14 W.4th M.
Cancelled homestead &
Pre-emption-Theodore Verburg

An application for re-instatement has been made and Mr. Cuttle has made an investigation under oath in accordance with the request contained in the Deputy Minister's memorandum of the 25th September, 1916 (marked).

A full explanation of the case as it stood at the time the investigation by Mr. Cuttle was called for is contained in your memorandum to the Deputy Minister of the 26th September last, which reads as follows:-

"I beg to return your
"Reference 17253, covering Mr. Verburg's
"protest against the cancellation
"of his entries.

"He secured these entries
"in 1912, cancellation proceedings
"were instituted in April last, con-
"siderable unfavourable sworn evidence
"was filed, A Homestead Inspector's
"report was obtained which strongly
"recommended cancellation, and can-
"cellation was carried out on the 1st
"instant but the Agent was instructed
"not to dispose of the land until further
"advised.

"This was evidently done
"because Verburg had one hundred acres
"of cultivation.

"Mr. Verburg now claims that
"he actually did perform the following
"residence.

-With-

"With brother on H.V.& L.R.,
"same township, 30th November, 1911,
"to 1st September, 1913.

"On homestead, 1st November 1913 to 1st May '14.
" " " 31st Oct., 1914, to 31st Apr. '15
" " " 30th March, 1916, to 3rd Apr. '16

"He was then taken seriously
"ill and was sent to Soldier, Montana,
"Hot Springs.

"During this period he was
"cancelled, (that is application for
"cancellation was made).

"The foregoing dates correspond
"with the defence filed by Mr. Verburg
"dated 17th June, 1916.

"I may say that a declaration
"was also submitted signed by L. Stelten
" and G. H. Roberts (3741440). This
"declaration contains the same state-
"ments regarding residence except the
"first period with brother. Messrs
"Stelten and Roberts have since disowned
"the statements regarding residence,
"claiming that they signed the same
"under misapprehension.

"The declaration of Messrs.
"Stelten and Roberts was the only
"evidence in favour of the homesteader
"on file, and this being withdrawn
"leaves him with no support whatever.

"On the other hand the file
"contains six declarations claiming
"that Mr. Verburg has performed no
"bona fide residence but has been
"engaged in tow implement business at
"Coutts for the past two years or more.

"A statement on file dated 26th
"August marked by slip gives all part-
"iculars.

"The report of the Inspector was,
"as already stated, directly contradictory
"to the statements of the homesteader.

"Mr. Verburg now files medical
"certificates to show that he was under
"the care of a doctor from 8th January,
"1916, and that he was at Soldier Hot
"Springs by the doctor's order from April
"1st to May 8th, 1916. Another certificate
"from Sweet Grass, Montana, shows that
"Mr. Verburg was suffering from severe
"bronchitis in February last, also from
"rheumatism, and that he was prevented
"from doing any work for the following
"six months and is still in a very reduced
"condition physically.

-Mr.-

"Mr. Verburg makes the
"point that he was not given final
"thirty days notice according to the
"custom of the Department, but the
"evidence on file was so strong that
"it would appear that the action of
"the Department in cancelling was the
"proper action to take.

"An investigation is now asked
"for, to be conducted by some person
"outside of the district, as it is
"claimed that the cancellation is due
"entirely to spite work.

"There appears to be no objection
"to calling for a further inquiry, the
"same to be conducted under oath, and
"to go thoroughly into the matter of
"residence.

"Kindly say if an Order-in-
"Council should be procured authorizing
"an inquiry under oath."

The remarks contained in the Homestead Inspector's report of the 11th July, 1916, referred to in your report are as follows:-

"I visited the homestead of
"Theodore Verburg and find him not in
"residence. His improvements are as
"I have set forth above. He had a man
"and team summer-following the land
"at time of my visit. I have made
"diligent inquiries as to his residence
"on his homestead from his nearest
"neighbors and also at Coutts, Alberta,
"and Sweet Grass, Montana, and from
"the information of his neighbors and
"the business men of Coutts and Sweet
"Grass Montana I find that he has
"resided in the two above named places
"for the last three years only visiting
"his homestead occasionally. He has
"been Agent for the International
"Harvester Company and the John Deer
"Machinery Company at Coutts and Sweet
"Grass, Montana. He has a small house
"in Coutts just close to the boundary
"where he resides making it his home.
"I have taken three declarations
"regarding his residence which I here-
"with submit and from the information
"I have received after two days in-
"vestigation I am certainly of the opinion
"that his entry for the above land should
"be cancelled forthwith."

Mr. Cattle held his investigation on the 14th. ultimo. A bad blizzard prevailed on that day. He was able to secure evidence of only five witnesses.

-Mr.-

Mr. Cuttle also furnishes nine affidavits secured by Mr. Verburg from neighboring settlers on his own behalf, after the investigation was held in accordance with Mr. Cuttle's request.

Mr. Cuttle secured the following evidence:-

Philip Wollersheim.

Does not know anything about residence of Verburg brothers. Quite sure no settlement performed on homestead in years 1913, 1914 & 1915.

John Wollersheim. (Applicant for Inspection).

Unfavorable to Verburg who now has business in Sweet Grass, Montana.

Henry Ball.

Could not say much about years 1913 and 1914, but knows he was not there in 1915 and 1916. Might have performed certain residence with brother. Was in business at Coutts.

John B. Blocher.

1913 - May have put in two or three weeks in May or June and twenty or thirty days in fall.
1914 - Does not remember seeing him except when hauling a load of seed.
1915 - Might have been there but did not put in six months.
1916 - Did not put in ten days.

This witness states he and Verburg were both in implement business in years 1913, 1914 and 1915, and that during the summer months of these years Verburg slept at his office.

This witness also states Verburg lived with his brother for twenty days or so during winter 1914-15.

-N. C. Verburg.-

N. C. Verburg (brother).

Bears out claim made by applicant. States the three Verburg brothers lived on applicant's so-called land during the winters 1913-14 and 1914-15.

Theodore Verburg (applicant).

Gives full details respecting all his duties and his evidence agrees with his former statements except that in the year 1915 he now states that from the 1st March he spent considerable time in town at his business.

He explains that [illegible] his defence in support of cancellation proceedings he received acknowledgement of a letter that he did not keep original but will be received word that his entries had been cancelled. This appears to be borne out by the papers on file (the Homestead Inspector's report [illegible] final notice).

The nine declarations furnished by Mr. Verburg after date of investigation are all by settlers living in the neighborhood and bear out in general terms the claims made by Verburg but no actual dates are furnished. In this connection I might say I do not think it possible in ninety-nine cases out of one hundred for settlers living in the vicinity to furnish exact dates of residence performed by a certain party when it has been put in in broken periods.

Mr. Cuttle in his report states that the reason why Mr. Stelton and Mr. Roberts objected to signing the declaration on behalf of Verburg was that they were swearing to exact dates and they claimed it was impossible to do that but that they know that Verburg was there during those winters, one with the brother and two on his homestead, but cannot swear to exact dates. Mr. Cuttle is satisfied that Verburg did perform residence duties on his homestead for two terms and with his brother for one term. He is strongly of the opinion from the evidence secured that Verburg's entry should not have been cancelled and he recommends that he be re-instated in his entry and be credited with two terms of residence and that he be instructed to return immediately to the land and put in a further term of six months residence for the reason that the neighbors are unable to furnish the necessary information as to exact dates of residence. Mr. Cuttle adds that Verburg has one hundred acres summer fallowed on the land and is anxious for the matter to be disposed of promptly so that he can undertake to get in a

-crop-

crop during the coming season.

The evidence produced by Mr. Cuttle is not very favorable to Verburg who does not really seem interested in the implement business except as the means he claims to be homesteading.

Question -- Should Verburg be re-instated; given credit for two terms of residence and instructed to proceed immediately to the land to perform further term of residence as recommended by Mr. Cuttle.

There seems to be no question about the homestead cultivation duties having been completed.

Mr. Verburg appears to be indebted to the Department for over $600. for seed grain relief and fencing.

Dear Sir:- Yours of the 15th inst notifying me of the cancellation proceedings started against my homestead the NW 1/4 Sec 15-1-14 West of the 4 with blank for filling out [illegible] to my improvements etc. Will say that you now have all of that information now in file, Will further say that the department gave me till May 1st to get on my homestead and that I was there by that time as I stated in the declaration which I sent you. Of course I have no way of finding out what Wolbrecheim swore to when he cancelled me but the morning that he went up to Lethbridge to do it I was on my place as I can prove so that he must have perjured himself by saying that I was not or you certainly would not let him [illegible] ated proceedings.

since May 1st I have missed 4 nights on my homestead - ne that I was in Lethbridge on business 2 that I was in Calgary on court business and one that I was east of Coutts when my car broke down and I did not get back till the next [illegible]. Since May 1st I have put in my crop of 100 acres have fixed up my fences have bought some more furniture which I have in my house now and have laid up about 25.00 worth of provisions so that I certainly think I have been homesteading since May 1st I have also made arrangements for the building of a small house and the breaking of an additional [illegible] for next years crop.

I have also written to Mr. H J Cuttle relative to the proceedings started against me & I consider it no less than a persecution that Wolfenstein can not [illegible] I do not [illegible] the land in the least

Granted 30/11/1912
and 25/6/1913

Cancellation proceedings were instituted on the 15th May, 1917.

When Form No. 41 was forwarded to the Department by the Agent there was a declaration from two parties enclosed stating that Mr. Verburg had never resided on his homestead.

A Homestead Inspector's report was called for on the 2nd June, and on the 3rd July the Acting Deputy Minister asked that this report be secured at the earliest possible moment.

The report is now at hand and shows that Mr. Verburg is not in residence and has not resumed residence in accordance with the regulations. There is a house on the land valued at $30.00; a lumber stable, $8.00; 2 miles of wire fencing, $50.00; 100 acres cropped, $300.00.

In his general remarks the Inspector says that after interviewing the neighbours he finds that Verburg has not performed residence as he was ordered to do; any residence performed has been by sleeping on the place at night; he and his brother conduct an implement business at Coutts during the day.

The Inspector went to Coutts and interviewed the entrant, who promised to go into residence at once.

Mr. Gallagher, who has lived in the vicinity for years, states that the entrant has never done his residence in connection with this land; he is quite positive that up to the present time 42 days is all the residence that has been done.

Please say what action is necessary.

Memorandum:

Mr. Hume.

W.½ 15-1-14 W. 4th M.
Homestead & Pre-emption-
Theodore Verburg.

The question in this case is whether the cancellation proceedings should be abandoned or whether they should be carried on further until the Department is satisfied that Mr. Verburg is acting in good faith.

Kindly read the Acting Deputy Minister's memorandum of the 18th August last marked.

Mr. Verburg secured his entries in 1912. Cancellation proceedings on behalf of Jacob Wollersheim were first taken in April, 1916, and in view of the information contained in an Inspector's report his entries were cancelled.

Mr. Verburg protested against the cancellation, and Mr. Cuttle was asked to make an investigation under oath.

Mr. Cuttle recommended that Mr. Verburg be reinstated and that he be credited with two terms of residence and that he be instructed to return immediately to the land and put in a further term of six months residence for the reason that the neighbors were unable to furnish necessary information as to exact dates of residence.

There appeared to be no doubt that the homestead cultivation duties had been completed.

The Deputy Minister and the Minister concurred in Mr. Cuttle's recommendation, and on the 14th of March Mr. Verburg was told that his entries were restored to him and that he should proceed immediately to the land and perform another term of residence in connection with his homestead.

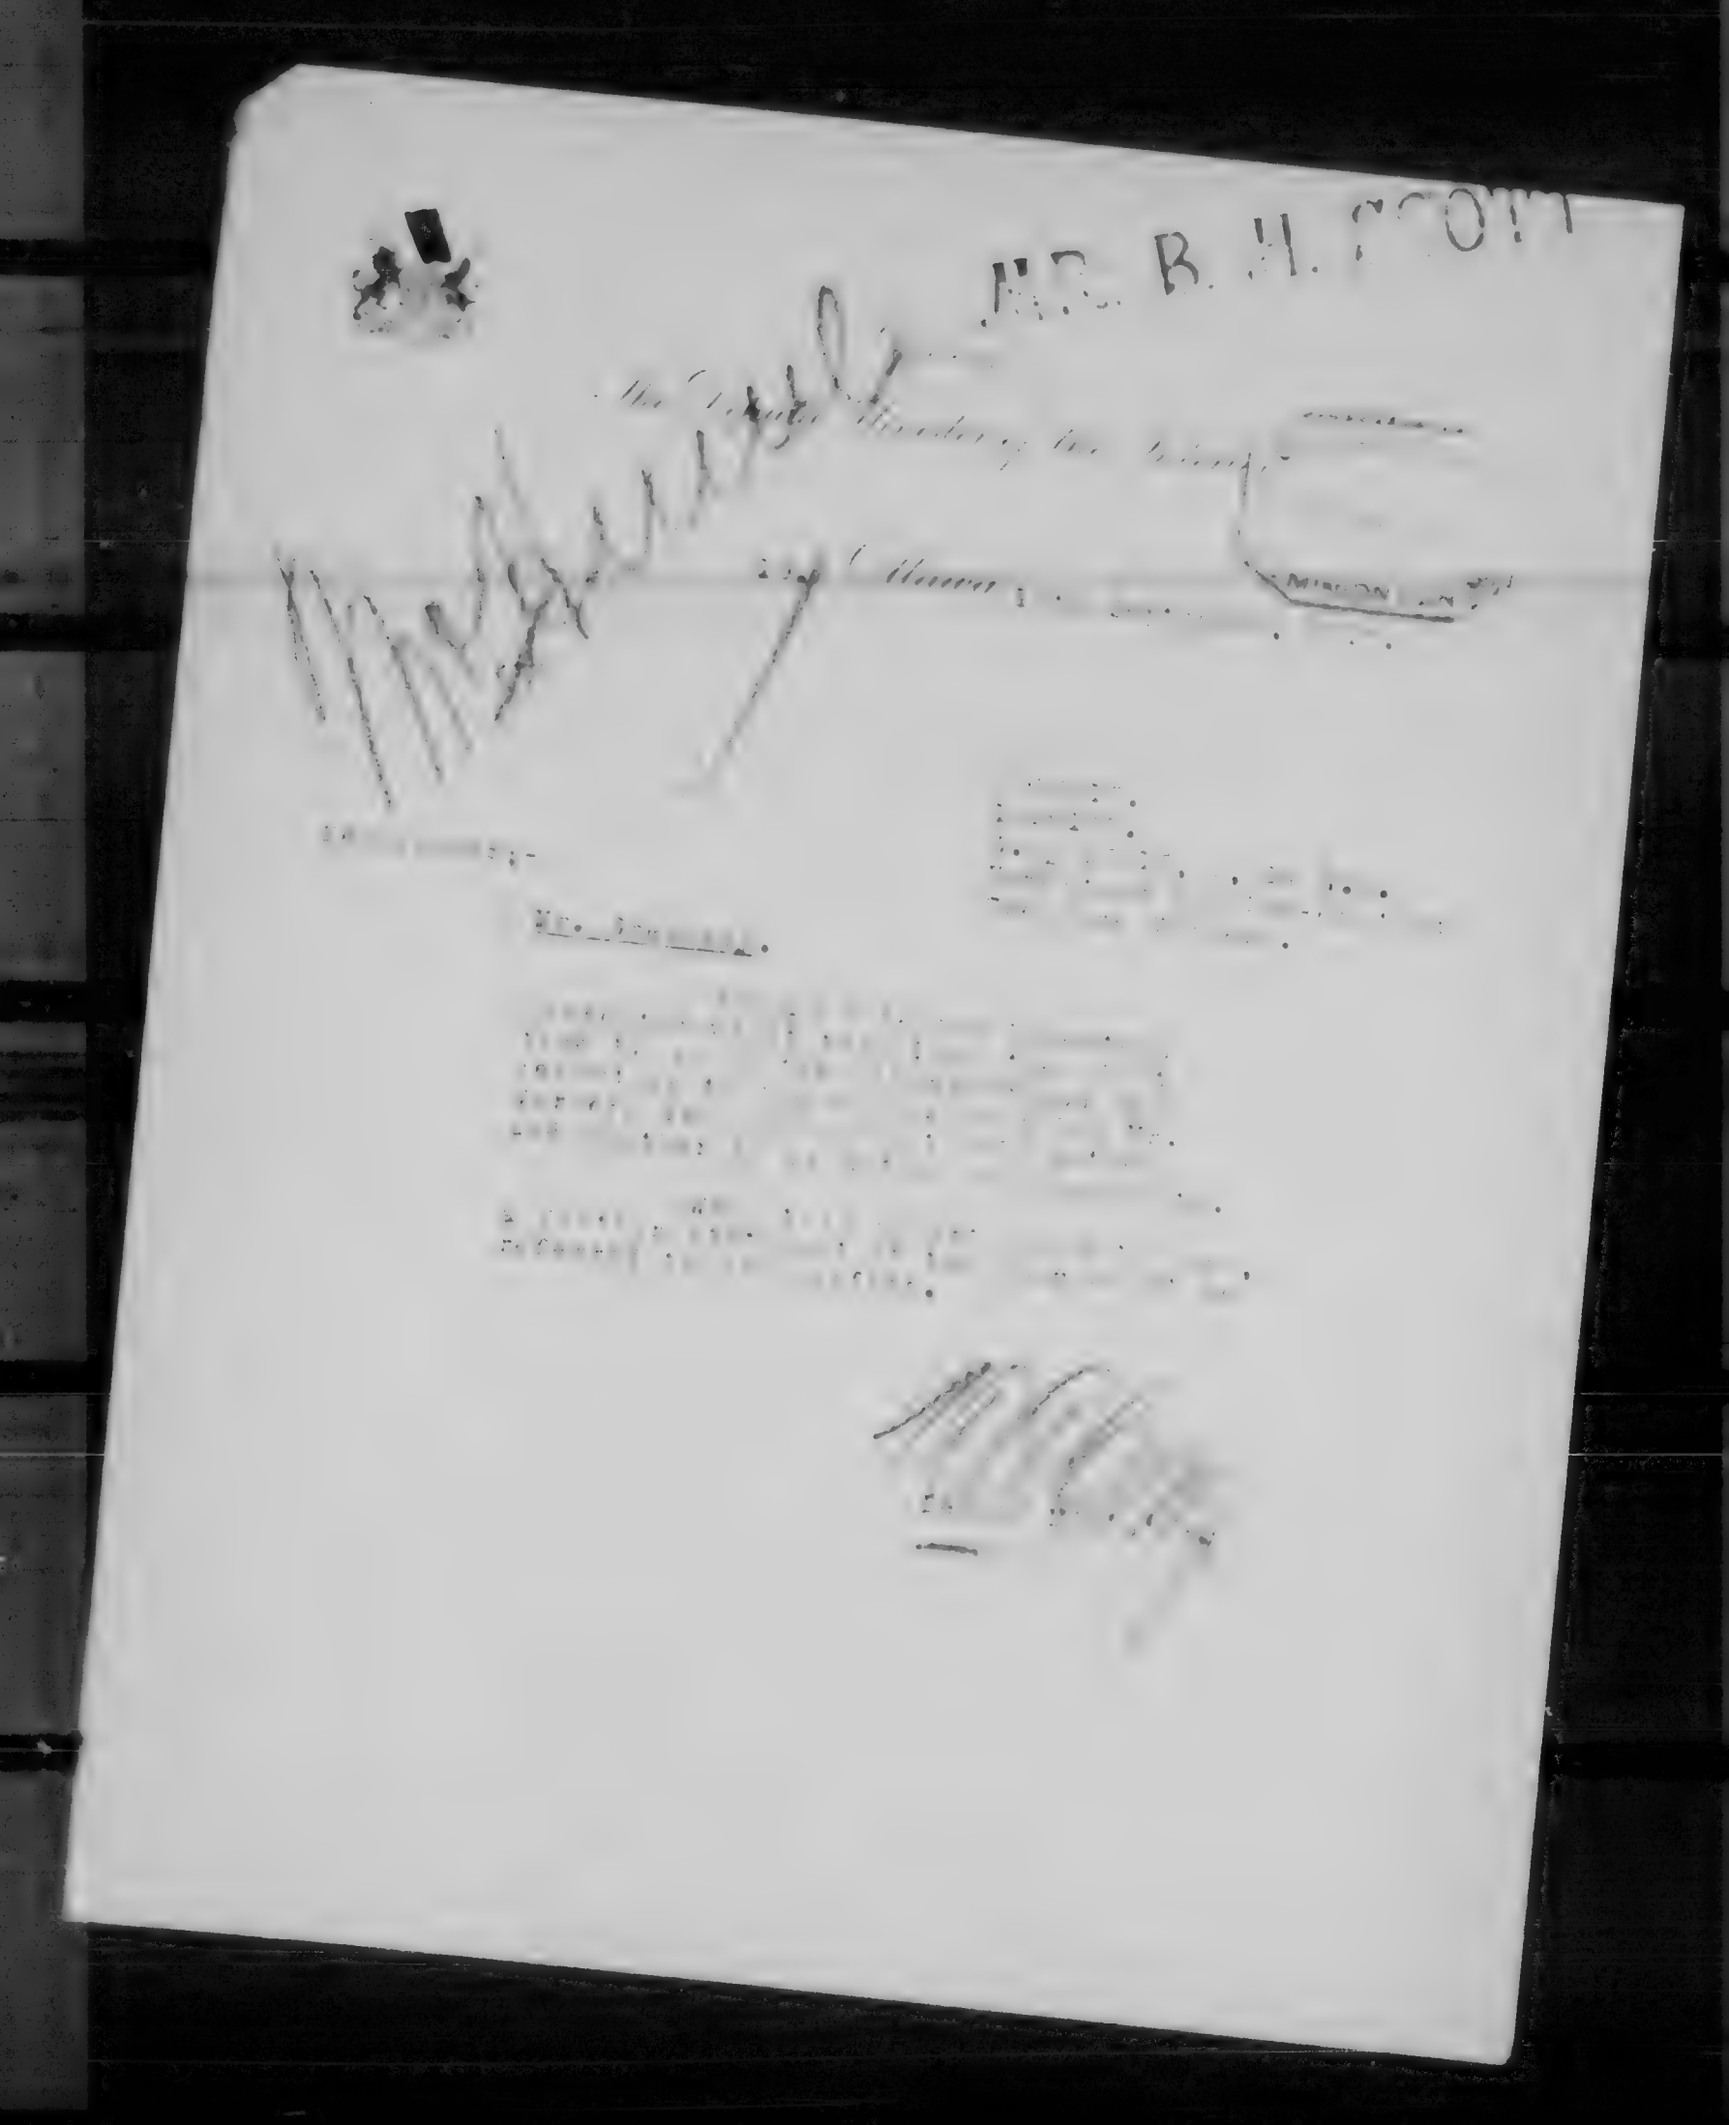

-It-

It is usually understood that reinstatement involves the abandonment of the cancellation proceedings upon which the entries were cancelled. This seems to have been understood by the Agent in this case as he accepted a fresh application to cancel from the former applicant (Jacob Wollersheim) on the 15th May last.

An Inspector reported on the 20th June, 1917, that Verburg had not then gone into residence, but that he promised he would do so immediately.

The Inspector, who was asked to go into the matter again reported on the 30th ultimo that Mr. Verburg had been in continuous residence since the 22nd June last. The Inspector gathered from the neighbors that this man is now doing his duties in a satisfactory manner.

In view of the trouble we have had in the past it might possibly be well to hold the proceedings over and have the Inspector visit the land again the first time he is in the neighborhood.

DO NOT WRITE ABOVE THIS LINE. USE THE SAME LETTER AND FILE NUMBER ON ALL REPLIES.

Cancellation proceedings are outstanding, and the question now is what further action should be taken.

A Homestead Inspector's report was called for, and on the 30th ultimo, instructions were issued from the Deputy Minister's Office to have the case expedited, and a statement furnished that office as soon as the report was received.

This case has given considerable trouble, and the following is a summary of the correspondence to date:—

Mr. Verburg secured his entries in 1912. Cancellation proceedings on behalf of Jacob Wollersheim were first taken in April, 1916, and in view of information contained in a Homestead Inspector's report his entries were cancelled. He protested against cancellation and Mr. Cuttle made an investigation under oath.

Mr. Cuttle recommended that Mr. Verburg be reinstated, and that he be credited with two terms of residence and instructed to return immediately to the land, and put in a further term of six months' residence.

There appeared to be no doubt that the cultivation duties for the homestead had been completed.

-The-

The Deputy Minister and the Minister concurred in Mr. Cuttle's recommendation, and on the 14th March last Mr. Verburg was told his entries were restored to him and that he should proceed immediately to the land and put in another term of residence in connection with his homestead. It appears the Agent understood that reinstatement meant the abandonment of the original cancellation proceedings as he accepted a fresh application to cancel from the former applicant, Jacob Wollersheim, on the 15th May last and instituted proceedings on the same day.

On the 20th June, Inspector Scott reported that Verburg had not then gone into residence but promised to do so immediately.

Inspector Scott reported again on the 30th August setting out that Mr. Verburg had been in satisfactory residence from the 22nd June, 1917.

In view of the trouble we have had in the past with this man, it was considered advisable before abandoning the proceedings to have the Inspector visit the land again to see if Verburg was acting in good faith. Inspector Scott reported on the 6th instant that Mr. Verburg was not in residence and had performed no residence since the 30th August last (date of Inspector's last report) that could count to his credit.

The Inspector remarked that since the 1st September Mr. Verburg has been conducting an implement business at Coutts and going out to his homestead at nights, also that he had built a new $200.00 house on his homestead.

The Agent when forwarding this report sets out that he had on several occasions advised Mr. Verburg personally that, as he is a single man, he cannot perform residence duties by conducting an implement business at Coutts and sleeping on his homestead at nights.

Mr. Verburg now writes the Department at considerable length that his brother is now managing the implement business at Coutts; that he has resided on his homestead "all the time since the 1st May"; that he suffers from rheumatism and that he has been doing some of the lighter work on his own and his brother's homestead, which he has also been looking after; that he has just finished having his brother's land plowed up and intended to immediately commence breaking on his own quarter; that he has built a well

-and-

and moved a new house on his homestead and has fixed the house up with a view to living in it during the coming winter.

Mr. Verburg sets out that he understands a petition, praying for the cancellation of his entries is being circulated in the district. He claims he is doing his duties and if the Department is not satisfied that this is the case he would like to have Mr. Cuttle go out again and report.

Mr. Verburg's statements in his letter which is dated the 8th instant do not agree at all with the information contained in Inspector Scott's report of the 6th instant and in order to get at the bottom of the matter it would appear that another Inspector, preferably one who had not already dealt with the case, might go into the matter and make very full inquiry as to the manner in which Mr. Verburg is performing his duties.

RECEIVED
JAN 16 1918
BRANCH OF LANDS

Sir,

Re V.½ 15, 1, 14 W4th Mer.

I beg to enclose you herewith the report of Mr. P. A. Woodlock, Homestead Inspector for the Calgary District, in connection with the manner in which Mr. Theodore Verburg is performing his duties on the above described land, together with declarations from Messrs. A. J. & M. C. Verburg in connection therewith.

When Mr. Woodlock arrived here from Calgary to make this report, I handed him the file in connection with the case and went fully into the matter with him, explaining that he should obtain, if possible, statutory declarations from disinterested neighbors in the vicinity of the land as to the manner in which the residence duties had been performed by Mr. Verburg.

His report, which I now enclose, does not indicate that he has done this. Inspector Woodlock was not asked to make a recommendation in this case, and while the entrant has substantial improvements upon the land yet I am of the opinion from information which I have received at this office from neighbors living in the vicinity, that his residence duties are still being performed by residing at Coutts in the day time and sleeping a few nights a week on the homestead.

The Secretary,

It should have been an easy matter for the Inspector to have obtained information on this point.

In my opinion the report does not contain the information asked for and I could not recommend that the cancellation proceedings be abandoned.

If the report in question does not contain sufficient information for the Department to dispose of the case, I would suggest that as Mr. F. Szablewski, Chief Homestead Inspector, is now working in this District as a Seed Grain Collector, that he be asked to obtain a full report in this case, submitting such information that will enable the Department to deal finally with the cancellation proceedings outstanding.

If it is the wish of the Department to have Mr. Szablewski make this report, I would ask that I be advised by wire to that effect.

Homestead and pre-emption of
Mr. Theodore Verberg. Entries
granted 30th November, 1912 and
28th June, 1913.

The full facts of this case are set out in Mr. Scott's memorandum of the 24th of November last, marked.

Instructions from the Deputy Minister's office dated the 1st of December, 1917, are as follows:-

> "In view of the fact that the state-

The Agent in his covering letter stated that when Mr. Woodlock arrived from Calgary to make this report he handed him the file in connection with the case and went fully into the matter with him explaining that he should obtain if possible statutory declarations from disinterested neighbours in the vicinity of the land as to the manner in which the residence duties had been performed by Mr. Verberg; that the report enclosed does not indicate that he had done this and that Homestead Inspector Woodlock was not asked to make a recommendation in this case, and while the entrant has substantial improvements upon the land he, the Agent, is of the opinion from information he received at his office from neighbours living in the vicinity, that his residence duties are still being performed by residing at Coutts in the day time and sleeping a few nights a week on the homestead; that in his opinion the report does not contain the information asked for and he could not recommend that the cancellation proceedings be abandoned and if the report in question does not contain sufficient information for the Department to dispose of the case, he suggests that Mr. F. was put in by sleeping t ere so seldom and irregular that it is impossible to establish anything definite. Of course, Mr. Verberg claims he has been performing his residence duties during the winter months.

I also wish to call your attention to the fact that when I arrived at Coutts I met Mr. Verberg there and ked him for a statement, but he refused to do so, saying that already wrote about five or six of them w ich the Depart- ent has on file. He said he could not occupy any time with me because he was leaving on the train for Calgary that after- noon, and finally that he was getting sick of the whole affair. Another thing is that when I had difficulty in getting a team to take me out to the place, I asked his brother offering to pay him for to drive me out to the land, but he refused saying his team was played out. But on returning the xt day I found out that he left for home about an hour later day.

Your obedient servant,

Chief Homestead Inspector.

ttle, Esq. ,
Inspector of Dominion Lands,

From all the information I was able to obtain and the declarations enclosed it appears that Mr. Verberg performed his residence duties in the following manner:

From Oct. 1912 to June 1913 he was living with his brother on the N.E 17-1-14-4th, and in that time broke 140 acres on his homestead.

In June 1913 he filed on his pre-emption and at that time established a machine and implement shop in Coutts. Stayed on his homestead three weeks in Nov. of that year, building a shack.

In 1914 up to April 15 slept there occasionally, then left for the country selling implements until the last of October, his brother looking after the crop. During Nov. Dec. he slept on his land about once in two weeks taking out provisions for his brother.

In 1915 went on the land about April 15th, to the last of May putting in his crop with his brother, then left for to tend to his shop the balance of that year.

Spent of four nights on homestead during Nov.& Dec.

slept few nights up to April 10th, staying on the land from that time until last of May, putting his crop in from May 30th to Oct. 1st, never went near the land, when he built the new shack in that month until the 20th, from that time until February 15th, 1917, he slept on the land but one night a week. On or about that date you had a part of Inquiry into this case and consequently he was ven six months more residence to put in on the land, th day 1st, but he did not go on it until August 1st 30th, then returning to Coutts. Since then until the ent date he has slept on the land on the average of t two nights a week.

a bedroom arrived in his shop at Coutts where he st of the time and makes that his home. At no time up to the present date did Mr. Verberg perform dence duties, staying only about three weeks at a spring and fall of each year while

Sir:

Re. Theodore Verberg
W. ½.15-1-14-W4th.

Referring to the above described land and
residence duties performed upon by Mr. Verberg, I beg
to state that in so far as the evidence obtainable show,
also the attitude taken in this case by his neighbours and
the entrant himself, the whole matter seems to be complicated
and very unsatisfactory as regards the manner in which they
were performed from the date of filing up to the present
time.

It appears that ever since the first in-
spection of that land was caused to be made by the Departme
a very hostile feeling has been created among those farmer
who made sworn statements in reference to Mr. Verberg's re
sidence upon the land, partly through the intimidations a
threats by the entrant and his two brothers. It now also
developed into a feud between those favoring the entrant
those opposing him.

In consequence of the above facts, th
are afraid to make any declarations, saying they would
commit themselves any more as they had already given th
four each in the last two years, however, I was able t
some information verbally from both sides, also thre
ations herewith enclosed from disinterested parties
known Mr. Verberg since he filed on the land.

Hd. & Pre.- Theodore Verburg.

The question to be decided in this case is what further settlement duties Mr. Verburg should be called upon to perform before the cancelation proceedings pending are abandoned.

The facts of this case are fully set out in Mr. Davidson's Memorandum hereunder, dated the 6th instant.

The main facts are that Mr. Cuttle, Chief Inspector of Dominion Lands Agencies, held an investigation and the decision he arrived at was that Mr. Verburg might be credited with the performance of his term of residence but before he was granted patent for the homestead he should be called upon to show that he had lived upon the land for a further period of six months.

Homestead Inspector Scott's investigation in 1917 showed that Mr. Verburg had not performed this further term of six months residence.

Mr. Verburg protested against Inspector Scott's reports and Homestead Inspector Woodlock was, therefore, called upon to look into the matter.

Inspector Woodlock looked into the matter, and his report was in favour of Mr. Verburg, but when forwarding this report the Agent stated that he was not satisfied with the terms thereof and that he was of the opinion that the matter had not been properly enquired into.

The matter was then placed in the hands of Chief Inspector Szabloski for investigation and his report hereunder, dated the 20th February, 1918, is to the effect that Mr. Verburg has only performed one term of residence which should count to his credit, i.e., residence from October, 1912, to June, 1913, with a brother in the vicinity.

Inspector Szabloski reports that since June, 1913, Mr. Verburg has only lived perhaps a week or two upon his homestead and in addition has probably slept there occasionally a night or two a week. In no year since 1913 can Mr. Verburg, according to Inspector Szabloski, be regarded as having fulfilled the residence requirements of the Dominion Lands Act.

I assume, however, that in view of Mr. Cuttle's recommendation, and the fact that the Minister and

J.W.Greenway, Esq.,
Commissioner of Dominion Lands,

and the Deputy Minister suggested in his discretion, that Mr. Verburg should be credited with the term of residence and should only be called upon to perform the further term of six months residence, that the Department will give its stamp of this decision, notwithstanding the adverse report of Inspector Szabiewski.

According to Inspector Szabiewski, Mr. Verburg is sick of the whole matter and refuses to give further evidence.

In view of all the circumstances of the case, I would suggest that Mr. Verburg be granted a final notice, say until the 1st of May next, within which to file definite evidence, corroborated by the disinterested witnesses, that he is in bona fide residence on his homestead with the intention of remaining there and completing a continuous term of six months residence.

If he did this, Mr. Verburg would then be in a position to apply for patent for his homestead, and to also apply for patent for his pre-emption under the amendments to the Act, provided he is in a position to pay in full for the latter.

Respectfully submitted,

[signature]

MEMORANDUM

Mr. Hume:

W. ½ of 15-1-14, W. 4th M.
Homestead and pre-emption of
Mr. Theodore Verburg. Entries
granted 30th November, 1912 and
25th June, 1913.

Cancellation proceedings are outstanding and the question now is what further action should be taken.

A Homestead Inspector's report was called for and on the 30th of October last instructions were issued from the Deputy Minister's office to have the case expedited and a statement furnished that office as soon as the report was received.

Cancellation proceedings on behalf of Mr. Jacob Wollersheim were first taken in April, 1916, and in view of the information contained in a Homestead Inspector's report the entries were cancelled. Mr. Verburg protested against the cancellation and Mr. Cuttle made an investigation under oath. Mr. Cuttle recommended that Mr. Verburg be re-instated and that he be credited with two terms of residence and instructed to return immediately to the land and put in a further term of six months residence. There appears to be no doubt that the cultivation duties for the homestead had been completed.

The Minister and the Deputy Minister concurred Mr. Cuttle's recommendation and on the 14th of March, 1917, Mr. Verburg was told his entries were restored to him and that he should proceed immediately to the land and put in another term of residence in connection with his homestead

It appears that the Agent understood that re-instatement meant the abandonment of the

original

original cancellation proceedings and he accepted a fresh application to cancel from the former applicant, Jacob Wollersheim, on the 15th of May last and instituted proceedings on the same day.

On the 20th of June last, Homestead Inspector Scott reported that Mr. Verburg had not then gone into residence but promised to do so immediately.

Inspector Scott again reported on the 30th of August setting out that Mr. Verburg had been in satisfactory residence since the 22nd of June, 1917.

In view of the trouble in this case it was considered advisable before abandoning the proceedings to have the Inspector visit the land again to see if Verburg was acting in good faith. Inspector Scott reported on the 6th of November that Mr. Verburg was not in residence and had performed no residence since the 30th of August, date of Inspector's last report, that could count to his credit. The Inspector remarked that since the 1st of September Mr. Verburg had been conducting an implement business at Coutts and going out to his homestead at nights, also that he had built a new $200.00 house on his homestead.

The Agent in forwarding this report set out that he had on several occasions advised Mr. Verburg personally that as he was a single man he could not perform residence duties by conducting an implement business at Coutts and sleeping on his homestead at nights.

Mr. Verburg wrote the Department on the 8th of November last at considerable length that his brother was managing the implement business at Coutts; that he had resided on his homestead all the time since the 1st of May; that he suffers from rheumatism and that he had been doing some of the lighter work on his own and his brother's homestead which he had also been looking after; that he had just having his brother's land plowed up and intended to immediately commence breaking on his own quarter; that he had built a well and moved a new house on his homestead and had fixed the house up with a view to living in it during the coming winter.

Mr. Verburg set out that he understood a petition, praying for the cancellation of his entries, was being circulated in the district. He claimed he was doing his duties and if the Department was not satisfied that this was the case he would like to have Mr. Cuttle go out again and report.

Mr. Verburg's statements in his letter do not agree at all with the information contained in Homestead Inspector Scott's report of the 6th of November last.

On the 1st of December the Deputy Minister

give instructions that in view of the fact that the statements in Mr. Verburg's letter do not corroborate the information furnished by Homestead Inspector Scott, to have another Inspector who had not already dealt with the case make a full report as to the manner in which Mr. Verburg was performing his duties and upon receipt of the report in question have the matter referred to his office.

On the 3rd of January, the Agent at Lethbridge forwarded here a report from Homestead Inspector Woodlock together with declarations from Messrs. A.J. & M.C.Verburg. The Inspector credited the entrant with residence, cultivation and other improvements as shown on Form 58 hereunder. The residence shown in pencil is that with his brother on the S. W. ¼ 18-1-14, W. 4th M., and the residence shown in red ink is that claimed on the homestead.

General remarks:-

"Entrant should not be given credit
"for residence from June 6/16 to Sept. 10/16,
"he is a single man and was doing business in
"the town of Coutts driving out at night to
"his homestead. Please find attached his two
"brother's statements. I would recommend that
"cancellation proceedings be abandoned.

The statutory declarations referred to read as follows:-

M. C. Verburg's declaration:-

"I was in residence all the time
"my brother, entrant for above land, was
"putting in his residence with me for his
"land, as a matter of fact I have been in
"continuous residence since Oct. 1916 to
"date."

Albert J. Verberg's declaration:-

"I and my brother, Theodore Verberg,
"have been in the implement business as partners
"from spring 1914 to May 1, 1917. Theodore
"Verburg acting as manager. May 1, 1917 I
"took over the management to allow him to put
"in his residence on his homestead. He still
"owns his share in the business but has been
"putting in residence on his homestead from
"May 1 to date, Dec. 29, 1917."

The Agent in his covering letter stated when Mr. Woodlock arrived from Calgary to make this report he handed him the file in connection with the case and went fully into the matter with him explaining that he should obtain if possible statutory declarations from disinterested neighbours in the vicinity of the land as to the manner in which the residence duties had been performed by Mr. Verburg; the report enclosed does not indicate that he had done this and that Homestead Inspector was not asked to make a recommendation in this case, and in his opinion the report does not contain the information asked for and that he could not recommend

that

that the cancellation proceedings be abandoned, and suggested that Mr. F. Szablewski, Chief Homestead Inspector who was then working in that District as a Seed Grain Collector, be asked to obtain a full report in the case.

Instructions from the Deputy Minister's office dated the 22nd of January last are as follows:-

"Kindly have Mr. Szablewski, Chief "Homestead Inspector, instructed to make a "careful and comprehensive report with regard "to the Homestead and pre-emption entries of "Mr. Theodore Verburg for the W. ½ of 15-1-"14, W. 4th Meridian.

"When this report is received kindly "submit with your recommendation."

Mr. Cuttle now forwards a report from Mr. Szablewski together with three declarations from disinterested parties who have known Mr. Verburg since he filed on land.

Mr. Szablewski states in so far as the evidence obtainable shows, also the attitude taken in this case by his neighbours and the entrant himself, the whole matter seems to be complicated and very unsatisfactory as regards the manner in which the residence duties were performed from the date of filing up to the present time, that it appears that ever since the first inspection of the land was caused to be made by the Department, a very hostile feeling has been created among those farmers who made sworn statements in reference to Mr. Verburg's residence upon the land, partly through the intimidations and threats by the entrant and his two brothers. It now almost developed into a feud between those favouring the entrant and those opposing him, and in consequence of the above facts they were afraid to make any declarations, saying they would not commit themselves any more as they had already given three or four each in the last two years.

According to the information furnished in the statutory declarations referred to, it would appear that the only residence duties performed by the entrant was by sleeping there at nights: that he had an implement shop in Coutts which he established in 1913 and had been running it while putting up some nights at the homestead, but he went to his place at nights during the seeding and harvesting periods of each year, but outside of that he stays at Coutts and sleeps in his shop.

Mr. Szablewski in summing up the case states that Mr. Verburg performed his residence duties as follows:-

From Oct. 1912 to June, 1913 he was living with his brother on the N.E. 17-1-14, W. 4th.

In June, 1913, he filed on his pre-emption and at that time established a machine and implement

shop in Coutts. Stayed on his homestead three weeks in November of that year, building a shack.

In 1914 to April 15 slept there occasionally then left for the country selling implements until the last of October. During November and December he slept on his land about once in two weeks taking out provisions for his brother.

In 1915 went on the land about April 15th to the last of May putting in his crop with his brother then left for Coutts to tend to his shop the balance of that year. Slept three or four nights on homestead during November and December.

In 1916, slept few nights up to April 10th, staying on the land from that time until last of May putting his crop in from May 30th to Oct. 1st, never went near the land, when he built the new shack in that month until the 20th, from that time until February 15th, 1917, he slept on the land about one night a week. On or about that date a Court of Enquiry was held and consequently Mr. Verburg was given six months more residence to put in on the land, starting May 1st, but he did not go on until August 1st to 20th then returning to Coutts. Since then until the present date he has slept on the land on the average of about two nights a week; that he has a bedroom arranged in his shop at Coutts where he sleeps most of the time and makes that his home. At no time since 1913 up to the present date did Mr. Verburg perform actual residence duties, staying only about three weeks at a time in the spring and fall of each year while the balance was put in by sleeping there so seldom and irregular that it is impossible to establish anything definite.

Mr. Szablewski stated that when he arrived at Coutts he met Mr. Verberg there and asked him for a statement, but he refused to do so, saying that he had already made five or six of them which the Department had on file. He said he could not occupy any time with him because he was leaving on the train for Calgary that afternoon and finally that he was getting sick of the whole affair. Mr. Szablewski stated he offered to pay the entrant's brother to drive him out to the land but he refused saying his team was played out, but on returning the next day he found that the brother left for home about an hour later that day.

Mr. Cuttle in his report dated the 26th of February, 1917, marked, stated that by the evidence submitted he was satisfied that Mr. Verburg did perform residence duties on his land for two terms and one term with his brother, and he recommended that the entrant should be re-instated in his entry and allowed two terms of residence and instructed to return immediately and put in one term of six months residence for the reason that the neighbours were unable to furnish him with the necessary information as to the exact dates of residence.

According to the information furnished by Homestead Inspector Woodlock in his report of

the

the 26th of December last it would appear that the entrant completed the requisite settlement duties in connection with his homestead, whereas according to the report furnished by Mr. Szablewski it would appear that the only residence that could be counted to the entrant's credit would be one term he resided with his brother from October, 1912 to June, 1913.

In view of these conflicting statements, please say what action you desire taken in this case.

Sir,

With reference to the cancellation pro-
outstanding against your homestead and
pre-emption entries for the W. ½ of Section 15,
Township 1, Range 11, West of the 4th Meridian, I
beg to inform you that your case has been under
consideration and it has been decided to allow you
a final notice until the 1st of May next within
which to furnish the Agent of Dominion Lands at
Lethbridge with definite evidence, corroborated
by two disinterested witnesses, that you are in
bona fide residence on your homestead with the in-
tention of remaining there and completing a con-
tinuous term of six months residence. Should you
fail to furnish the evidence within the time re-
quired, the aforesaid official will cancel your
entries and dispose of the land in accordance with
the regulations.

Dear Mr. Mackenzie,-

W.) 15 - 1 - 14 -V. 4th M.
Hd. & Pre.-Theodore Verburg.

Your letter of the 25rd ultimo duly received, and I have noted that you do not approve of the extension of time granted Mr. Verburg until the 1st proximo within which to go into residence upon his land.

In this connection I may say that in February, 1917, Mr. Cuttle, our Chief Inspector of Dominion Lands Agencies, held an investigation, under oath, with a view to ascertaining the actual settlement duties performed by Mr. Verburg, and in a report dated the 26th February, 1917, Mr. Cuttle set out that he was satisfied, in view of the evidence obtained, that Mr. Verburg was entitled to be given credit for the performance of the requisite residence duties in each of two years and that he should be considered as having completed the residence duties in connection with his homestead on performing a further term of six months residence.

Mr. Verburg was notified in accordance with the foregoing, but up to date has not furnished evidence that the further term of residence called for has been performed.

Last month, Mr. Szublowski, Chief Homestead Inspector, obtained certain evidence which indicated that Mr. Verburg was not fulfilling the requirements with respect to residence, and on the matter being

C. Mackenzie, Esq., B.A., L.L.B.,
Lethbridge,
Alberta.

being brought up for consideration here, it was considered advisable to give Mr. Verburg a further period of thirty days within which to get into residence before cancelling his entry. This being in accordance with the usual practice of the Department when dealing with similar cases.

As the matter now stands, it will be impossible to recall the extension of time granted, but in the event of Mr. Verburg fyling evidence that he is in residence, you may rest assured that cancellation proceedings will not be abandoned until a Homestead Inspector has again visited the land and verified the entrant's statements.

Yours sincerely.

I am to inform you that it is understood from information obtained that you have resumed residence on your homestead and pre-emption above described on the 25th of April last with the intention of remaining and have 100 acres in crop.

If by the 15th of July next you will furnish the Dominion Lands Agent at Lethbridge with a sworn statement of what you have done this season in the way of residence it will be decided whether the Department might then be justified in abandoning the cancellation proceedings pending.

Memorandum:-

Mr. S. G. Brayshaw.

It has been represented to this office that Mr. Verbura is still carrying on the implement business at Outlook and that he only spends an odd night on the homestead; also that this year he has simply disced in some wheat on the stubble.

In view of this, kindly have Mr. Verbura instructed without delay that if he fails to furnish the agent with satisfactory proof by the 15th July next, that he is in actual residence on his homestead with the intention of remaining thereon and complying with the requirements in a manner satisfactory to the Department his entry will be summarily cancelled.

It might be pointed out to Mr. Verbura that, as he is not a married man, he cannot absent himself from the homestead during the day time for the purpose of carrying on another occupation than that of farming.

Sir,-

Referring to the cancellation proceedings outstanding against your homestead and pre-emption entries the West half of Section 15, Township 1, Range 14, West of the 4th Meridian, I am to say it has been represented to the Department that you are still carrying on the implement business at Coutts and that you only spend an odd night on your homestead, also that this year you have simply disced in some wheat on the stubble.

In view of this it has been decided that if you fail to furnish the Agent of Dominion Lands at Lethbridge with satisfactory proof by the 15th July this year that you are in actual residence on your homestead with the intention of remaining thereon and complying with the requirements in a manner satisfactory to the Department the Agent will cancel your entry summarily. A copy of this letter is being sent to the Agent with instructions to act promptly in carrying out cancellation if he fails to receive the proof referred to by the date mentioned.

I am also to point out that as you are not a married man the homestead regulations will not permit of your absenting yourself from the homestead during the day time for the purpose of carrying on any other occupation than that of farming.

I beg to acknowledge receipt of your letter of the 17th instant, having reference to the cancellation proceedings pending against your entries for the above described land, and in reply to say that your communication is being forwarded to the Department at Ottawa for consideration and no doubt you will be further advised in connection therewith at an early date.

Theodore Verburg, Esq.,

In view of this complaint a further report was called for, and on the 31st July, 1918, Homestead Inspector Scott reported that Mr. Verburg was not then in residence but that he had lived on the land from the 25th April, 1918, to the 15th June, 1918, and that since then no bona fide residence had been performed. Quotation from report:-

"On 31 July I visited the [illegible] 15-1-14 W.4 M., the Homestead & Pre-emption of Theo. Verburg and found he was not in residence. From inquiries made he has not been doing bona fide residence since the middle of June to 1 July he was most of his time at Coutts and since July 1st he has been at Coutts all the time. The Imperial Oil Co. is erecting a large oil station at Coutts and Theodore Verburg and his brother have taken a contract to drill a well and board the men employed at construction work this work, and was working there when I visited him on 31 July."

On the 31st August, 1918, Mr. Verburg represented that he had enlisted with the Royal North West Mounted Police, Siberian Draft for Overseas service.

On the 23rd September, 1918, Mr. Verburg notified the Department that he had been unable to pass the medical examination and that before he could be accepted he would have to undergo a surgical operation.

On the 10th October, 1918, Mr. Verburg forwarded a medical certificate showing that he was then in hospital recovering from an operation.

On the 8th November Mr. Verburg was advised that it had been decided to allow him thirty days from that date within which to file evidence that he had been accepted for service with the Royal North West Mounted Police or that he was in actual occupation of his homestead. Mr. Verburg was warned that if he failed to fulfil this requirement his entry would be cancelled without further notice.

On the 15th November, 1918, Mr. Verburg notified the Department that within thirty days he would furnish definite information on the point at issue.

On the 11th December, 1918, the Agent at Lethbridge notified the Department that Mr. Verburg had failed to file the required evidence, and as the Department likewise had received no word from Mr. Verburg in regard to this matter, it was decided to carry out cancellation by default and Mr. Verburg was notified of this action on the 9th instant.

Under the circumstances it would seem that no grounds have been shown for restoring the entries in question.

Cancellation proceedings have been pending against Mr. Verburg's entries for some considerable time past, but owing to representations made by him, no final action has been taken up to the present time.

The facts of this case are set out in my memorandum dated the 16th ultimo, in which I suggested that Mr. Verburg might be entitled to some further consideration owing to the fact that he was at that time physically incapable of going into residence and had also promised to enlist when he recovered.

If you will turn to this memorandum you will note the following endorsements:-

"I think he must be given 30 days to show either enlistment or occupation of land."

"I concur."

J.A. Cote.

"Appl. am very suspicious of his case. Is number one. Watch the fulfillment of present concession carefully and strictly."

A letter dated the 16th instant has now been received from Mr. Verburg, which I quote hereunder:-

"Your letter of the 9th inst at hand in reply will state that I have just come from Lethbridge where I went to sign up and I am informed that the battalion with which I was going left on the 7th inst and that they had no instructions to take on any more at the present time but that they would inform me when they were enlisting for the next draft which they thought would be in about 2 months.

I now have all the necessary papers to enlist. I went up to Lethbridge about 3 weeks ago and passed in class A II a copy of which I am sending you. Then after passing the medical examination I had to obtain consent of the military register at

J. B. Harkin, Esq.,
Commissioner of Dominion Lands,
Ottawa.

Calgary

[illegible] while I was waiting for his consent I was taken down with the [illegible] influenza and now when I am about well again I am informed of the draft this time.

I will again let you know in 30 days if I can join and if I cannot I will comply with your letters. I am enclosing a copy of medical Standing and also a copy of Registars Permit so that you shall see that I have been trying to enlist as according to my letter to you of the 19th of October."

In view of the armistice it is unlikely that any part or men will be sent overseas to the Western front, but I am not sure whether this would be the case so far as the Siberian Expeditionary Force is concerned.

However, it now remains to be decided whether Mr. Verbura should be granted a further extension of time within which to go into residence or failing this, whether he should be called upon to file evidence of actual enlistment.

I would also draw your attention to the fact that if this case is prolonged beyond the 15th December next, Mr. Verbura will automatically become entitled, under the ordinary winter protection, to leave of absence until the 1st April, 1919.

Respectfully submitted,

Re: E ½ of 15 - 1 - 14 - W.4th M.

I beg to acknowledge the receipt of your letter dated the 10th ultimo, together with medical certificate forwarded therewith, in connection with the surgical operation that you had undergone in order to qualify for enlistment in the Royal North west Mounted Police, and in reply to say that after giving the circumstances of your case full consideration it has been decided to allow you thirty days from this date within which to file evidence that you have been accepted for service with the Royal North west Mounted Police or that you are in actual occupation of your homestead.

I am to warn you that should you fail to fulfil this requirement your homestead and pre-emption entries for the land above described will be cancelled without further notice on the proceedings now outstanding.

The question to be decided is whether or not Mr. Verburg should be granted a further extension of time within which to go into residence upon his land.

Cancellation proceedings are outstanding.

Mr. Verburg has been granted protection from time to time but up to the present, from one cause or another, has failed to comply with the conditions laid down.

The main facts are that cancellation proceedings were instituted in April, 1916, and in view of the information contained in the Homestead Inspector's report, the entries were later on cancelled. Mr. Verburg protested and Mr. Cuttle held an investigation under oath.

The upshot of Mr. Cuttle's investigation was that on the 14th March, 1917, Mr. Verburg was informed that his entries would be restored, that he would be credited with having performed two terms of residence and that it would be necessary for him to perform a further term of six months residence before the duties in connection with his homestead could be considered completed.

Subsequently, Homestead Inspectors Scott, Woodlock and Chief Inspector Szablewski looked into this case and all reported that Mr. Verburg had not completed his duties.

The case was submitted for your consideration on the 12th March, 1918, and the Deputy Minister concurred in your suggestion that Mr. Verburg should be granted a final notice to the 1st May, 1918, within which to file definite evidence, corroborated by two disinterested witnesses that he was in bona fide residence on his homestead with the intention of remaining there and completing a continuous term of six months residence. Mr. Verburg was advised accordingly on the 26th March, 1918.

On the 25th April, 1918, Mr. Verburg executed the following declaration:-

"I am now bona fide residence on the above described land and cultivating same and that it is my intention to comply with your letter to me of March 26th, 1918."

J. W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

On

On the 10th May, 1918, Homestead Inspector Scott reported that Mr. Verburg was then in residence and that he had been residing on his land since the 25th of the previous month.

On the 5th June, 1918, the Deputy Minister gave instructions that Mr. Verburg was to be notified that if he failed to furnish the Agent with proof by the 15th July that he was in actual residence, his entry was to be summarily cancelled, as it had been represented to the Deputy Minister that the entrant was still carrying on his implement business at Coutts and that he only spent an odd night on the homestead. It had also been represented that Mr. Verburg had simply disced in some wheat on stubble land instead of seeding the land properly.

In a letter dated the 17th July, Mr. Verburg represented that he had been in continuous residence on his homestead but that owing to failure of crop it was absolutely necessary for him to go out and earn some money. On this account he asked for three months leave of absence.

According to a report received from Homestead Inspector Scott, dated the 31st July, Mr. Verburg's statements were not in accordance with the facts. This report reads as follows:-

> "Not in residence.
> "In residence from 25th April, 1918, to 15 June
> "1918, since then not doing bona fide residence.
> "On 31 July I visited the W.½ 18-1-14-W.4 M. the
> "homestead & pre-emption of Theo. Verburg and
> "found he was not in residence. From inquiries
> "made he has not been doing bona fide residence
> "since the middle of June. From about the middle of
> "June to 1 July he was most of his time at Coutts
> "and since July 1st he has been at Coutts all the
> "time. The Imperial Oil Co. is erecting a large
> "Oil station at Coutts and Theodore Verburg and
> "his brother have taken a contract to drill a
> "well and board the men employed at construction
> "work and he has been residing at Coutts during
> "July doing this work, and was working there when
> "I visited him on 31 July."

In a memorandum dated the 31st ultimo, the Acting Deputy Minister stated that the Minister had decided that if Mr. Verburg did not furnish satisfactory evidence that he was in actual residence on the homestead as required, the latter's entry was to be cancelled forthwith.

In a letter dated the 31st August, Mr. Verburg sets out that he enlisted with the R.N.W.M.P., at Lethbridge for service in Siberia.

On

On the 1st instant the Acting Deputy Minister gave instructions that the facts as to Mr. Verburg's alleged enlistment were to be obtained.

In a letter dated the 23rd September, Mr. Verburg stated that he had not been accepted for enlistment owing to physical trouble, but that he had been advised that if he would undergo an operation he might then be in a fit condition for military service.

Mr. Verburg was asked to furnish satisfactory evidence that he had been accepted for military service or that he was undergoing an operation with a view to enlisting for military service.

A letter received from Mr. Verburg dated the 10th instant, reads as follows:-

"Your letter of the 3rd inst. to hand. Will say that I am enclosing the doctor's certification of my operation. I am still in hospital and doing well. The doctor says it will be a few days yet before I can get out, but just as soon as I can I will go again before the medical board for re-examination with a view of enlisting."

A medical certificate furnished by Dr. Merritt of the Surgeon Craig Hospital, Sweet Grass, Montana, dated the 10th instant, reads as follows:-

"This is to certify that Mr. Theodore Verburg is in the Craig Hospital at this place under my care, recovering from a medical operation for Hernia."
radical

No proof has been furnished that Mr. Verburg has enlisted, nor is it a certainty that even if the operation is successful, he will be accepted, but I assume that in view of the fact that he is now physically incapable of going into residence, he is entitled to some further consideration. This view of the situation being accepted, the question to be decided is for what length of time should Mr. Verburg's entry be protected.

"In reply to your letter of 26th April, 1918,

-I visited-

"I visited the W.½ 15-1-14-W. 4th M. on 10th May and find that Mr. Verburg has been residing on his homestead from 25th April to present time and working at agricultural work. I interviewed Mr. J. Jefferson of N.W.¼ 14-1-14 and other neighbours who corroborated the above statements."

On the 23rd May Mr. Verburg was advised that he would be allowed until the 15th July to furnish the Agent with a sworn statement setting forth what had been done this season in the way of residence on the land.

In the memorandum from the Deputy Minister of the 8th June it is stated that it has been represented that Mr. Verburg is still carrying on the implement business at Coutts and that he only spends an odd night on the homestead and that this year he has simply disced in some wheat on the stubble.

On the 11th June Mr. Verburg was informed by instructions from the Deputy that if he failed to furnish the Agent with satisfactory proof by the 15th July that he was in actual residence on his homestead with the intention of remaining thereon and complying with the requirements, the Department would cancel the entry summarily.

In the Agent's letter of the 25th June he submits one from the entrant in which he claims that he was in residence and had 100 acres in crop, a habitable house and considerable fencing. The Agent was requested to detail a Homestead Inspector to visit the land at an early date and furnish a very careful report as to residence, breaking, seeding and other improvements.

In his letter of the 17th July Mr. Verburg makes application for an extension of time within which to resume residence and he was advised on the 6th instant that his request could not be considered until the report of the Homestead Inspector was received.

In his report of the 31st July last Mr. Homestead Inspector Scott states as follows:-

Residence:-

"Not in residence.
From 25th April 1918 to 15th June 1918, since then not doing bona fide residence.

Improvements:-

Lumber house 14X18, value $250.00.
Lumber stable 14X16, value 50.00.
2½ miles fence..... 200.00.

Cultivation:-

1918, broke none, cropped 100 acres.

General Remarks:-

"On 31st July I visited the W.½ 15-1-14-W. 4th the homestead and pre-emption of Theo Verburg and found he was not in residence. From inquiries

- made -

made he has not been doing bona fide residence since the middle of June. From about the middle of June to 1st July he was most of his time at Coutts and since July 1st he has been at Coutts all the time. The Imperial Oil Co. is erecting a large oil station at Coutts and Theodore Verburg and his brother have taken a contract to drill a well and board the men employed at construction work and he has been residing at Coutts during July doing this work and was working there when I visited him on 31st July."

In his letter of the 15th instant Mr. Verburg states that it is his intention to plow the 100 acres that he had in cultivation and have it ready for Spring crop and he requests that he be given further consideration.

Dear Sir:- In view of the fact that thru drought here this year and that the crops are going to be an absolute failure I am taking the liberty to ask you if I can not go out and earn something whereby I will be able to sustain the winter .

I have been living on my homestead continously this summer but there is absolutely no use of trying to stay there and make some- for the winter as there will not even be feed on any that we put in this spring and it is so dry that it is impossible to plow any land so that it can be ready for next spring's crop ..

If I could get a leave I would like to get a 3 months leave and in that time I could earn something to start out with next spring .

I am perfectly willing to go back again at the end of three months and complete my duties satisfactory to the department .

Trusting that you will give this matter your attention and that you will see fit to grant my request ,

I am yours very truly,

L. F. Thurlow Dabney.

21st January, 1919.

Letter submitted in reply of Mr. Martin's wire received today.

Sir,

West ½ of 15 - 1 - 14 - W.4th M.
Cancelled homestead and pre-emption entries of Theodore Verburg.

I beg to acknowledge the receipt of your telegram dated the 20th instant, reading as follows:-

"Re west half fifteen one fourteen west fourth see Head Office letter fourteenth March nineteen seventeen crediting homesteader with two six months periods. Verburg claims over twelve months practically continuous residence since then. Can case be reopened with view to establishing facts before recently granted. Please wire reply."

In this connection I may say that the evidence on file does not confirm Mr. Verburg's statement that he has put in practically twelve months continuous residence since March 1917. As a matter of fact the evidence is to a direct contrary effect.

The Departmental letter referred to, dated the 14th March, 1917, was based on the result of an investigation conducted by Mr. H. G. Cuttle, and if Mr. Verburg had faithfully fulfilled the requirements he would have been in good standing at least so far as his homestead is concerned.

Hereunder I will briefly refer to certain Homestead Inspectors' reports and other documents on file.

In a report dated the 20th June, 1917, Homestead Inspector Hugh Scott set out that Mr. Verburg was not then in residence and that the latter had not resumed residence in accordance with his instructions. Quotation from report:-

"On 20th June I visited and inspected the W.½ 15-1-14-W.4 the homestead & pre-emption of Mr. Verburg and after interviewing Mr. Gallagher, Mr. Blackmore and other nearest neighbours, I find that Mr. Verburg has not went into residence as he was ordered to do, any residence done by him was done by him sleeping on the place at night while he and his brother conducts an implement business at Coutts during the day.

"I went to Coutts and interviewed Mr. Verburg there as to what his intentions were in regards to complying with the regulations. He promised to go into residence at once."

J. W. Martin, Esq.,
Inspector of Dominion Land Agencies,
Calgary,
Alberta.

On the 30th August, 1917, Homestead Inspector Scott reported that Mr. Verburg was then in residence and that the latter had lived there from the 22nd June, 1917, to date of report.

The same Inspector in a further report, dated the 6th November, 1917, set out that Mr. Verburg had performed no residence since the 30th August, 1917, that could count to his credit, as he had been conducting an implement business at Coutts meantime.

It would appear from the Inspector's reports that Mr. Verburg sometimes went out to his homestead at night and slept there, but as he was an unmarried man, residence performed in this manner would not count to his credit.

As the statements in Inspector Scott's reports did not agree with certain claims made by Mr. Verburg, it was decided to place the matter in the hands of another Inspector for investigation.

Homestead Inspector Woodlock took the case in hand and in a report dated the 28th December, 1917, gave Mr. Verburg credit for considerable residence, but the Agent of Dominion Lands at Lethbridge, when forwarding the said report, took strong exception to some of the statements made by the Inspector, and recommended that the matter should be placed in the hands of Chief Homestead Inspector Szablewski for inquiry. This recommendation was adopted.

In a report dated the 19th February, 1918, Chief Homestead Inspector Szablewski set out that at no time since 1913 up to date of investigation did Mr. Verburg perform any actual residence duties, staying on the land only about three weeks at a time in the spring and fall of each year, while the balance was put in by sleeping there so seldom and so irregularly that it was impossible to establish anything definite in the way of residence. As above set out, merely sleeping on the homestead at night could not be counted to Mr. Verburg's credit, as this privilege is only allowed in the case of a married man whose wife and family are in actual residence on the homestead.

In view of all the circumstances of the case it was decided to grant Mr. Verburg a final notice terminating the 1st May, 1918.

Homestead Inspector Scott reported on the 10th May, 1918, that Mr. Verburg was then in residence and that he had been residing on the homestead since the 25th April, previous. A little later on it was represented to the Department that Mr. Verburg was still carrying on his implement business at Coutts and that he only spent an odd night or so on the homestead.

Notice is hereby given that after the expiration of [illegible] days from the date hereof, that is, on and after the [illegible] 191 9 the [illegible] of Section 16

Township 2 Range 14 West of [illegible] Meridian, will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:—

On the day last above mentioned the privilege of entry, either as an ordinary homestead or as a soldier grant, is restricted to a "settler," as defined by the Soldier Settlement Act, engaged to make entry who holds an adjoining quarter-section under homestead or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full at the foot of this notice.

On the succeeding day and thereafter (unless entered for or reserved for an adjoining settler) the land will be available for entry—

(*a*) as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty or of His Majesty's Allies (either in person or by proxy);

(*b*) by a "Settler" as defined by the Soldier Settlement Act as an ordinary homestead, provided such settler is eligible to make homestead entry;

(*c*) by a "Settler" as defined by the Soldier Settlement Act as a soldier grant.

Paragraph (*c*) of Section 2 of the Soldier Settlement Act, 1917, defines "settler" as follows:—

"Settler" means any person who has served in the naval or military [illegible] Forces of Canada during the present War, or who was engaged in active service during the present War in the naval or military Forces of the United Kingdom or of any of His Majesty's self-governing British Dominions or Colonies, or who, being a British subject resident in Canada before the War has been engaged in active service in one of the above-mentioned naval or military forces of His Majesty or His Majesty's Allies in the present War, and who has left the forces with an honourable record, or who has been honourably discharged, and the widow of any such person who died on active service.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in occupation, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10. According to evidence on file in this office there are improvements upon the land stated to be worth $

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent *the full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INFERIORITY CHARGED AGAINST THE LAND.

The following inferiority is charged against this land $ 4 . If the amount collected for improvements is not sufficient to make up this inferiority, the applicant for entry is required to pay the full amount in as to make up the full amount of inferiority.

I know that a man by the name of Henry Larsen stayed with him all winter. Mr. Verburg might have been on his place continuously so I am not in a position to know definitely. I also bought repairs on several different occasions during the last two years but have always bought them from a Mr Verburg and as I understand that he was the manager of Verburg Bros at Coutts.

Verbery in his letter of November 8th informed you that he [illegible] resided on the land continually since the First of May. [illegible] March 16th 1920 you again wrote Verbery giving him until May 1st to furnish evidence of disinterested persons. [illegible] he was in both files [illegible] instead. [illegible] On the 11th of June you wrote Verbery that you had been advised he was in the Government employment and you gave him until the 4th of July 1920 to submit satisfactory proof of his compliance with the homestead regulations. On June 17th he wrote the Letbridge office a four page letter setting forth fully all the circumstances. This communication was forwarded from Lethbridge to your Department on June 24th 1920. On July 8th your Department informed Verbery that in the strength of the representations made by him, cancellation proceedings would be held over until an Inspector's Report was received and that he would be advised in regard to this Report.

[illegible] last 1917 to July 1st 1920. Verbery wrote the Department asking for the privilege of [illegible] on account of the failure of crops on his own land in 1919. On account 6th you advised him that you would not grant leave of absence until a Report was received from the homestead Inspector. On January 14th Verbery wrote to your Department a five page letter fully setting forth his circumstances. About this time Verbery was endeavoring to enlist for war service and by having an operation performed he was invited that he would be placed in a class as to be exempt from service with the Siberian Forces. On October 11th 1920 he wrote you a letter with a Doctor's certificate stating that he was in the [illegible] hospital at Swift Current undergoing an operation. The operation was successful but Verbery was unable to [illegible] to [illegible] overseas on account of not being [illegible] still being weak from the operation. little Canadian citizen. In addition to this he is a man ... is not able to ... work and it will be a great loss to him if he is deprived of the homestead and pre-emption. We have investigated this matter quite fully and we find that the trouble has really been caused by a former rival in the same business at Verbery and also by one Abel Wallersheim etc. We are procuring the Affidavits in regard to the manner in which Wallersheim has been acting in order to get this homestead and pre-emption.

The very day in May 1917 when the trouble first arose, Wallersheim went to the premises of Verbery about daylight to see if Verbery was home. He came to Letellier and reported that Verbery was not residing on the pre-emption. On this particular day Verbery was at his premises and we are procuring an Affidavit from a man who talked with Wallersheim the morning he was at Verbery's premises. We are procuring an Affidavit to this effect by [illegible], formerly in the Immigration Office at Winnipeg, who heard Wallersheim state that Verbery was not living on his land. This party wishing to procure a homestead for himself, has been elsewhere trying [illegible] but all of the land offices have had at [illegible].

Wallersheim is a German and is said by Verbery should have enlisted in the Canadian forces a long time ago. When they refused to enlist their father did everything in his power to have them enlisted and they went no further than Quebec. Verbery then thought he was entitled for Military Service, on his last to enlist.

Verbery is perfectly willing to remit to [illegible] if the Department, if the Department will simply [illegible] in the matter, but we think a Government investigation will be best to the Department.

For the benefit of the Department we have [illegible] Declarations made by near neighbours of Verbery and enclose you Declaration of Charles [illegible], Mitchell [illegible], Joseph Collins, Alex Jones, Mr. Griffith, Henry Steer and [illegible]. [illegible] all report the [illegible] in the vicinity and you will note that they say, in regard to this man's [illegible] in the land.

We feel very sure that the Department [illegible] wish to [illegible] to his own and we shall [illegible] fully [illegible] if not for the [illegible] of the [illegible] have caused him all the trouble.

-3-

On 31 July I visited the S.½ 15-1-14-4 W., the homestead & pre-emption of Theo. Verburg and found he was not in residence. From inquiries made he does not been doing bona fide residence since the middle of June. From about the middle of June to 1 July he was most of his time at Coutts all the time. The Imperial Oil Co. has been at Coutts and since July 1st he is erecting a large oil station at Coutts and Theodore Verburg and his brother have taken a contract to drill a well and board the men employed at construction work and he has been residing at Coutts during July doing this work, and was working there when I visited him on 31 July."

On the 31st August, 1918, Mr. Verburg represented that he had enlisted with the Royal North West Mounted Police, Siberian Draft for Overseas service.

On the 23rd September, 1918, Mr. Verburg notified Department that he had been unable to pass the medical examination and that before he could be accepted he would have to undergo a surgical operation.

On the 10th October, 1918, Mr. Verburg forwarded a medical certificate showing that he was then in hospital suffering from an operation.

On the 8th November Mr. Verburg was advised that it had been decided to allow him thirty days from that date in which to file evidence that he had been accepted for service in the Royal North West Mounted Police or that he was in occupation of his homestead. If Mr. Verburg was unable to fulfil this requirement his entry would be cancelled without further notice.

On the 15th November, 1918, Mr. Verburg notified the Department that within thirty days he would furnish definite evidence on the point at issue.

On the 11th December, 1918, the Agent of Dominion Lands at Lethbridge notified the Department that Mr. Verburg had failed to file the required evidence, and as the Department had received no word from Mr. Verburg in regard to it was decided to carry out cancellation by Mr. Verburg was notified of this action on the

It is noted that the majority of the declarations emphasize the fact that Mr. Verburg was living in a drop and while taking the drop ... do not confirm Mr. Verburg's statement, that he was in continuous ... from the 1st May, 1917, to July, 1918.

go into residence at once.

On the 30th August, 1917, the same Inspector reported that Mr. Verburg was then in residence and that he had lived there from the 22nd June previous.

A further report received from the same Inspector, dated the 6th November, 1917, set out that Mr. Verburg was not then in residence and had performed no residence since the 30th August, 1917, that could count to his credit, as he had been conducting an implement business at Coutts and only going out to his homestead at night.

This method of performing residence duties could not count to Mr. Verburg's credit as he was an unmarried man. The regulations provide that a man may sleep on his homestead at night while working elsewhere during the daytime, only provided that he is a married man and that his wife and family resided continuously on the homestead.

As the statements in the foregoing reports did not agree with certain claims made by Mr. Verburg, the matter was placed in the hands of the Chief Homestead Inspector. This official, in a report dated the 19th February, 1918, set out that at no time since 1913 up to date of the investigation, had Mr. Verburg performed any actual residence duties, as he stayed on the land only about three weeks at a time in the spring and fall of each year, while the balance of the residence claimed was put in by sleeping on the homestead so seldom and so irregularly that it was impossible to establish anything definite in the way of residence.

As above set out, merely sleeping on the homestead at night could not be counted as this privilege is only allowed in the case of a married man whose wife and family are in actual residence on the homestead.

In view of the Inspector's report, Mr. Verburg was granted a final notice terminating on the 1st May,

A Homestead Inspector reported on the 10th 1918, that Mr. Verburg was then in residence and had been living on the land from the 25th April pre

A little later it was represented to the ment that Mr. Verburg was still carrying on his im business at Coutts, and that he only spent an odd or so on the homestead.

In view of this complaint, a further called for from a Homestead Inspector, and on July, 1918, a report was received that Mr. V then in residence, but that he had lived on t the 25th April, 1918, to the 15th June, 1918, that time no bona fide residence had been pe quote a portion of the report referred to:-

Gentlemen,

West ½ of 15-1-14-w.4th M.
Cancelled homestead & pre-emption
entries of Theodore Verburg.

I beg to acknowledgethe receipt of your letter dated the 5th instant, together with certain declarations, and have noted that you state that in your opinion the Department was not justified in cancelling Mr. Verburg's entries for the above described land.

I also note that on the second page of your letter you make the statement that Mr. Verburg performed continuous residence on his land from the 1st May, 1917, to July, 1918. In this connection I may say that evidence on file in this Department does not agree with your statement in this particular, as officials of the Department who visited the land between the dates mentioned, did not find Mr. Verburg in residence.

I may further inform you that in view of the evidence obtained at an investigation conducted by Mr. H. G. Cuttle, Chief Inspector of Dominion Land Agencies, Mr. Verburg was notified on the 14th March, 1917, that it had been decided to restore his entries for the half-section in question, which had been previously cancelled, and that he would be required to proceed immediately to the land for the purpose of performing another full term of residence strictly in accordance with the regulations.

In view of a fresh complaint lodged with the Department, cancellation proceedings were again instituted against Mr. Verburg's entries on the 15th May, 1917. In a report dated the 20th June, 1917, a Homestead Inspector reported that Mr. Verburg had not resumed residence as required. The Inspector reported that afterinterviewing Mr. Gallagher, Mr. Blackmore and other near neighbours, he (the Inspector) ascertained that any residence performed by Mr. Verburg was done by sleeping on the place at night while he and his brother conducted an implement business at Coutts during the daytime. The Inspector further reported that he went to Coutts and interviewed Mr. Verburg and that the latter promised to

Sir,

We beg to acknowledge receipt of your letter of the 18th instant requesting a certificate of attestation in order that you may be enabled to obtain entry on Dominion land under the provisions of the Soldier Settlement Act.

An endeavour was immediately made to obtain official reports respecting your military record from the Department of Militia and Defence with a view to determining your eligibility as a "settler" under the Act. Unfortunately we are unable to secure the same. This may be due to the fact that your military documents have not been forwarded from the headquarters of your military district.

In order that you should not, for this or other similar reasons, be prevented from securing free soldier grant entry under the Soldier Settlement Act, any local Agent of Dominion Lands is hereby authorized to accept your application for such entry upon the filing with him of this communication and the presentation to him of your discharge certificate, provided the latter shows clearly that you have served overseas and that your conduct, while a member of the forces, has been satisfactory. Before such entry may be confirmed by the Interior Department, however, it will be necessary that a certificate of attestation should issue from this office. You should, therefore, in the event of filing application for entry with the Agent of Dominion Lands, immediately forward your discharge certificate to this office, which certificate will be returned to you as soon as it has served the purpose for which it is required.

A handbook relating to soldier settlement is enclosed for your information.

I asked him where he had been and he told me that he had been over to Mr. Theodore Verburg's place to see if he were home or not and that he was to know as he (Jacob Wollerstein) was going to file that day to start cancellation proceedings against Mr. Verburg. I asked Mr Wollerstein if he found Mr Verburg at home and he told me that he did not having seen Mr Verburg there late the evening I immediately walked over to Mr Verburgs place, which was about 80 rods from my house and still found Mr. Verburg in bed. and told him all that had happened. so that I know that Mr Verburg had slept his homestead on the night before Mr Wollerstein came up to cancell him.

I beg to refer you to your file 3616, relating to the case of George Alexander Crawford, and to your letter addressed to Mr. Crawford on the 24th January last. I beg to inform you that on the 5th ultimo the Agent at Lethbridge accepted an application for soldier grant entry from Mr. Crawford for the above land on the strength of your letter to Mr. Crawford, and a temporary discharge certificate showing service in France. Gentlemen,-

I beg to acknowledge the receipt of your letter of the 17th ultimo on behalf of Mr. Verburg in regard to the West half of Section 15, Township 1, Range 14, West of the 4th Meridian, enclosing a statutory declaration by Mr. John B. Gallaher.

In reply I may say that your letter appears to have been written before you received the Departmental letter of the 12th ultimo which contained a full statement of the case.

You will note that in the Departmental letter it was pointed out that merely sleeping on the land at night could not count to Mr. Verburg's credit as he was not a married man. Further, it appears to have been proved beyond doubt that Mr. Verburg was in default in the performance of the requisite residence duties when cancellation of his entries took place.

Assistant Secretary.

Mr. W.M.Cory.
Deputy Minister of Interior.
Ottawa, Ont.

Dear Sir—: I am writing you with reference to the cancellation of my homeste and pre-emption the W I/2, Section I8; Township I; Range I5; West of the 4th I consider that I have not had a square deal in the cancellation of my homestead . There are several reasom that I would like to bring to your attention in connection with this cancellation .

In the first place I contend that Mr. Scott, the homestead Inspector from Lethbridge has always been prejudiced against me and I will try and show you why I think he was . When Mr. Cuttle Cheif Inspector of Land Agencies was out here to investigate my case in February 917 to investigate [illegible] Mr. Scott accompanied Mr Cuttle to Milk River where the investigation was held the day set for the investigation was a very stormy day and I was unable to get to Milk River with my witnesses. I called Mr. Cuttle over the long distan telephone to find out what I could do in the matter Mr Scott answered the telephone and informed me that it would do me no good to come up and see abou it now as by my not being there , at Milk River, I would lose the place thru default, I not thinking that what Mr. Scott told me was right I tried to reason the matter with him and as a result we had some severe words over the telephome and never since that day has Mr. Scott ever spoke a word to me that did not show resentment.and I have seen him at least a dozen times since that time both at my homestead and at my brothers place .

Mr. Scott also told a number of people in this vicinity that as long as he was homestead inpector that he would see to it that I would never get patent to my land. Even when I was living on my place right along putting in the crop and working on there every day as best as I could that, I was not putting in residence that I was only fullfilling the letter of the law and no the spirit of the law at all.

In view of the above it is no wonder to me that Mr. Scott never sent in any favorable report to the department regarding my homestead.

When Mr. Scott visited me on several different occasions I told him that I was not doing my duty in any way to tell me and I would try and change it bu he would just say " You know your duty and I am down here to see that you do i " .I can secure affidavits from several parties that Mr. Scott told that many he would see that I would never prove up on my homestead . as long as he was inspector . In view of the above I can consciously say that I that Mr. Scott was always prejudiced against me.

After the investigation by Mr. Cuttle above referred to I was credited with two full periods of residence and was given till May Ist, 1917 to go on my homestead and complete another term of residence, I turned over the implement business which I had been running in Coutts over to My brother and proceeded to perform my duties as told by the department, and I would have still been in continuos residence there yet had it not been that we have had two crop failures one absolute failure and the other not a fourth of a crop. As it was I moved on to the homestead before the first of May 1917 and was in continuous residence till July I5th, 1918. when I went off to earn some money from which to live. However I never ceased to make the homestead my home as I never moved any of my furniture nor provisions from the place.

About the middle of August 1918 there was a call issued for volunteers for the Siberian draft , I having tried to enlist in the early part of the war was turned down on account of having a hernia and rheumatism, but my rheumatism nearly all gone I tried to enlist and was signed up, upon taking the Medical examination I was again placed in category E on account of my hernia, taking this matter up with Dr. Leech of Lethbridge Chairman of the Medical Board I was informed that if I would under go an operation for my herni that he thought that I would pass the examination. I just as soon as I could underwent that operation and just as soon as I was out of bed went up again for re-examination and was placed in category A II. Again going and enlisting I was informed that I would have to obtain the consent of the Military Registar of Calgary, I immediatel, wrote for the permission from the Registar. While I was obtaining permission from the Registar I was taken now n with the Pleunza and when I recovered from that it was to late to join as the force had already gone, I am enclosing a copy of my enlisting with the Siberian force so that it may corrobate my statement of asove.

After my returning to my homestead before May 1917 I was on my place all the time, within I5 days after the first of May I was again cancelled and during all of my I4 I/2 months residence this cancellation was never removed here again I contend that if Mr Scott was for giving me justice he would have seen to it that this cancellation has been removed and that I would have been allowed to make my final proof the same as any one else would have done.

Further [illegible] that I [illegible] subject to cancellation the last ti

I.was cancelled, as I was in actual bonifide residence , This I have already proven by affidavits that I have sent in which are in the possession of the department at this time. I have also sent in a number of affidavits as to my residence since the first of May 1917. which the department now have and I can secure more if the department so desire. There are several parties who would be willing to go to Lethbridge and witness as to my residence to make final proof, and then to have the department cancell a mans entry just because one homestead inspector sends in an adverse report I think is not in the least justice or fair play. What I would like in this matter is that an inspector be sent out here that does not know anything at all about the case one that would be in a position to hold an impartial investigation, and this I think that I have a right to ask.

The homesteader in this part of the country has certainly had some very trying times in the last two years, while the man who had a patent to his land could get a loan on his farm and get by the homesteader has had to rustle in order to make a go of it and then after all the reverses due to the elements to have ones place taken away from him it certainly does not look like justice to me. In both 1917 and 1918 my brother and I had in each year over 300 acres in crop and not to get back our seed you can certainly see that it means an awful loss, besides we bought over $ 1000.00 worth of machinery. After I recovered from the influenza, as there was absolutely no work any kind around here I went up to Lethbridge and worked at the Undertaking business working for J.S.Fetterly.

This is the reason that my place was not occupied last winter but I do not see that this is grounds for the cancellation of my entries. As regards to my improvements on the place will say that I have put all I earned since I have been in the country into improvements on my place and it cannot possibly be said that I am holding my homestead for speculation only. I have 100 acres broke on my place, which I have had in crop different seasons and have nevered received over $1000.00 from the crops . You can see that I have been up against it and have tried to make the best

It is my intention now to go on the place and put in the crop another year as I have no other place to go and all that I have is right there in that place and I cannot think that we have a government that will take a man's home away from him in view of the above circumstances .

I am enclosing with this letter a declaration from one of the business men of Sweet Grass where Mr. Scott often called when he was in this section of the country.

I have been laid up with a broken foot for the last six weeks or I would have been out to my place before this time to prepare for seeding . I was in the Craig hospital with it having 11 bones broken so that you can see that I had to have some attention and am now only able to be out on crutches

I trust that you will give this matter your attention and see that I am given an honest deal before taking my place away from me .

A waiting your early reply .

I remain Yours Truly,

O. Theodore Norberg

I know that Mr. Scott was prejudiced against Mr. Verburg , that he (Mr Scott) told me that while Mr. Verburg was pronably complying with the letter of the land regulations that in spirit he was not that he only had his homestead for the purpose of speculation and not for a home at all. Re. T. [illegible] 1-1-11 [illegible].

We beg to acknowledge receipt of your communication of the 4th inst. relative to the application of Mr. Norris Alexander Crawford for a further free entry for the above-mentioned quarter section and requesting to be informed as to his eligibility to be considered as a "settler" under the Soldier Settlement Act.

In reply we would state that a certificate of Attestation was issued in this Board's favour on the 11th of February last and as the Act authorizes us to furnish same to the Agent of Dominion Lands, Lethbridge, in order that the necessary action might be taken for the completion of the entry.

We regret that we are unable to furnish you with a copy of Mr. Crawford's discharge certificate as same was returned to him with the rest of his papers on the [illegible] February last. We have caused [illegible] of these certificates to be made for our records.

Formerly homestead and pre-emption -- Theodore Verburg.
.....

In reply to your request of the [illegible]nt instant for a statement of this case, the following is submitted:

Mr. Verburg, who has been protesting against the cancellation of his entries, wrote [illegible] on the 15th instant asking that an Inspector who has not before dealt with his case be instructed to make an investigation into the merits of his claim.

He claims that Homestead Inspector Scott who has made several reports unfavourable to him is prejudiced against him.

.....

The main facts of the case are that Verburg obtained entries in November, 1912, and that cancellation proceedings were instituted in April, 1916, and in view of the information contained in an Inspector's report the entries were later on cancelled. Mr. Verburg protested. Mr. Cuttle was instructed to hold an investigation under oath.

In view of the evidence contained in Mr. Cuttle's report of his investigation, it was decided to restore Mr. Verburg's entries and to give him credit with having performed two terms of residence and that it would be necessary for him to perform a further term of six months residence before the duties in connection with his homestead could be considered completed.

Subsequently, Homestead Inspector Scott, Woodlock and Chief Inspector Shellewski (Swallow) looked into the case and all reported that Mr. Verburg had not completed his duties.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
O t t a w a.

-The-

The case was submitted in March, 1918, and you concurred in the suggestion that Mr. Verburg should be granted final notice to the 1st May, 1918, within which to file evidence corroborated by two witnesses that he was in residence on his homestead with the intention of remaining there and completing a continuous term of six months residence. Mr. Verburg was advised accordingly on the 30th March, 1918.

On the 23th April, 1918, Mr. Verburg executed a declaration to the effect that he was in actual residence on the land cultivating same and that it was his intention to perform continuous residence of six months.

On the 10th May, 1918, Inspector Scott reported that Verburg was in residence and had been living on the land since the 15th April of the same year.

On the 5th June, in your memorandum to the Commissioner, it was set out that it had been represented to your office that Mr. Verburg was still carrying on the implement business at Coutts and that he only spent odd nights on the homestead and instructions were issued that Mr. Verburg was to be notified that if he failed to furnish the Agent with proof by the 15th July that he was in actual residence his entry was to be summarily cancelled.

On the 17th July, Mr. Verburg informed the Agent that he had been living continuously on his homestead but that owing to the failure of the crops it was necessary for him to leave the land and earn some money. He asked for three months' leave of absence. It was decided to wait for an Inspector's report before considering this request.

On the 31st July, 1918, Inspector Scott reported that Mr. Verburg was not then in residence; but that he had lived on the land from the 15th April to the 15th June, 1918, but had not since performed any bona fide residence. The Inspector set out that according to inquiries he had made Mr. Verburg was at Coutts most of the time from the middle of June to the 1st July and that since the 1st July he had been at Coutts all the time -- that the Imperial Oil Company was erecting a large oil station at Coutts, and that Mr. Verburg and his brother had taken a contract in connection therewith.

In a memorandum from your office addressed to the Commissioner on the 21st September 1918, it was set out that the Minister issued instructions that Mr. Verburg's entries were to be cancelled if he did not furnish the necessary proof by the 15th July that he was in residence.

-On-

On the 31st August, 1918, Mr. Verburg wrote that he had enlisted with the R.N.W.M.P. at Lethbridge for service in Siberia. He was asked for facts regarding his enlistment and in a letter dated the 13rd September he stated he had not been accepted for enlistment owing to physical trouble but had been advised that if he would undergo an operation he might then be in condition for military service.

He was then asked for evidence that he had been accepted for military service or that he was undergoing an operation with a view to enlisting for military service and on the 10th October he wrote that he was in the hospital and he enclosed a medical certificate certifying that he was undergoing a Radical Operation for hernia.

The Minister approved of the suggestion that he be given thirty days to show either enlistment or that he was in occupation of the land.

On the 15th November, 1918, Mr. Verburg wrote that he had all the necessary papers to enlist; that he had gone to Lethbridge about three weeks before and passed in Class A 2; that after passing the medical examination he had to obtain consent of a Military Registrar at Calgary; that while he was waiting for this consent he was taken down with influenza; that he had about recovered but had been informed that the draft had gone but that he would let the Department know in thirty days if he could join the forces and that if he could not he would resume occupation.

As the thirty days elapsed without receiving word that he had enlisted or gone into occupation it was decided to cancel his entries. Cancellation took place on the 17th January, 1919.

Jacob Wellersheim, the applicant for cancellation, obtained entry for the South West quarter. The North West quarter was posted and Mr. G. A. Crawford obtained it as a soldier grant on the 5th February.

Messrs. Shepherd, Dunlop & Rice, Barristers, wrote on the 5th February on behalf of Mr. Verburg forwarding certain declarations. This firm represented that Verburg had been in residence from the 1st May, 1917, to July, 1918, but this is not confirmed by the declarations which accompany the letter, and it is considered that no grounds have been given for restoring the entries.

Messrs. Shepherd, Dunlop and Rice have since sent in declarations on behalf of Verburg which do not alter the case.

-Mr.-

Mr. Verburg now writes you a long letter which is mostly taken up by the claim that Inspector Scott is prejudiced against him and he asks that an Inspector, who has not yet dealt with the case, be sent out to make an investigation. He claims that it is his intention to go on the place and put in a crop this year as he has no where else to go. He encloses declaration made by [illegible], J. Nichols in support of his contention that Inspector Scott is prejudiced against him.

This is a very contentious case, but it appears that Mr. Verburg could hardly be considered as a bona fide homesteader. He is interested in the Implement Business in the town of Coutts, and it seems that while so employed he endeavoured at the same time to prove up on his land, but, being an unmarried man, he could not perform his homestead residence by sleeping on the land at night and engage in business in town during the day time.

The Department appears to have been justified in cancelling Mr. Verburg's entries, and the present entries for the half section were granted in good faith.

Respectfully submitted,

P.S. Stress is laid on the fact that Mr. Verburg was in residence the date on which Mr. Wollersheim made his application to cancel (11th May, 1917) but this evidence at the same time betrays the fact that Mr. Verburg apparently only slept there at night, as he returned to town the following day. As Mr. Verburg is an unmarried man he could not perform his residence duties by sleeping on the land at night while working elsewhere during the day time.

[illegible] MINISTER OF THE INTERIOR

7th May, 1917.

Memorandum:

Mr. Treeby.

[illegible]

I am advised that Mr. Jacobi circumstantially made a false statement in his application of the 15th May, 1917, in earlier under Certificate Mr. Theodore Arthur had not resided on the land since December, 1914. It has, therefore, been decided to have Mr. [illegible] Martin conduct an investigation into this case. The full facts of the case should be placed with Mr. Martin and he should be instructed to bring to the attention of the Department any facts that he thinks should receive consideration.

Deputy Minister.

In reply to your request of the 22nd instant for a statement of this case, the following is submitted:

Mr. Verbourg, who has been protesting against the cancellation of his entries, wrote you on the 15th instant asking that an Inspector who has not before dealt with his case be instructed to make an investigation into the merits of his claim.

He claims that Homestead Inspector Scott who has made several reports unfavourable to him is prejudiced against him.

[illegible]

The main facts of the case are that Verbourg obtained entries in November, 1912, and that cancellation proceedings were instituted in April, 1916, and in view of the information contained in an Inspector's report the entries were later on cancelled. Mr. Verbourg protested. Mr. Battle was instructed to hold an investigation under oath.

In view of the evidence contained in Mr. Battle's report of his investigation, it was decided to restore Mr. Verbourg's entries and to give him credit with having performed TWO terms of residence and that it would be necessary for him to perform a further term of six months residence before the duties in connection with his homestead could be considered completed.

Subsequently, Homestead Inspectors Scott, Stoddart and Chief Inspector Szczepowski (Dauphin) looked into the case and all reported that Mr. Verbourg had not completed his duties.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
Ottawa.

-The-

The case was submitted in March, 1918, and you concurred in the suggestion that Mr. Verburg should be granted final notice to the 1st May, 1918, within which to file evidence corroborated by two witnesses that he was in residence on his homestead with the intention of remaining there and completing a continuous term of six months residence. Mr. Verburg was advised accordingly on the 26th March, 1918.

On the 28th April, 1918, Mr. Verburg executed a declaration to the effect that he was in actual residence on the land cultivating same and that it was his intention to perform continuous residence for six months.

On the 10th May, 1918, Inspector Scott reported that Verburg was in residence and had been living on the land since the 26th April, of the same year.

On the 6th June, in your memorandum to the Commissioner, it was set out that it had been represented to your office that Mr. Verburg was still carrying on the implement business at Coutts and that he only spent odd nights on the homestead and instructions were issued that Mr. Verburg was to be notified that if he failed to furnish the Agent with proof by the 15th July that he was in actual residence his entry was to be summarily cancelled.

On the 17th July, Mr. Verburg informed the Agent that he had been living continuously on his homestead but that owing to the failure of the crops it was necessary for him to leave the land and earn some money. He asked for three months' leave of absence. It was decided to wait for an Inspector's report before considering this request.

On the 31st July, 1918, Inspector Scott reported that Mr. Verburg was not then in residence; that he had lived on the land from the 26th April to the 15th June, 1918, but had not since performed any continuous residence. The Inspector set out that according to inquiries he had made Mr. Verburg was at Coutts most of the time from the middle of June to the 1st July and that since the 1st July he had been at Coutts all the time -- that the Imperial Oil Company was erecting a large oil station at Coutts, and that Mr. Verburg and his brother had taken a contract in connection therewith.

In a memorandum from your office addressed to the Commissioner on the 21st September, 1918, it was set out that the Minister issued instructions that Mr. Verburg's entries were to be cancelled if he did not furnish the necessary proof by the 15th July that he was in residence.

On the 31st August, 1918, Mr. Verburg wrote that he had enlisted with the C.A.M.C.P. at Lethbridge for service in Siberia. He was asked for facts regarding his enlistment and in a letter dated the 13rd September he stated he had not been accepted for enlistment owing to physical trouble but had been advised that if he would undergo an operation he might then be in condition for military service.

He was then asked for evidence that he had been accepted for military service or that he was undergoing an operation with a view to enlisting for military service and in the 10th October he wrote that he was in the hospital and he enclosed a medical certificate certifying that he was undergoing a Radical operation for Hernia.

The Minister approved of the suggestion that he be given thirty days to show either enlistment or that he was in occupation of the land.

On the 15th November, 1918, Mr. Verburg wrote that he had all the necessary papers to enlist; that he had gone to Lethbridge about three weeks before and passed in Class A 2; that after passing the medical examination he had to obtain consent of the Military Registrar at Calgary; that while he was waiting for this consent he was taken down with influenza; that he had about recovered but had been informed that the draft had gone but that he would let the Department know in thirty days if he could join the forces and that if he could not he would resume occupation.

As the thirty days elapsed without receiving word that he had enlisted or gone into occupation it was decided to cancel his entries. Cancellation took place on the 17th January, 1919.

Jacob Hollersheim, the applicant for cancellation, obtained entry for the South West quarter. The North West quarter was posted and Mr. S. A. Crawford obtained it as a soldier grant on the 5th February.

Messrs. Shepherd, Dunlop & Rice, Barristers, wrote on the 5th February on behalf of Mr. Verburg forwarding certain declarations. This firm represented that Verburg had been in residence from the 1st May, 1917, to July, 1918, but this is not confirmed by the declarations which accompany the letter, and it was considered that no grounds had been shown for restoring the entries.

Messrs. Shepherd, Dunlop and Rice have since sent in declarations on behalf of Verburg which do not alter the case.

-Mr.-

Mr. Verburg now writes you a long letter which is mostly taken up by his claim that Inspector Scott is prejudiced against him and he asks that an Inspector, who has not yet dealt with the case, be sent out to take an investigation. He claims that it is his intention to go on the place and put in a crop this year as he has no where else to go. He enclosed a declaration made by one, W. This is a very contentious case, but it appears that Mr. Verburg could hardly be considered as a bona fide homesteader. Dear Sir-: Owing to the recent moisture here and that I have sufficie: ly recovered from my broken foot to be able to do something, I am writing you for permission to go upon my homestead the West 1/2 , Section 15; Twp 1; Range 15 ; West 4th, to put in some crop and also summer fallow th: balance of my cultivated land . I want to put in some oats as I will ha to have some feed for my stock for the coming winter.

Owing to the long delays now in connection with this it will be late to put in any spring wheat , but I would like very much to be able to put in some oats.

There is now no one living on the place and my furniture and building and personal effects are now just common public property and every body just helping themselves to what they wish and I am powerless to prevent them . I can absolutely see no justice in giving me this kind of treatmen

A waiting your early reply,

I remain Yours truly,

Theodor Verburg.

I beg to acknowledge the receipt of your letter dated the 10th instant, asking when you will be permitted to resume occupation of the above described lands, which you formerly held under homestead and pre-emption entries, and in this connection to draw your attention to the fact that you have on more than one occasion been advised that you have no longer any interest in the said parcels and that no good reason has been shown why your case should be reopened.

I am, therefore, again to warn you that you have no right to go into occupation of these quarter-sections or to make any improvements thereon. It would seem, however, that the present entrants should not raise any objection to your removing your personal effects.

I may further call your attention to the fact that should you undertake to take possession of the above lands the entrants would have the power to take legal action with a view to your ejectment under subsection 2 of section 11 of the amending Dominion Lands Branch.

D-EC. Red Deer, Alberta, August 6, 1919.

Sir,

Referring to your letter of recent date, asking me to carry out the instructions contained in Head Office letter of the 15th of May last, addressed to you, regarding the performance of duties by Theodore Verberg on his homestead, the N.W. ¼ of 15-1-14 W. 4th, I beg to say that on the 26th, 29th and 30th ult. I looked into this matter, and I am attaching herewith six affidavits signed by nearby neighbors giving the dates of residence fulfilled by Mr. Verberg. You will note that one of the parties, Mr. Cremen gives the dates of residence of Mr. Verberg from the beginning of his homestead period up to July 1918. These affidavits in my opinion, should satisfy the Department that Mr. Verberg has completed full residence on his homestead, and was entitled to patent thereof at the time cancellation took place. I might say that I visited other parties who were equally confident that the duties had been fulfilled, but were not in position to give me any accurate dates. I interviewed Mr. Verberg, and he was most willing to give me all the assistance possible to get evidence regarding his right to the land. ~~The~~

J. W. Martin, Esq.,
Inspector of D.L.Agencies,
Calgary, Alta.

Mr. Verberg informed me that he had fulfilled his duties strictly in compliance with the request of the Department, and that from the 25th of April 1917 to the 18th of July 1918 he fulfilled his duties in a bona fide manner not only by sleeping on the place, but living there and making it his continuous home, outside of going to town for mail and food. The gentleman in question gave me an affidavit on Form # 88, that he had no financial interest in the Verberg Bros. Implement Business from the 1st of May 1917 up to the present date. I am of the opinion myself personally, that Mr. Verberg should be re-instated in his entry to this land; the improvements on the same consist of 100 acres of cultivated land, besides the half-section is fenced, a small stable and a Well, and when you consider that this particular portion of the country has had three total failures and the gentleman in question has had to finance these failures on the total area of cultivation stated above, it would seem to me that he exerted every possible means to fulfill what the Department had asked for. On the N.W. ¼ of this land, the soldier grant of Mr. G. A. Crawford - I might say that this gentleman is in residence and has erected an additional half mile of wire fence thereon. I did not interview Mr. Crawford. On the S.W. ¼ of this section which was granted to Jacob Wollersheim - this gentleman has broken what I would consider 20 acres of additional breaking but has not taken up residence. Mr. Verberg informed me that he was anxious that the Department make a final decision in the matter at the earliest possible moment.

Encls.

EDMONTON,

August 6th, 9.

Dear Sir:

Referring to yours of the 12th of May last, files 2055015 and 1829137, regarding the W. ½ of Section 15, Township 1, Range 14, West 4th Meridian, I beg to state that on account of being located here in connection with the hay and grazing business, I thought it advisable to have my Assistant, Mr. J. A. Bannerman, look into the matter of the residence duties performed by Mr. Verberg, and I am enclosing herewith, his report to me on this subject, attached to which will be found declarations made by the following parties:- Geo. Elgie, J. Thompson, G. Wetzel, Henry Gaetz, John A. Graham and Theo. Verberg himself, from which it will be noticed that all of these parties credit Mr. Verberg with more than six months' residence from April, 1917 until July, 1918. After conversation with Mr. Bannerman, I am of the opinion that more evidence than that contained in his report and the attached declarations, and contained in reports and declarations already on file, cannot be obtained in any other way than by a further investigation under oath and by subpoena, and I am doubtful if satisfactory evidence could be obtained in this manner, and would not advise such an investigation. Mr. Bannerman realized the difficulties in securing evidence prior to the

The Secretary,

Department of the Interior,

Ottawa,

Ontario.

prior to the date of Mr. Cuttle's investigation, and, therefore, did not secure any, but confined himself to the period of residence since that time, and it appears to be fairly clearly indicated that considerable residence duties were performed in connection with this land from April, 1917.

In Head Office letter of the 14th of March, 1917, Mr. Verberg was given credit for two full periods of residence, after an investigation held by Mr.Cuttle, and informed that if he would complete a further period of six months' residence he would be entitled to Patent. It seems to be fairly clearly indicated that he put in more than this time.

It is very much regretted that the Department did not avoid further complications by permitting a further enquiry into this case after receipt of my telegram of the 20th of January last, this being before entries were granted to Messrs. Crawford and Wollersheim.

If any further information is desired on this subject, please advise and I will be glad to attend personally to the case on the earliest opportunity.

H. O. Files Nos. 1829137 and 2055015 are returned herewith.

Respectfully,

Encls.

Inspector.

COMMISSIONER

Turning to Mr. Zimmerman's report, which is supported by six affidavits from nearby neighbors, you will note that the former sets out that in addition these declarations show clearly that Mr. Verburg has completed full residence on his homestead and that he was entitled to patent thereon when cancellation took place. Mr. Zimmerman sets out that he thinks Mr. Verburg should be reinstated in his entries.

Mr. Zimmerman's report contains the information that Mr. Crawford is in residence upon his soldier grant and that he has erected an additional half mile of wire fence thereon, that Mr. Wollersheim has not taken up residence on his homestead but has broken an additional twenty acres thereon.

The declarations forwarded by Mr. Zimmerman are executed by George Flaie, J. Thompson, G. Wetzel, Henry Gaetz and John A. Graham.

George Flaie. This man's declaration sets out that he is unable to give definite dates of the periods of residence performed by Mr. Verburg, but that the latter went on the land the 1st April, 1917, and lived there as an actual settler until some time in July, 1918.

J. Thompson. This man sets out in his declaration that Mr. Verburg was an actual settler on the N.½ of 15-1-14-W.4th M., from May, 1917, to July, 1918.

G. Wetzel. This man sets out that Mr. Verburg was an actual settler on his land from the winter of 1917-18 to July, 1918. Mr. Wetzel only commenced residence himself on the 1st November, 1917.

Henry Gaetz. This man credits Mr. Verburg with residence from the latter part of April, 1917, to the middle of July, 1918.

John A. Graham. This man sets out that Mr. Verburg performed six months actual residence between May, 1917, and July, 1918.

From the previous evidence on file it would seem that these declarations should not be accepted as correctly setting out the actual residence performed by Mr. Verburg.

What the Department needs is definite evidence that Mr. Verburg lived upon his land for six months within a year subsequent to April, 1917, and prior to January, 1919.

You will note that the majority of these declarants give Mr. Verburg credit for almost continuous residence from April, 1917 to July, 1918.

In this connection I would refer you to Homestead Inspector Hugh Scott's reports made subsequent to April, 1917, and to the report of Chief Homestead Inspector Shadlow, dated the 19th February, 1918. (All marked,

REPORT OF INSPECTOR SCOTT'S REPORT, 20th JUNE, 1917:

"Not in residence. Has not resumed residence in accordance with the regulations."

"On 20th June I visited and inspected the W.½ of 15-1-14 the homestead and pre-emption of Mr. Verburg, and after

interviewing

Interviewing Mr. Gallagher, Mr. Blackman and his nearest neighbours, I find that Mr. Verburg has not yet into residence as he was ordered to do, any residence done by him was done by him sleeping on the place at night while he and his brother conducts an implement business at Coutts during the day. I went to Coutts and interviewed Mr. Verburg there as to what his intentions were in regard to complying with the regulations, he promised to go into residence at once.

I might also say that in interviewing Mr. Gallagher of S.E. 31-1-14-W.4 (who has resided in the vicinity for a number of years) he informed me that Mr. Verburg had never done his residence in connection with this land. He is quite positive that up to the present time 42 days is all the residence he has done in connection with this land."

HOMESTEAD INSPECTOR SCOTT'S REPORT, 30TH AUG., 1917.

"In residence. Since my last report Mr. Verburg has been in residence from 22nd June 1917 to 30 August.

"On 30. August I visited the W.½ 15-1-14-W.4 M., the homestead & pre-emption of Mr. Verburg and from information I received from Mr. Gallagher (who adjoins him on the west) and other neighbours, it would appear that Mr. Verburg is now doing bona fide residence."

HOMESTEAD INSPECTOR SCOTT'S REPORT, 6th NOV., 1917.

"Not in residence. Mr. Verburg has done no residence since 30 August, 1917, that can count to his credit. Since last September has been conducting an implement business at Coutts.

"Since my last report Mr. Verburg has been conducting an implement business at Coutts and going out to his homestead at night. He has built a new house on his homestead since my last report."

A report was also obtained from Homestead Inspector Woodlock dated the 28th December, 1917, which credited Mr. Verburg with continuous residence from the 30th April 1917, to date of report, together with certain other periods of residence.

You will note that Homestead Inspector Woodlock's report is at variance with the previous reports of Homestead Inspector Scott. It seems incredible that Inspector Scott should have reported Mr. Verburg not in residence in his reports dated the 20th June, 1917, and the 6th November, 1917, if, as a matter of fact, this gentleman was actually living on the land, as indicated by Homestead Inspector Woodlock's report.

Another thing which discredits Inspector Woodlock's report is a letter from the Agent at Lethbridge dated the 3rd January, 1918, in which it is set out that the Agent was not satisfied with the manner in which Inspector Woodlock had made his report, and that he (the Agent) was of the opinion, from information which he had received from neighbours living in the vicinity, that Mr. Verburg's residence duties were still being performed by residing at Coutts in the day time and sleeping a few nights a week on the homestead.

As Mr. Verburg is a single man he could not, under the regulations, perform his residence duties in this manner.

In the month of January, 1918, the acting Deputy Minister gave instructions that the matter was to be placed in the hands of Chief Homestead Inspector Shablow for investigation.

CHIEF HOMESTEAD INSPECTOR SHABLOW'S REPORT, 19TH FEB., 1918:

As indicating the difficulty in obtaining definite information in regard to the duties performed by Mr. Verburg, I quote two paragraphs of Mr. Shablow's report:-

"It appears that ever since the first inspection of that land was caused to be made by the Department, a very hostile feeling has been created among those former who made sworn statements in reference to Mr. Verburg's residence upon the land, partly through the intimidations and threats by the entrant and his two brothers. It now almost developed into a feud between those favoring the entrant and those opposing him.

"In consequence of the above facts, they are afraid to make any declarations, saying they would not commit themselves any more as they had already given three or four each in the last two years. However, I was able to obtain some information verbally from both sides, also three declarations herewith enclosed from uninterested parties who have known Mr. Verburg since he filed on the land."

Mr. Shablow's report deals with the residence performed prior to April 1917, but for the purposes of this report it is not necessary to deal with this phase of the case.

Mr. Shablow's report, however, contains definite statements in regard to the residence performed by Mr. Verburg subsequent to April 1917. In this regard Mr. Shablow states that since the 10th August, 1917, Mr. Verburg had slept on his land an average of about two nights a week.

Quotation:-

"He has a bedroom arranged in his shop at Coutts where he sleeps most of the time and makes that his home. At no time since 1915 up to the present date did Mr. Verburg perform actual residence duties, staying only about three weeks at a time in the spring and fall of each year while the balance was put in by sleeping there so seldom and irregular that it is impossible to establish anything definite, of course, Mr. Verburg claims he has been performing his residence duties during the winter months.

"I also wish to call your attention to the fact that when I arrived at Coutts I met Mr. Verburg there and asked him for a statement, but he refused to do so, saying that he already made about five or six of them with the Department was on file. He said he could not occupy any time with me because he was leaving on the train for Calgary that afternoon, and finally that he was getting sick of the whole affair."

In regard to the foregoing you will note that both Homestead Inspector Scott and Chief Homestead Inspector Shablow say that they interviewed Mr. Verburg at his home in Coutts. This alone would indicate that the declarations now furnished are not reliable.

On the 16th March, 1918, the Deputy Minister gave instructions that Mr. Verburg was to be granted a final notice expiring the 1st May, 1918.

Homestead

'/

HOMESTEAD INSPECTOR SCOTT'S REPORT, 10TH MAY, 1918:

"In residence. Residing on homestead from 20th April, 1918, to time of visit, 10th May, 1918."

HOMESTEAD INSPECTOR SCOTT'S REPORT, 31ST JULY, 1918:

"Not in residence. Residence performed from 20th April, 1918, to 15th June, 1918, since then not doing bonafide residence."

"From inquiries made he has not been doing bonafide residence since the middle of June. From about the middle of June to 1st July he was most of the time at Coutts and since July 1st he has been at Coutts all the time. The Imperial Oil Co. is erecting a large oil station at Coutts and Theodore Verburg and his brother have taken a contract to drill a well and board the men employed at construction work and he has been residing at Coutts during only doing this work, and was working there when I visited him on July 31st."

In a memorandum dated the 21st September, 1918, the Acting Deputy Minister set out that the Minister had given instructions that Mr. Verburg's entry was to be cancelled forthwith.

Action was deferred, however, in order to ascertain whether Mr. Verburg had enlisted, either for active service overseas or with the R.N.W.M.P. It was finally ascertained that Mr. Verburg had not joined either force, and his entries were then cancelled and the land disposed of as set out at the head of this memorandum.

Messrs. Shepherd, Dunlop & Rice, on the 5th February, 1919, forwarded several statutory declarations in Mr. Verburg's favour.

The evidence furnished in connection with this case is very contradictory, as several statutory declarations have been filed, claiming that Mr. Verburg did perform the residence claimed by him, while others have been filed setting out quite as definitely that Mr. Verburg did not live upon his land as claimed.

The evidence furnished by officials of the Department is also contradictory, as Homestead Inspector Woodlock and Assistant Inspector Bannerman favour Mr. Verburg, while Homestead Inspector Scott and Chief Inspector Shablow state positively that Mr. Verburg did not perform his residence duties in a bona fide manner.

Homestead Inspector Woodlock's report is discredited to a certain extent by the Agent's letter above referred to, while Inspector Bannerman appears only to have accepted evidence from witnesses favourable to Mr. Verburg.

The reports of Homestead Inspector Scott and Chief Inspector Shablow bear evidence of having been carefully prepared. It seems, as before stated, that it is incredible that Inspector Scott should have reported in the manner he did if Mr. Verburg was in actual residence on the land, i.e., from the 20th April, 1917, to the 18th July, 1918, as the latter claimed in his evidence given before Mr. Bannerman. Both Inspector Scott and Chief Inspector Shablow state that they visited Mr. Verburg at Coutts during this period of time.

Under

Under the circumstances it would not seem that the Department would now be justified in cancelling the soldier grant entry of Mr. Crawford in order to restore the entry of Mr. Verburg, especially in view of the fact that Mr. Bellerman reports the former in residence upon the land.

So far as Mr. Wollersheim is concerned, it would seem that he is now in default in the performance of his residence duties, although he appears to have been going on with the cultivation duties, therefore, if the Department considers it expedient, cancellation proceedings might be instituted with a view to allowing Mr. Verburg to re-enter for the land as a homestead in the event of cancellation taking place.

It would not seem, however, that Mr. Verburg has any claim upon the Department as he was allowed plenty of opportunities within which to establish the fact that he had fulfilled the requirements of the Department before cancellation of his entries took place, and in failing to do so he has merely himself to blame.

Respectfully submitted,

THE DEPUTY MINISTER OF THE INTERIOR

Cancelled homestead and
pre-emption of T. Verburg.

It has been decided to confirm the cancellation of Mr. Verburg's homestead and pre-emption entries.

As there is reason to suppose from the [redacted] Inspector's report that Jacob Wollersheim who has homestead entry for the South West ¼ is not performing the settlement duties in a bona fide manner, you might have the Agent instructed to institute the usual proceedings but in the event of the entry being cancelled, he is to make no disposition of the land without further instructions from the Department.

As there is reason to suppose, from a Homestead Inspector's report, that Mr. Jacob Hollersheim, who has homestead entry for the S.W.¼, is not performing the settlement duties in a bona fide manner, the Agent of Dominion Lands at Lethbridge will be instructed to institute the usual proceedings, with a view to the cancellation of this entry in the event of the entrant failing to file a satisfactory defence.

With respect to the sum of $240.00 paid by you as the value of the improvements on the above land when you obtained entry therefor, I beg to inform you that a further report has now been received from a Homestead Inspector, in which it is set out that he was under a misapprehension as to the actual improvements upon the land when he placed the above value upon the improvements in question, and that the ~~actual~~ future value of the said improvements when you obtained entry was as follows:-

Lumber house, 14x18.....	$250.00.

It is noted that included in this valuation is $123.75 for a drilled well, and it is considered advisable before pressing the matter to a conclusion to obtain a Supplementary Report from the Inspector as to whether this well contains water and is of any value to the present entrant.

Cancelled entries of Theodore Verburg.

Memorandum.

Mr. Hume.

Mr. Verburg called at the Department the other day and executed statutory declarations concerning the residence performed and the improvements completed upon this land.

At that time one of the files was missing and it was impossible to take official action but we told him that we would send a Homestead Inspector who had not previously looked into this case to visit the land in order that he might make a re-valuation of the improvements, as it is claimed by Mr. Verburg that he has put a great deal more into these than has been credited to him by the valuation at the time of cancellation of his entries.

Will you please have this matter attended to at once and then return the papers to this office in order that we may submit for the Minister's consideration, a recommendation that Mr. Verburg be allowed credit for the duties that he can prove he has performed in connection with these entries on account of any homestead entry that he may make elsewhere.

This man feels as though he has been unjustly dealt with. I have explained the viewpoint of the Department fully.

He has asked us to take up with the Soldier Settlement Board, the matter of allowing him to make entry within the tract, as he may be able to get a homestead near where he is now.

Mr. Verburg who previously held the above described half-section under entry called at the Department recently and executed statutory declarations concerning the residence performed and the improvements consisted on this land during the time he held entry.

As Mr. Verburg claims that he has put a great deal more into the improvements than has been credited to him by the valuation made at the time of the cancellation of his entries, you should have a Homestead Inspector who has not previously looked into this case to visit the land in order that he may make a re-valuation of the improvements.

I have discussed this case with the Minister and it has been decided that Verburg is to be allowed to take credit in connection with any new entry which he may make for any duties performed in connection with the cancelled entry, that are not disputed.

This allowance is made on the distinct understanding that Verburg is to complete the balance of the duties without fail and must consist of at one term of actual residence on the homestead.

In a memorandum dated the 19th instant, the Deputy Minister sets out that Mr. Verburg is to be allowed to take credit in connection with any new entry which he may make for any duties performed in connection with the cancelled entry which are not disputed.

Before, however, writing Mr. Verburg, I think it would be advisable to ask whether he is to be allowed to make entry for a homestead only, or for a homestead and a sale on the same terms as a pre-emption entry.

I would also like instructions as to whether before writing Mr. Verburg the Soldier Settlement Board should be asked as to whether any objection exists to his making a selection within the area set apart for Soldier Settlement. Sir,

Re W. 1-1-14-W. 4th [illegible]

Referring to your visit to the Department in connection with the cancellation of your homestead and pre-emption entries for the above described half-section, I beg to inform you that in view of the information set out in the statutory declarations executed by you at that time, a Homestead Inspector, who has not previously looked into this case, has been instructed to visit the land in order to make a valuation of the improvements made by you at the time re-entry was granted. When a report has been received from this official you will be further advised in connection with this matter.

I am further to advise you that it has been decided to permit you to make another homestead entry (not homestead and pre-emption) and the presentation of this letter to any Agent of Dominion Lands will serve as his authority for granting you this privilege on the usual terms in connection with any land available for the purpose.

When this entry has been made you will be allowed to take credit for any duties performed in connection with your cancelled entry which are not disputed, but you will be called upon to perform at least one term of six months actual residence upon the land before you will become entitled to patent therefor.

If you wish to locate within the area set apart for soldier settlement it will be necessary for you to take up the matter with the Soldier Settlement Board with a view to obtaining the necessary permission, and if you wish to take this action it would be advisable for you to set out all particulars, especially with respect to your enlistment for service with the Siberian Expeditionary Force

MEMORANDUM.

N.W.¼ 15-1-14-W.4th M.
Soldier Grant of Geo. A. Crawford.
Entry granted-5th February, 1919.

Cancelled homestead of Theodore Verburg.

When Mr. Crawford made entry he took an affidavit that the improvements upon the above land consisted of the following:-

Frame house - $75.00.
100 acres stubble - $100.00.
Fencing - $5.00.
Barn - 10.00.
Total.....$190.00.

He paid this sum when making entry. Subsequently a report was received from Homestead Inspector Wilcox, dated the 18th June, 1919, setting out that the improvements upon this land consisted of the following at the time Mr. Crawford obtained entry:-

Lumber House.....$75.00.
Lumber Stable..... 15.00.
Fencing..... 35.00.
Well..... 27.00
88 acres cultivated land 88.00

Total..... ...$240.00.

Mr. Crawford was called upon to remit the balance, which he did on the 14th July, 1919.

Mr. Verburg protested that the improvements had been under valued and Homestead Inspector Wilcox was called upon to look into the matter again. In a further report dated the 15th June, 1920, he set out that the total value of the improvements when Mr. Crawford made entry was $648.75. Report marked.

On the 7th July, 1920, Mr. Crawford was advised of the details set out in the Homestead Inspector's report, and was called upon to remit the further sum of $408.75, or else furnish evidence under oath that the improvements had been over valued.

As Mr. Crawford had been granted a loan under the Soldier Settlement Act, Mr. Maber was advised of the standing of the case. Advice was received from

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,
O T T A W A.

from the Soldier Settlement Board that a report would be asked for from their District Superintendent. No word has since been received from either the Soldier Settlement Board or Mr. Crawford.

On the 28th July, 1920, the Acting Deputy Minister gave instructions that the improvements were to be re-valued.

A report has now been received from Homestead Inspector Maybury, dated the 21st October, 1920, which places a total value of $599.85 on the improvements upon this quarter-section. Full details are given in the Inspector's report and in his covering letter dated the 25th ultimo, the Agent stated that he impressed upon Inspector Maybury the necessity of making a very careful inspection and valuation of the improvements, and he (the Agent) states he believes that Mr. Maybury has complied with these conditions.

According to a report received from the Patent Branch, Mr. Crawford has paid a total of $240.00 for the improvements in question, and I assume that Mr. Crawford should now be called upon to pay the balance due, i.e., $359.85.

I am submitting a separate report in regard to the value of the improvements upon Mr. Verburg's cancelled pre-emption.

Respectfully submitted,

With further reference to the $240.00 paid by you as the value of the improvements upon the above described land when you were granted entry therefor on the 5th February, 1919, I beg to inform you that as Mr. Theodore Verburg, the former entrant, protested that this sum did not represent the true value of the improvements in question, a further report was called for by a Homestead Inspector, who was requested to go into the matter thoroughly.

A detailed report has now been received from a Homestead Inspector, which sets out that the improvements upon the land at the time you obtained entry consisted of the following:-

Frame house, 14x18.....	$204.85
44 ft. well, 6 inch complete curbing and pumping.....	100.00
½ mile fencing consisting of two strand wire, cedar posts...	45.00
100 acres ploughing @ $2.50....	250.00
Total.....	$599.85

The Inspector states that he got the prices of the material, which is in the house, from the Citizen Lumber Company, Coutts, Alberta, from their 1917 price list, and that he obtained the details with regard to the pumping and curbing from the Dixon Sheet Metal Company, Lethbridge.

Deducting the $240.00 already paid by you, there remains a balance of $359.85, which you should remit without undue delay to the Agent of Dominion Lands at Lethbridge.

As Mr. Crawford had applied to your Board for a loan of $2,323.00, you were advised by memo of the 7th July, 1920, that the improvements upon this land had been valued by a Homestead Inspector at $648.75, on account of which Mr. Crawford had only paid $240.00.

In your reply dated the 14th July last, you stated that you had referred the matter to your District Superintendent, Calgary, for his attention.

Since preparing my memo of the 7th July last, a further enquiry has been made in regard to this matter and the Homestead Inspector, who had the matter in charge, reduced the valuation of the improvements to $599.85. I attach a copy of the Homestead Inspector's report, which indicates careful enquiry on the part of that official.

COMMISSIONER

Ottawa, 15th December, 1920.

MEMORANDUM.

Mr. Hume.

N.W.¼ 15--1--14-W. 4th M.
Soldier Grant of George A. Crawford.
Entry granted - 5th February, 1919.

Cancelled homestead of Theodore Verburg.

The question to be decided is whether the last valuation made by a Homestead Inspector of the improvements effected by Mr. Verburg should be confirmed or not.

Several reports have been furnished by Homestead Inspectors bearing on this matter, the two latest being one from Homestead Inspector Wilson, dated the 17th June, 1920, in which the value of the said improvements was placed at $648.75, the other being a report from Homestead Inspector Mayberry, dated the 21st October, 1920, the value therein being set at $[illegible]. This latest report would appear to have been carefully prepared and apparently just makes allowance for depreciation.

This case was submitted for the consideration of the Commissioner on the 8th ultimo, (see memo marked) and instructions were given that Mr. Crawford was to be called upon to pay the balance due according to Homestead Inspector Mayberry's report.

A letter has now been received from Mr. Crawford, dated the 7th instant, in which he protests that the value placed upon the improvements on his Grant is altogether too high. Coupled with his protest is a request that if he is compelled to pay this sum that he be granted an extension of time within which to do so.

In this regard I may point out that Mr. Verburg has protested the Homestead Inspector's valuation of the improvements made by him is altogether too low, while Mr. Crawford claims that the amount asked for is too high.

Under the circumstances, I think that it would be advisable for the Department to abide by Homestead Inspector Mayberry's valuation, but this point is submitted

for

for your consideration and decision.

I would further suggest that if the decision already arrived at is adhered to, that Mr. Crawford be allowed until the 1st May next within which to make the requisite payment.

I beg to acknowledge the receipt of your letter of the 20th ultimo, with respect to the value of the improvements made by you upon the above described lands while same stood in your name as a homestead and pre-emption, and in reply to say that on instructions from this Department Homestead Inspector Mayberry made careful and full enquiry as to the value of the improvements in question, and in a report dated the 21st October last, set out that the improvements made by you upon the South West quarter consisted of one and a half miles of fencing, worth $90.00. This sum has been paid by the present entrant and is available for refund to you on your complying with certain conditions which I will mention later.

In a report dated the 21st October, 1920, the same Homestead Inspector stated that the improvements upon the North West quarter consisted of the following:-

Frame house, 14x18.....	$204.85
¼ mile fencing, cedar posts.....	45.00
Cultivation.....	250.00
Well, 44 ft. complete with pumping and curbing.....	144.50
Total.....	$644.35
Depreciation.....	44.50
	$599.85.

The Inspector in his report gave full details as to how the values mentioned were arrived at. He also stated that he got the prices of the material from the Citizen Lumber Company, Coutts, Alberta, of the material which is in the house from their 1917 price list, and that the details in regard to the pumping and curbing were obtained from the Dixon Sheet Metal Company, Lethbridge.

Judging from the evidence furnished, the Inspector went into this matter thoroughly and it has been decided to stand by his report both so far as you are concerned and the present entrants.

Theodore Verburg, Esq.,

Yr.

Mr. Crawford, the present entrant for the North West quarter, has paid $240.00 on account of the value of the improvements upon this land and has been called upon to pay the balance of $359.85 as soon as possible.

Mr. Crawford has applied for an extension of time within which to pay this balance, and this matter is now being taken up with the Soldier Settlement Board. You will be duly advised of the decision arrived at at a later date.

You will be granted a refund of the $330.00 already paid, on your furnishing the Department with a Certificate from the Municipal Authorities showing that all taxes have been paid up to the time your entries were cancelled, i.e., the 17th January, 1919.

You will likewise be refunded the balance due for the improvements in question on payment thereof being made by Mr. Crawford.

Dear Sirs:

In reply to your letter of the 16th with reference to payments of $359.85 to cover improvements on the N.W.¼ 18-1-14-W. 4th, I have written to the Department of the Interior, Ottawa, after I received word from them that I owe a balance on the said land stating the facts to them, and as I paid all the Department of the Interior stated against said place and have receipt for balance of payment, and after one year to come back for more what chance do I stand if they come to me for more later on. The Government Inspector was here some time ago to inspect said place. He enquired when said land was plowed last, they, Farmers armound, said 1915, croped in 1916 nothing one still I filed on for Soldier's Grant, that land wasn't worth $3.50 per acre when I obtained entry, which was stated by Inspector's valuation in spring of 1919. Also a well 44 ft. 6 in complete curbing and pumping on this statment, It isn't complete, as the curbing is only half the depth and as for the house, this is a house that was moved on here and it isn't finished, so the Inspector didn't want to put his own value on the said house, and I have the information from the Manager of the Citizen Lumber Co., of Coutts, that the Inspector gave him $5.00 to figure up a house 14x18, 1917 or 1918 prices, and he did so and gave him the price of No. 1 Material Now this house is not new so why should I pay for it, and as for fencing, all that was paid by Mr. Theodore Verburg on North fence to Mr. Russel Blackmore was $10. I have this information from Mr. Blackmore, so if I paid for ½ of North fence I would be paying wrong party. I would like to see this settled, as I have made this my home. If this last amount has to be paid I am not in a position to pay it yet. I now look forward to the Soldier Settlement Board to help me have a understanding about this place before spring if possible, as I think I am doing the right thing, or I doesn't intend to but any one, I have stated things as clear as possible to you, hoping the Soldier Settlement Board will do what they can to settlex this for me,
I remain, Sirs,

Your obedient servant,

Memorandum.

Mr. Hume.

N.W.¼ 15--1--14--W. 4th M.
Homestead of George A. Crawford.

Mr. Theodore Verburg held homestead and pre-emption entries for the West half of the Section above mentioned up to the 17th January, 1919, when cancellation of same took place.

One, Jacob Wollersheim, has paid the Homestead Inspector's valuation of the improvements upon his quarter-section, amounting to $90.00. So far as this quarter-section is concerned the matter would appear to be closed.

Up to the present, however, Mr. George A. Crawford has not paid the Homestead Inspector's valuation of the improvements upon his claim and the question now submitted is, whether it would not be advisable to tell all parties interested that the last Inspector's report received is final, and that Mr. Crawford should be further advised that ~~if he wishes to be allowed to retain possession of his Soldier Grant~~ it will be necessary for him to remit the required amount not later than the 1st May next.

Mr. Crawford's action in connection with this matter is open to criticism, as when he made entry on the 5th February, 1919, he took an affidavit that the improvements upon the land were only worth $190.00, made up as follows:-

Frame house	$75.00.
100 acres stubble	100.00.
½ mile fencing	5.00.
Barn	10.00.

Whereas the latest report from the Homestead Inspector, dated the 21st October, 1920, is to the effect that the improvements upon this quarter-section when Mr. Crawford obtained entry were worth $329.85.

Of the sum last mentioned, Mr. Crawford has paid $240.00, leaving a balance due of $89.85 with interest.

Mr.

Mr. Verburg has recently written the Department complaining of the delay that has occurred in collecting the value of the improvements made by him, and in refunding the sum so involved to him.

I have prepared a letter to Mr. Verburg in reply, which I would ask you to kindly read, as in it I have advised Mr. Verburg that the Department has decided to stand by Inspector Mayberry's latest report.

Mr. Crawford has also written the Soldier Settlement Board complaining that he has been overcharged by the Inspector for the improvements upon the land, and the Board draws the attention of the Department to this fact.

Homestead Inspector Mayberry seems to have gone into the case thoroughly and in his report gives full details as to how the different valuations are arrived at.

As it would appear that nothing can be gained by a further enquiry, I would suggest that Inspector Mayberry's report be accepted as the final one in connection with this matter, and that all parties interested be advised accordingly.

If you concur in this suggestion, I would recommend that Mr. Weld of the Soldier Settlement Board be furnished with a full report in connection with Mr. Crawford's case, together with a copy of the latest Homestead Inspector's report.

Sir,

S.E. ¼ 15-1-14- . 4th M.

Referring to your letter dated the 21st ultimo, addressed to the Soldier Settlement Board, Calgary, which has been transferred to this Department for reply, I beg to inform you that the question of the value of the improvements upon your soldier grant, the above described land, has been very carefully gone into by a Homestead Inspector other than the one who made the previous report, and after giving the facts of the case careful consideration it has been decided to consider this latest valuation as final, as there would seem to be nothing to be gained by making further enquiry.

I may say for your information that the Homestead Inspector who furnished this last report stated that he got the prices of the material in the buildings from the Pitison Lumber Company, Coutts, Alberta, from their 1917 price list, and that the prices for the pumping and curbing he obtained from the Dixon Root Total Company, Lethbridge. The Inspector also made due allowance for depreciation in the value of the buildings and trees between the time Mr. Verburg left the land and you made entry therefor.

In view of your inability to pay the balance due for those improvements at the present time, it has been decided to grant you an extension of time until the 1st June next, within which to pay this balance, subject to interest at the rate of seven per cent per annum.

Your obedient servant,

Homestead - George A. Crawford.
Cancelled H.E. - Theodore Verburg.

Your memo of the 7th instant, S.S.B. 30811, together with a copy of a letter addressed to you by Mr. George A. Crawford, duly received. I note that Mr. Crawford complains that the Homestead Inspector has over-valued the improvements that were on the above land when he obtained entry therefor, but I may say for your information that Mr. Verburg, the former entrant, has lodged a complaint that the Inspector under-valued the improvements in question.

It was on the strength of Mr. Verburg's complaint that the Department decided to place the matter in the hands of a Homestead Inspector other than the one who had previously reported, with a view to obtaining a definite report as to the character and value of the improvements affected, and as this report when received seemed to have been prepared with great care, the Department decided to accept the Homestead Inspector's latest valuation as final, and the parties affected have been advised accordingly.

In order that you may be in full possession of the facts I attach 2 sheets. in question hereto. I also attach a copy of a letter which is today being addressed to Mr. Crawford.

[illegible] and [illegible] price of barbwire would be [illegible]
[illegible] price for plain wire would be [illegible]
ting, a greater part, within the [illegible] . Then the labor
[illegible] more than half [illegible] of either would be at
[illegible] total cost [illegible] at least [illegible] .00 a mile all
[illegible] price it would be [illegible] to [illegible] a suitable
[illegible] over as the [illegible] .

Certainly after my [illegible] there would never be [illegible] there long
after I wish to be reasonable in this matter and I think that
getting a house [illegible] at a bargain. After making this deduction of
and this is what I claim that I am entitled to in connection with the
house.

Then there is still the barn there which is worth at the least
figure of $ 20.00 . also the out house which is worth [illegible] .00 .
The next item that I wish to take up is in connection
with the value that Mr. Agberry placed upon the breaking.
Certainly the breaking is at least worth the difference between
the raw prairie and the condition of the land at the time Mr. Crawford
filed. and the only reasonable way that I can see that this should be
figured would be to figure what it would cost to bring raw prairie and
this land that I had broke when Mr. Crawford filed to a state of cul-
tivation ready for crop.

First then we will take the raw prairie: To put raw prairie
ready for crop it would be necessary to break sod, which is the spring
double disced and [illegible] harrowed. This would have to be at least
would cost [illegible] per acre. Then it would be another [illegible]
per acre. or in other words it would cost [illegible] .00 per acre to put raw
prairie into condition ready for crop. And it is [illegible] about the [illegible]
of the [illegible] field.

[illegible] will be [illegible] to put [illegible] in condition for crop, all that
could be done would be to stubble plow [illegible] double narrow [illegible]
water would be [illegible] for the plowing and [illegible] per acre for the harrowing
or a total of [illegible] 4.00 for both.

I will now take up the item of the well which in my
affidavit I valued at [illegible] .00, and which Mr. Agberry valued at [illegible]
[illegible] a depreciation of [illegible] .00 or [illegible] .00.

I am going to figure this well at the same price that the other
wells in the community cost. The price for drilling and completing a well
in this community is [illegible] when the farmer or party having the well
drilled hauls the water used in the drilling operations and boarding
and lodging the driller while he is drilling. If however the party does
not do that an extra charge is made of [illegible] per foot making the total
cost of the completed well [illegible] per foot. I will also say that in the
drilling of wells in this community we (Verburg Bros.) have drilled

4486048

wells than anyone else in this community.

When we finished drilling the well on the above described land it measured 1[illegible] ft. deep, which at that time we thought would have been [illegible] .00 .

However I am informed that this well only measures 11 feet. In fact I think that that is as deep as this well ever was. However I am willing to let you say what is. and my statement can be verified by any driller that is acquainted with the conditions in this section of the country in regards to the drilling of wells.

This country is of sandstone formation , the depth of the sandstone varying in the different localities. when drilling our drills usually go through the sandstone in most cases sometimes not quite through it when the water is strong. if the drilling [illegible] the sandstone then the water is likely to rise in the sand or gravel and if the flow is strong then often [illegible] will run a gusher or several times before it will [illegible] . I have had this come on several feet in the well settling there gradually , however the water always comes up from the bottom or nearly so. With this explanation you can see where the well might seem after it is dug a while shallower that when same was first dug.

I can not see however why there should be a depreciation in connection with this well as same I understand it still is one of the best wells in the country. I still contend that the well on the above described land is worth $[illegible].00 and that if Mr. [illegible] and to let me down to my $[illegible].00 I would not get it [illegible] for less.

As regards to the last item of the fence will say that Mr. [illegible] placed the same valuation on it that I did namely $[illegible].00 for [illegible] of a mile.

Sum up these different items of improvements as follows:

[illegible] $[illegible].00 , barn $[illegible].00 , [illegible] $[illegible].00 . making $[illegible].00 [illegible] $[illegible].00 fencing $[illegible].00 making a total of $[illegible].00 . which I claim justly due me .

I also claim that I am entitled to interest on the above amount for two years as I can not see why Mr. Crawford or anyone else can expect me to furnish them their improvements for two years. I am sure that there is no one else in this community that ever loaned for two years and [illegible] some one put in their improvements for them.

All that I ask is [illegible] matter is the value of the improvements at the time I [illegible] to the place.

I trust that I have made [illegible] to you so that you will be able to attend very [illegible] I can assure you Mr. [illegible] . I can not see how a [illegible] inspector can come out and inspect improvements and not pay more attention to what it would cost to replace improvements. as was certainly [illegible] in my case they pay absolutely no attention as to what it would cost to replace improvements and I think that that should certainly be fairly [illegible].

I think that the department in this matter [illegible] I think that this matter has never been [illegible] by two homestead inspectors. Trusting that you will give this matter your most prompt attention and [illegible] I am, Yours truly,

COMMISSIONER Ottawa, 28th February, 1921.

MEMORANDUM.

Mr. Hume.

N.W.¼ 15--1--14-W. 4th M.
Soldier Grant-George A. Crawford.
Entry granted-5th February, 1919.
Cancelled homestead of Theodore Verburg.

S.W.¼ 15--1--14-W. 4th M.
Homestead of Jacob Wollersheim.
Entry granted-23rd January, 1919.
Cancelled pre-emption-Theodore Verburg.

Mr. Verburg, in a letter dated the 29th ultimo, protests that Homestead Inspector Mayberry has under valued the improvements made by him upon his former homestead and pre-emption, and the point now submitted is whether or not further enquiry should be made.

When Mr. Crawford made entry he took an affidavit that the improvements then upon the land were worth $190.00, and he paid this sum at the time.

Subsequently a report received from Homestead Inspector Wilcox, dated the 18th June, 1919, set out that the improvements in question were worth $240.00. Mr. Crawford was called upon to pay the balance, which he did.

Mr. Verburg protested the improvements had been under valued and Homestead Inspector Wilcox was called upon to look into the matter again. In a subsequent report dated the 15th June, 1920, he stated that the total value of the improvements when Mr. Crawford made entry was $648.75. (Report marked).

On the 7th July, 1920, Mr. Crawford was advised of the details set out in the Homestead Inspector's report and was called upon to remit the further sum of $408.75, or else furnish evidence under oath that the improvements had been under valued.

As Mr. Crawford had been granted a loan under the Soldier Settlement Act, Mr. Maber was advised of the standing of the case.

In July, 1920, Mr. Verburg called at the Department and as a result of his interview with the Acting Deputy Minister a Homestead Inspector, who had not previously looked into the case, was called upon to make full enquiry

as to the true value of the improvements made by Mr. Verburg on both quarter-sections.

In a report dated the 21st October, 1920, (marked) Homestead Inspector Mayberry set out that the improvements upon the N.W.¼ when Mr. Crawford made entry were worth $599.85.

The report is quite lengthy and indicates care in preparation.

The same Inspector reported that the improvements upon the South West quarter were worth $90.00. Mr. Wollersheim has paid this sum and the same is available for refund to Mr. Verburg on his furnishing evidence that the taxes were paid up to the time his entry was cancelled.

In a letter dated the 2nd December last, Mr. Crawford protested against being called upon to pay the ~~increased~~ valuation placed on the improvements by Homestead Inspector Mayberry. The case was submitted on the 16th December, 1920, and it was recommended that Homestead Inspector Mayberry's report be regarded as final.

On the 12th ultimo Mr. Verburg was fully advised as to the tenor of Homestead Inspector Mayberry's report, that is, that the improvements upon the South West quarter had been valued at $90.00, which sum had been collected, and that the improvements upon the North West quarter had been valued at $599.85, of which $240.00 had been collected.

Mr. Verburg was further advised that the sum available would be refunded, less any sum due for taxes, and he was asked to furnish information on this latter point.

A long letter of protest has now been received from Mr. Verburg, in which he claims that the improvements upon the North West quarter when Mr. Crawford obtained entry were worth $1169.45.

There are so many angles from which this matter can be viewed that it is impossible to follow Mr. Verburg's arguements to a logical conclusion, but there are two or three points I would call attention to, and that is the whole matter of refunds is one of grace and the Department has the right to decide whether or not a former entrant is entitled to any privileges in this regard.

Secondly, the person re-entering is only called upon to pay the actual value of the improvements at the time of re-entry, and on this ground alone I think Mr. Verburg's claim that the cultivated land was worth $4.00 per acre is excessive, as although it may have cost that amount to break it would not be worth that sum to the re-entrant, as it was apparently only disced in 1918 and not ploughed. According to Homestead Inspector Mayberry's report the land was broken in 1914, cropped in 1915, summer-fallowed in 1916, cropped in 1917 and disced in 1918.

Again, although Mr. Verburg may have correctly stated the cost of the material used in the house, it

does

does not follow that the building was worth this much when Mr. Crawford obtained entry in 1919.

In view of all the circumstances, I do not think at this late date it would be possible to obtain a better report than that furnished by Homestead Inspector Mayberry, and I, therefore, suggest that Mr. Verburg be informed to this effect, especially as Mr. Crawford was notified that his protest could not be considered.

R. H. Wilson.

Granted,
pro. as Mr Verburg is to
credit for the time he put in
this land in connection with
any new homestead entry he may
make.

Sir,

N.W.T 15--1--14-W. 4th M.

S.W.T 15--1--14-W. 4th M.
Homestead-Jacob Wollersheim.

I beg to acknowledge the receipt of your letter dated the 20th January last, with respect to the value of the improvements made by you upon the above described lands when Messrs. Crawford and Wollersheim were granted entries therefor, and in reply to say that in accordance with a request made by you when on a visit to the Department in July, 1920, a special enquiry was ordered in connection with this matter by a Homestead Inspector who had not previously looked into the case, and his report, which is dated the 21st October, 1920, would appear to have been carefully prepared after a full investigation had been made as to the prices charged for the material used in the buildings, therefore, in view of all the circumstances the Department has arrived at the decision that no good could be accomplished by having another investigation made, and that in view of this the report in question must be regarded as finally deciding the matter.

I may point out that in valuing improvements the Inspector is called upon to bear in mind not the cost of the material used in the construction of the said buildings but the actual value of the latter when re-entry was granted for the land.

It is, therefore, quite possible that you paid the sums mentioned by you for the material used in your house and stable, but it does not necessarily follow that the buildings were worth this amount when Mr. Crawford was granted re-entry.

As a matter of fact, Mr. Crawford has strongly protested against the necessity of paying the latest valuation of the Homestead Inspector, but he has been advised that his protest could not be allowed and that the Homestead Inspector's report must be regarded as final.

As you have been previously advised you will be refunded the money collected in this connection on your furnishing tax receipts showing taxes paid to time of cancellation of your entry, or if these taxes have not been paid you will be refunded the amount collected, less amount due for taxes, which will be transmitted to the Secretary-Treasurer of the Municipality.

Gentlemen:

OTTAWA DEPT. OF THE INT.

Re Thos. Verberg.
N.W. 15-1-14-W/4.

We are advised that a dispute has arisen between your Office and Mr. Verberg in connection with buildings on the above property, for which our local manager is undoubtedly responsible.

The writer happened to be in Lethbridge the early part of April, at which time he met Mr. Verberg and also our local yard manager, and it appears that the trouble is due to the fact that Mr. Mayberry, your homestead inspector, asked for a price on a certain sized building, and our local manager gave him a price on the construction considerably different from the one used on the buildings on Mr. Verberg's property. Consequently the price is somewhat less than the actual bill of materials used in the construction of Mr. Verberg's buildings, all of which material was supplied from our yard.

Had Mr. Mayberry asked us for a statement of the materials that was used in this particular building, we would certainly have supplied him with the information which has since been forwarded to you, but instead of that he apparently asked for a list of materials on the supposed building and is now governing his actions on that basis.

We do not want to see any injustice done to Mr. Verberg in this matter, and as we feel responsible for it ourselves, we are taking the liberty of writing to you to this extent, and we might say that we will be glad to supply you with the bill of materials for what was actually used in the construction of this building, and for which we believe Mr. Verberg is entitled to compensation.

Should you desire any additional information on this, we will be pleased to have you advise us direct at this office, and we can then go into it further.

Yours truly,

Sir,

S.J. 15-1-14-W. 4th L.

I beg to acknowledge the receipt of your communication of the 8th instant with respect to the value of the buildings erected by Mr. Theodore Verberg on his cancelled homestead entry above described.

In reply I may say that a special inquiry was ordered in connection with this matter by a Homestead Inspector and he valued the house erected by Mr. Verberg on his land at $[illegible]. I might point out that in valuing improvements the Inspector is called upon to bear in mind, not the cost of the material used in the construction of the said buildings but the actual value of the latter when re-entry was granted for the land. It is quite possible that Mr. Verberg paid more for the material used in the house but it does not necessarily follow that the buildings were worth this amount when re-entry was granted. As a matter of fact the present entrant protested against the necessity of paying the latest valuation of the Homestead Inspector but he was advised that his protest could not be allowed and that the Homestead Inspector's report must be regarded as final.

Your Company was previously advised that before they could secure a refund of the $77.51 for material supplied for the erection of buildings on this land it would be necessary to furnish evidence that the taxes assessed against the land in the name of Mr. Verberg had been paid or in lieu thereof a statement showing the arrears of taxes outstanding which will require to be paid from the amount collected for improvements before your application can be dealt with.

Dear Sir-

RE N.W. 15-1-14 W 4TH.

With reference to your letter of June 30th, as to the amount allowed for improvements on the above quarter section, I might say that in compliance with your request, we have now obtained statement of the taxes against the property which we are attaching hereto, one of which shows an amount due the Sexton Creek School District at Coutts, Alberta of $21.00 and one showing taxes to the Department of Municipal affairs at Etzikom in the amount of $52.74; deducting these amounts from the allowance of $204.85 which you have made should leave a balance sufficient to cover the $77.81 for material supplied.

I would be very glad to have you go in to t is matter and if our statements are correct, forward us a cheque to cover the amount of the order which you have in your file.

Sir,

Re S.E. 1/4 15-9-14- 4th Mer.

I am in receipt of your communication of the 6th instant in the matter of having refunded to you the balance remaining of the monies collected for irrigation and to have interest added thereto.

In reply I am to inform you that the matter of refunds is one of grace and the Department reserves the right to decide whether an entrant is entitled to the privilege of a refund and inasmuch as interest was not charged the present entrant for the monies already collected on this account, it will not be possible at this late date to further consider the matter.

I may inform you, however, that in view of Mr. Crawford's statement that he was unable to pay the balance due for improvements he was allowed until the 1st June to remit the amount owing subject to interest at the rate of seven per cent per annum. The Agent of Dominion Lands, Lethbridge, has reported any failure in this respect and by reason of a copy of this communication, the Agent is being instructed to allow the present entrant a further period of thirty days to remit the balance due, namely $219.88.

It is the practice of the Department before making a refund to request the settler to furnish evidence that the municipal and school taxes assessed against the land during the time same was held under entry has been paid up in lieu thereof a statement from the proper authorities showing the amount outstanding, must be paid by the Department from the monies collected for improvements.

Under the circumstances, it will not be possible to consider your application for a

refund or to pay to The Citizens Lumber Company, Limited, Winnipeg, Manitoba, the sum of $77.81 for building material supply until satisfactory evidence is submitted in the form of Tax Receipts or a statement of the municipal and school taxes which have accrued during the time you held entry for the land. In this connection I may inform you pre-emption entry was granted on the 5th June, 1912, and you procured homestead entry on the 26th November, 1912, consolidation of the entries having been carried out on the 16th January, 1919.

With reference to your statement that you have been charged interest on your Seed Grain and Relief liens for the full time, I may say that according to a statement of your account in the official file you were charged interest to the date repayment for the improvements was reported to the Department, namely, the 5th February, 1919. Your statement, therefore, that you have been charged interest for the full period would not appear to be according to the facts.

Sir,

W. ½ 15-14-[illegible] 4th Mer.,

I beg to inform you of the receipt of a statement issued from your Department on the 15th ultimo, Certificate Number A 8256, to Mr. Geo. Olson, in care of Citizens Lumber Company, Lethbridge, Alberta, showing arrears of school taxes to the end of the year 1920 amounting to $52.74.

In this connection I am to point out that Mr. Theodore Verburg procured homestead entry for the above land on the 30th November, 1912, cancellation of the entry having been carried out on the 16th January, 1919.

Under the circumstances, Mr. Verburg is not liable for school taxes during the year 1920 and I would ask you to be good enough to send here with as little delay as possible, a statement of the school taxes chargeable to Mr. Verburg's account during the time he held entry for the land.

Re N.W.¼ 15-1-14-W.4th M.
Soldier Grant - George A. Crawford.
Entry granted - 5th February, 1919.
Your Reference - 36615.

Cancelled homestead - Theodore Verburg.

When Mr. Crawford made the above entry he executed a statutory declaration that the improvements upon the land made by the former entrant were not worth more than $190.00. Subsequently on the report of a Homestead Inspector Mr. Crawford was called upon to pay an additional $50.00, which he did, making a total of $240.00 paid by him.

Mr. Verburg, the former entrant, protested that the improvements made by him on this quarter-section had been greatly under-valued and another Homestead Inspector was accordingly called upon to make a careful and detailed report. When this report came to hand it was found that the improvements upon this land, according to a careful estimate, were worth $599.85, when Mr. Crawford obtained entry.

Encl.

Since then the Department has been endeavouring to induce Mr. Crawford to pay the balance due, but up to the present without success.

I submitted this case for your consideration on the 16th November, 1920, and on the 23rd of that month you informed me that the matter had been referred to the District Superintendent of Calgary for the latter's information

In another memo dated the 23rd December, 1920, you advised me that it appeared from your records that Mr. Crawford had obtained practically the maximum amount which

W.E. Weld, Esq.,
Superintendent of Loan, Review & Records Branch, is
Soldier Settlement Board.

is provided by the Act for application to permanent improvements. In a memo dated the 17th January, 1921, (copy enclosed herewith) I furnished you with further details in regard to this case.

Since that date I have not heard from you in connection with this matter.

As Mr. Verburg is pressing for a settlement in connection with his claim, and as the amount involved is somewhat large, I would be glad if you would advise me as to whether your Board is in a position to render this Department any assistance in collecting this amount from Mr. Crawford. As you are no doubt aware the Department is debarred from taking cancellation proceedings against Mr. Crawford's entry, owing to the fact that he has obtained a loan under the Soldier Settlement Act.

In your memo above referred to, you stated that you had referred the matter to your District Superintendent for consideration, but up to date I have not been advised as to the terms of the report, if any, from that official.

Re:- N.W.¼ of 15-1-14-W.4th.M.
Soldier Grant - G.A. Crawford.

Cancelled homestead of
Theodore Verburg.

I beg to acknowledge receipt of your memorandum of the 14th instant covering the above described quarter section in which you refer to the balance owing by Mr. Crawford for improvements on the land when he made entry for same.

In this connection I would refer you to your memorandum of the 7th of July, 1920, in which you state that owing to an error on the part of your Homestead Inspector, the valuation made for the improvements on the quarter section referred to was for the amount of $240.

This was the valuation that must have been given by the agent of Dominion Lands at Lethbridge when the settler made entry on the land.

If he had been aware that the improvements would be valued at $549.00, no doubt he would not have made entry on the quarter section referred to, as the valuation was quite a large amount for a settler who desires to make entry on a quarter section where improvements have been made by the former grant.

Could not some consideration be given Mr. Crawford in connection with the balance owing for his improvements on the above described land, as apparently he was under the impression, when he made entry, that the valuation for the improvements was [illegible].

Explanation of foregoing:-

The above half section was formerly the homestead and pre-emption of Mr. Theodore Verbery in connection with which he performed improvements which have been valued by an official of the Department at $289.81. The lands have been re-entered for. The entrant for the South West quarter has paid $90.00 and the entrant for the North West quarter having paid $240.00, making a total of $330.00 paid to date for improvements. Of this amount $261.83 has been transferred to liquidate Mr. Verbery's seed grain relief indebtedness and $77.83 paid to the Citizens Lumber Company, Limited, Winnipeg, on order from Mr. Verbery. The amount entered on this requisition represents the accrued taxes properly chargeable against this land while held under entry by Mr. Verbery, a statement having been submitted on the 1st instant. This will leave on deposit to the credit of Mr. Verbery $16.82 and there is a balance due for improvements from the entrant for the North West quarter amounting to $358.85.

Dear Sir:- Re Geo. A. Crawford Re S[illegible] 4, 15- 1 1[illegible] 4th.

I am again writing you with reference when the above Geo. A. Crawford intends to pay the balance due in connection with the improvements on the above described land. In refering to your letter dated Jan. 17th, 19[illegible] you say there is still a balance due me of $35[illegible].95.

I was informed by the department at Lethbridge, some time ago that you had given Mr. Crawford till Oct 1st, 19[illegible] in which to make payment. I called at the office after that date and they informed me that Mr. Crawford had not yet made the payment. It is now nearly three years since Mr. Crawford took possession of the place and I do not think that I am getting a fair deal in this matter. I think that he should pay me interest on this money I do not see why I should have to pay for and prove up his land with my improvements. Mr. Crawford had a fair crop this year and I cannot see why he has not paid these. But I suppose he will keep from paying for them as long as he can. I have to pay 10 interest on all the money I owe and I certainly think Mr. Crawford should on what he owes me.

I bought a house here in Coutts in which to live and promised to pay for it out of this money and I told this man that the department had given Mr. Crawford till the first of Oct. to make this payment.

Would it not be possible for the department to advance [illegible] money and pay me off and then hold Mr Crawford to the same.

Please let me hear from you at once in this matter [illegible] raise some money in the next few days.

I think that I have been more than fair in this matter [illegible]

Your Ref.-3661f.

Referring to your memorandum of the 23rd ultimo, enclosing a copy of of yours of the 21th October last, I may say that the orifinal of the letter would appear to have miscurried as the same is not attached to the official papers in this Branch..

Mr. Crawford has been communicated with on different occasions with regard to remitting the balance owing for improvements, the particulars of which were given in my memorandum to you of the 14th October, but up to the present date he has failed to take any action in the matter and by concurrent mail he is being advised that the matter is again being referred to you with request that you will see your way clear to pay to this Department from the proceeds of the loan sufficient to liquidate the outstanding indebtedness.

It is observed in your memorandum you state Mr. Crawford has suffered from crop failure. In this connection I am to point out that according to a recent communication from the former entrant, Mr. Theodore Verburg, Mr. Crawford had a fair crop last year and he does not see any reason why Mr. Crawford should not complete payment for the improvements as he is in a financial condition to do so. Mr. Verburg further states that he has purchased the house in which he is at present residing and is depending upon payment for the improvements to meet his obligations in connection with the purchase price of his property and the party from whom he purchased is pressing him in the matter.

Under the circumstances it would seem that every effort should be made to liquidate Mr. Crawford's indebtedness to the Department in order that a refund may be granted to the former entrant and the matter closed.

Sir,

M.T. 15-1-14-4th M.

With reference to the balance owing for improvements in connection with your soldier grant entry for the land above described, I am to request you to advise the Department what your intentions are in the matter.

The former entrant is pressing the Department for a refund and by concurrent mail the Soldier Settlement Board is being furnished with full particulars in connection therewith and requested to take the necessary action to have the amount liquidated from the proceeds of the loan approved in your favour on the security of this land.

In view of the length of time which has elapsed since entry was granted you for this quarter section it is essential that you should give this matter your prompt attention and have the balance owing, namely, $339.66, remitted to the Department at the earliest possible date. and advise amount.

Your obedient servant,

Assistant Secretary.

George A. Crawford, Esq.,
Coutts,
Alberta.

The reports from the Inspectors showed Verburg neglected residence, with the exception of Inspector Woodlock who gave a favourable report in December 1917.

The Chief Homestead Inspector (Szatlowski) was then instructed to investigate---credited Verburg with only one six months term of residence (1912-13).

Final notice to Verburg to 1st May, 1918, to get into residence. Verburg declared, 25th April, 1918, that he was in residence.

Deputy Minister's memo 6th June, 1918, states that complaint has been made that Verburg only spends odd nights on the homestead. Inspector Scott reported, 31st July, 1918, homesteader working at Coutts.

Verburg then alleged that he had enlisted and was given thirty days to show either enlistment or occupation of land. Case submitted 27th November, 1918, and the Minister placed the following note on the file:-

"Clearly he is not complying (from his letter); hold and resubmit thirty days from receipt of his last letter."

Resubmitted 3rd January, 1919. (Reports marked). Cancellation authorized. Re-entry granted C.A. Crawford and Jacob Hollersheim as shown at head of this report.

Numerous protests were received against cancellation. J.A. Iannarmann, Assistant Inspector of Dominion Land Agencies, investigated the case and J.W. Martin, Inspector of Agencies, submitted a covering report. (Particulars in Departmental memo 2nd September, 1919, marked). After consideration it was decided to confirm cancellation of Verburg's entries.

By Deputy Minister's memo of the 19th August, 1920, it was ruled, after discussion with the Minister, that Verburg should be given credit in connection

--with any--

with any new entry he may make, for duties performed in connection with the cancelled entry that are not disputed. This allowance was made on the distinct understanding that Verburg should complete the balance of the duties without fail, at least one term of actual residence to be performed on the homestead which he might take up.

Matter of improvements:-

S.W.¼ :- After several reports the value of Verburg's improvements on this quarter was fixed at $90.00, which Hollersheim paid, the last instalment being received in December 1920.

N.W.¼ : There was considerable difficulty about the valuation of the improvements on this quarter (for particulars see Departmental memo 8th December, 1920, marked). Crawford paid $240.00, being the valuation by Inspector Wilcox made in June 1919. Verburg protested and Wilcox in 1920 increased his valuation to $646.75; improvements re-valued by Inspector Mayberry in October 1920, at $599.85. Crawford, the entrant, absolutely refused to pay the balance owing by him, $359.85. As Crawford had obtained a soldier loan, this Department could not cancel his entry. The matter was taken up with the Soldier Settlement Board who apparently sided with Crawford in his objection to the value placed on the improvements. Verburg's claim, I might say, was $1,160.45.

Case submitted 25th February, 1921, (memo marked) and decision given to stick to Mayberry's valuation notwithstanding Verburg's protest against it.

As Verburg owed $201.50 for seed grain, this amount was transferred to the credit of the Receiver-General. $77.81 was refunded to the Citizens Lumber Company on an order from Verburg. $34.17 was paid for back taxes, due by Verburg.

This left $16.52 due him besides the amount which Crawford refused to pay.

--The Soldier--

The Soldier Settlement Board, 23rd November, 1921, represented Crawford suffered from crop failure and asked for consideration. Crawford was notified, 16th December last, that he must remit. The Soldier Settlement Board was also notified that every effort must be made to secure payment so that a refund could be granted to Verburg. The Board in reply promises to take the matter up with the District Superintendent at Calgary.

Statement of amounts--

Paid by Fellersheim	$90.00
Paid by Crawford	$240.00
Total	$330.00

Transferred to seed grain account	$201.50
Paid Citizen Lumber Company	$ 77.81
Paid back taxes	$ 34.17
Balance in hands of Department for Verburg	$ 16.52
Total	$330.00

Almost half the amount awarded Verburg has been paid out on his account. It is admittedly unfortunate that Crawford has evaded payment so far of the amount justly due by him and I recommend that the matter be brought at once to the attention of the Soldier Settlement Board with instructions to get after Crawford and make him come to time.

From Crawford's point of view there is this to be said, that he paid $240.00, the amount demanded by the Department. Later the valuation was increased to what he claimed was an unreasonable sum; then it was decreased to $599.85 because he protested. The variations in the valuation are undoubtedly too great and lend some weight to Crawford's attitude. Nevertheless, the last valuation is based on a very detailed and careful report and there is little doubt that Crawford is fully entitled to pay the amount of the valuation fixed by that report.

Respectfully submitted,

The Soldier Settlement Board

Cancelled homestead & pre-emption,

Now held:-
N.W.¼ -- soldier grant, E.A. Crawford.
8th February, 1919.
S.W.¼ -- homestead, Jacob Wollersheim.
23rd January, 1919.

I beg to return your reference without number, being a protest by Mr. Verburg against the treatment he has been given by the Department.

Mr. Verburg's protest while indirectly referring to the cancellation of his entries, deals mainly with the delay in giving him a refund of the value of his improvements.

As regards cancellation, this was before the Department on many occasions. Mr. Verburg had held his entries since 1912 and proceedings were taken in 1916. Entries cancelled 1916.

Mr. H.C. Cuttle conducted an investigation under oath. (Particulars in Departmental memo 9th March, 1917, marked).

Entries reinstated, six months further residence required, Verburg duly notified.

Deputy Minister's memo, 1st June, 1917, calls for a further Homestead Inspector's report. Cancellation proceedings renewed on behalf of Jacob Wollersheim.

13th February.1922.

Dear Mr.Maber,

With reference to the soldier grant entry of Mr.C.A.Crawford for the North West quarter of Section 15, Township 1, Range 14, West 4th Meridian, I may say that after some dispute with regard to the value of improvements effected by the former entrant, Theodore Verburg, it was decided to fix such valuation at $599.85. In making entry Mr.Crawford paid $240.00 which was the amount of the first valuation and a further inspection was made at which the improvements were valued at $648.75. This was protested by Crawford and on another inspection the valuation was lowered to $599.85, which left a balance of $359.85.

On the 30th August last the Agent of Dominion Lands at Lethbridge, acting under instructions, gave Mr.Crawford thirty days from that date within which to remit the aforesaid balance with interest at seven per cent from the 5th February.1919, but so far payment has not been made.

I understand that the matter of Mr.Crawford's ability to pay this money has been the subject of an investigation by the Board and that this Department has been requested to consider an extension of time owing to crop failure. Here it merely a question of payment as between Crawford and the Department, no serious objection would be raised to an extension of time under the circumstances, but we have to consider the

.....claims.....

claims of the former entrant, Theodore Verburg, the man responsible for the improvements. In a recent letter to the Minister Mr.Verburg claims to be seriously handicapped by non-payment of this money which in anticipation of he has undertaken other commitments and is now embarrassed through not having the necessary funds. Such being the case the Department would hardly be justified in granting Crawford a further extension of time. He is in enjoyment of the improvements and viewing the matter from Verburg's point of view he should pay for same.

It is suggested that if Mr.Crawford is without the necessary funds at this time to discharge his indebtedness, that the Board come to his assistance by an additional loan and I would suggest that you explain the matter fully to Mr.Crawford, pointing out particularly that the Department mainly desires settlement for the benefit of the former entrant, and request him to at once consider the advisability of putting in an application for an additional advance, on the strength of which you would be enabled to proceed under your regulations. Some little pressure should, I think, be brought to bear on Mr.Crawford in this matter in order that he may not lightly refuse to co-operate with the Board and the Department in reaching a settlement.

OTTAWA, 15th February, 1922.

Dear Sir:

Re: G. A. Crawford, #736563,
N.W. 15-1-14, W. 4th.
Your reference #1552.

With reference to your letter of the 17th ultimo, wherein you recommend that if possible the payment by Mr. Crawford for the improvements effected on the land by the former entrant be deferred until such time as he has had a paying crop and will be in a better position to liquidate his indebtedness, I may say that we are now in receipt of a letter from the Department of the Interior, pointing out that were it merely a question of payment as between Crawford and the Department, no serious objection would be raised to an extension of time under the circumstances, but the Department has to consider the claims of the former entrant, Theodore Verburg, the man responsible for the improvements.

In a recent letter to the Minister, Mr. Verburg claims to be seriously handicapped by the non-payment of this money, in anticipation of which he has undertaken other commitments, and is now embarrassed through not having the necessary funds. Such being the case, the Department feels that it would hardly be justified in granting Crawford a further extension of time. He is in enjoyment of the improvements, and viewing the matter from Verburg's point of view he should pay for the same.

Under the circumstances, it has been decided to ask you to be good enough to take this matter up with Mr. Crawford, pointing out particularly that the Department mainly desires settlement for the benefit of the former entrant. You should request him at once either to pay the amount required out of private funds or to request the Soldier Settlement Board to pay this for him and charge the amount to his account. Please report progress.

Dear Mr. Amber,

Referring to your letter of the 15th February last, your file No.36615, under cover of which you sent me copy of your letter to the District Superintendent of the Soldier Settlement Board, Calgary, concerning what action should be taken to collect payment of the balance due by Mr. G. A. Crawford for improvements made on his soldier grant the North East quarter of Section 15, Township 1, Range 14, West of the 4th Meridian, by the former entrant, Theodore Verburg. I shall be glad if you will let me know the present position of the matter.

29th March, 1922.

Dear Mr. Maber,

I am in receipt of your letter of the 28rd instant, enclosing copy of one from your District Superintendent at Calgary, in reference to the case of Mr. G. A. Crawford, your file #36615, who owes the Department a considerable sum of money for improvements on his soldier grant, the North West quarter of Section 15, Township 1, Range 14, West of the 4th Meridian.

In this connection I may say that Mr. Theodore Verburg has again communicated with the Minister, making urgent request for an immediate settlement for improvements, but nothing can be done until Mr. Crawford pays up.

I observe that your District Superintendent has received no response from Mr. Crawford to his requests for a statement as to his intentions and that he has again written Mr. Crawford in regard to the matter, pointing out that it is absolutely necessary that the matter should receive his immediate attention. However, there is no guarantee that this action will be fruitful of results. If Mr. Crawford ignores this latest request, or refuses to pay, giving as his reasons that he has not got the money, what does the Board propose doing? We feel that the Board should be held responsible for payment for improvements .....

S. Maber, Esq.,

improvements where a loan has been granted, and this I think you will agree is a perfectly legitimate position for us to take.

Can you give me any assurance, therefore, that the balance due for improvements will be forthcoming within say sixty days, in order that we may give Mr. Verburg a definite promise one way or the other. If Mr. Crawford will not or can not pay, could the Board as a special case undertake to make an advance on behalf of the homesteader concerned and charge it to his account?

Were Mr. Crawford to be salvaged, the Board would in any event be required to complete the payment of all outstanding indebtednesses before the land could be transferred by a Vesting Order.

I shall be glad to have your reply in this connection at the earliest possible date in order that the Minister's correspondent may be advised as to what the Department will be in a position to do for him.

Yours very truly,

Deputy Minister.

Ottawa, Ontario.
30th March, 1922.

Dear Mr. Norburg.

With reference to your letter of the 28th February last, I may say that the delay in replying is due to the fact that we have been in correspondence with the Soldier Settlement Board, with a view to expediting payment of the balance due for improvements on the North West quarter of Section 15, Township 1, Range 14, West of the 4th Meridian.

Mr. G. A. Crawford, does not appear to be in a financial position to liquidate his indebtedness on this account at the present time, and unless we can make some arrangement whereby the Board will advance the money, it will be necessary to give Mr. Crawford an extension of time until next fall in the hope that he may be able to pay up if the crop is good.

However, the matter is by no means closed in so far as negotiations with the Soldier Settlement Board are concerned, and it is expected that the Department will be in a position to further consider your claims in due course.

It is assumed you fully understand that the matter of refunding to a former entrant, the amount of the value of his improvements, is a matter of grace rather than of right.

Yours faithfully,

Theodore Norburg, Esq.,

Soldier Grant - George A. Crawford.
Your ref. 70110l.

Referring to the failure of George A. Crawford to remit the balance of $389.65 owing for improvements, I am to instruct you to institute cancellation proceedings against his Soldier Grant entry for the above described land notwithstanding that the same is the subject of a "charge" in favour of the Soldier Settlement Board.

When sending the notice to Mr. Crawford please exercise care that he is fully informed that the cancellation proceedings are being taken for failure to complete payment for the improvements which were on the land at the time he secured entry.

In dealing with this case it is desired to bring to your attention that the entrant must either pay the balance due for improvements or give a written undertaking under oath to meet the liability after harvest this year, and if he fails to pay or give such undertaking the entry is to be cancelled when the sixty days are up notwithstanding that he may be in residence on or improving the land.

Please note, however, in the event that cancellation of the entry should be carried out no disposition is to be made of the land without specific instructions from the Department.

Memorandum.

Mr Nourse,

Re - N.W.¼ 15-1-14 W.4th M.
Soldier Grant - George A. Crawford
Entry granted 5th February, 1919.

Cancelled Homestead - Theodore Verburg

There has been considerable correspondence in connection with the question of the amount Mr.Crawford, the present entrant, should be called upon to pay for the improvements made by the former entrant, Mr.Verburg.

There have been several conflicting reports furnished by our Homestead Inspectors as to the true value of the improvements in question, the latest being a report by Homestead Inspector Maybury that the said improvements were worth $599.85 when Mr.Crawford made entry.

Mr.Verburg has protested all along that the improvements made by him have been under valued, while Mr.Crawford has been equally emphatic in asserting that the improvements in question had been over valued.

Mr.Crawford has paid $240.00 which he asserts is the full value of the improvements, but has up to the present steadfastly refused to pay the balance due.

The matter was submitted in a memorandum dated the 28th February, 1921, and it was therein suggested that in view of all the circumstances, it did not appear that it would be possible to obtain a better report than that furnished by Homestead Inspector Maybury, and that therefore Mr.Verburg should be informed to this effect, as Mr.Crawford had already been notified that his protest could not be considered, and that he would have to pay the full amount demanded, ie, $599.85. On this memorandum you made the following endorsation:

"Recommended, especially as Mr.Verburg is to get

- credit -

"credit for the time he put in on this land in connection "with any new homestead entry he may make."

Your recommendation was approved by the Deputy Minister, (Memorandum marked).

All parties interested were advised in accordance with the foregoing.

The matter has been thrashed out with the Soldier Settlement Board, and the latter claims that it has no means of forcing Mr.Crawford to pay the amount due, as the proceeds of a loan which the latter had obtained have been exhausted.

In a memorandum dated 24th April, 1922, the Deputy Minister gave instructions that cancellation proceedings were to be instituted against Mr.Crawford's Soldier Grant entry owing to failure to pay the full value of the improvements, this action to be taken notwithstanding that a loan had been granted under the Soldier Settlement Act, and a charge created against the land on that account.

The Deputy Minister further instructed that Mr.Crawford must either pay the balance due for improvements, or give a written undertaking under oath to meet the liability after harvest this year, and if he failed to pay, or give such undertaking, his entry was to be cancelled when the sixty days were up notwithstanding that he might be in residence or improving the land. (Memorandum marked)

Cancellation proceedings were instituted against Mr.Crawford's entry on the 2nd May, last, but up to the present Mr.Crawford has failed to pay the balance due for the improvements, or to give the undertaking required by the Deputy Minister. Instead, the Agent forwards here four declarations executed by settlers in the vicinity that improvements upon the land at the time Mr.Crawford made entry were worth from $252.60 to $327.40.

It appears to me that Mr.Crawford has advanced no good reason why the decision endorsed on the memorandum dated the 28th February, 1921, should be revised, but in view of the instructions contained in the Deputy Minister's memorandum dated the 24th April last, I am submitting the matter for instructions as to whether Mr.Crawford's entry should now be cancelled, whether he should be granted a further extension of time within which to make payment, or whether further enquiry should be made as to the value of the improvements effected.

Soldier Grant - George A. Crawford
Cancelled homestead - Theodore Verburg

The improvements made by Mr.Verburg on the above described land were valued by a Homestead Inspector at $599.85 when Mr.Crawford was granted entry.

On account of the value of the improvements Mr. Crawford has paid $240.00 which he asserted was the full value of same, and up to the present time has failed to pay the balance due.

There has been considerable correspondence with regard to this matter between your Department and this Department, but I would state briefly that Mr.Verburg has protested all along that the improvements made by him have been undervalued, while Mr.Crawford has been equally emphatic in asserting that the improvements in question have been overvalued.

Under instructions from the Deputy Minister, cancellation proceedings were instituted against Mr.Crawford's entry on the 2nd May last, but up to the present Mr.Crawford has failed to pay the balance due for the improvements, or to give any undertaking that he would do so.

You are no doubt aware that a loan has been granted Mr.Crawford under the Soldier Settlement Act, but I understand that the proceeds of such loan have been exhausted.

Before proceeding to take final action in regard to the cancellation proceedings pending, I would be glad to have the views of your Board in regard to this case, and also any suggestions that the Board may be pleased to make.

Dear Mr. Hume:

Re: N.W.¼ 15-1-14 W. 4th Mer.
Soldier Grant - George A. Crawford,
Cancelled homestead - Theodore Verburg,
Your ref. 2055015.

Referring to your letter of the 17th July I would say that we have heard nothing further from the settler in this case and if we take any steps towards payment it must be in opposition to his authority. It will, therefore, be necessary for us to ascertain definitely whether we have power to pay in such case.

We think the next step should be to make the proposed submission to the Justice Department as mentioned in the third last paragraph of the Minister's letter of the 24th April. Your Department might, at the same time, desire to make a statement to the Justice Department in order that the facts may be fully set before that Department from your point of view.

We will withhold making the submission to the Justice Department until the receipt of your reply.

Your obedient servant,

[illegible]

Secretary.

H. E. Hume, Esq.,
Assistant Deputy Commissioner,
Dominion Lands Branch,
Dept. of the Interior,
OTTAWA.

Ottawa, Ontario.
24th April, 1922.

Dear Major Barnett,

I have your letter of the 12th instant, in reference to the matter of the improvements on the North West quarter of Section 15, Township 1, Range 14, West of the 4th Meridian, at the time George A. Crawford made entry for the land as a Soldier Grant, namely the 5th February, 1919.

While I am satisfied that the Board is doing its utmost to find common ground with the Department on which to bring this matter to a satisfactory conclusion, I am of the opinion, nevertheless, that primarily the Board is responsible and must, therefore, take the initiative inasmuch as Mr. Crawford is a "settler" under the provisions of the Soldier Settlement Act and has been granted a loan on the security of the land thus rendering it impossible for the Department to cancel the entry without seriously impairing the Board's security for the advance.

I observe that you sum up the position of the Board by suggesting a reference to the Department of Justice on the two following points:-

1. Is the entry liable to cancellation in this case because of non-payment of the further amount claimed?

2. Have the Board the power to pay if the settler refuses?

In regard to the first point, Sub-section 5 (b) of Section 11 of the Dominion Lands Act as amended 1918, Chap. 19, Section 2, is unquestionably operative in this case.

Major John Barnett,
Chairman,
Soldier Settlement Board,
Ottawa.

notwithstanding

notwithstanding anything contained in Sections 26 and 27 of the Soldier Settlement Act and the Department in the past has only refrained from taking cancellation in cases of this kind owing to our desire not to embarrass the Soldier Settlement Board in any way in its administration of the Soldier Settlement Act. The fact that Mr. Crawford has the use and benefit of the improvements on the land would seem to dispose of any question as to the right of the Department to call upon him for a further payment following a re-valuation of the said improvements - the valuation in the first case having been made by an officer without much previous experience in that line of work and who admits having unwisely accepted the word of others as to the value rather than making a personal inspection - which he subsequently rectified to the entire satisfaction of the Department.

In regard to the second point raised in your letter I may say that in my judgment this is a matter which the Board itself should take up with Justice if there is any question as to the powers of the Board under your legislation.

The matter has been given further consideration and it has been decided that provided Crawford will acknowledge his indebtedness to the Department and give a promise to pay next autumn, means will be found to protect his entry in the meantime. As a step in this direction it is proposed to institute cancellation proceedings and issue him notices to show cause allowing him sixty days within which to pay the balance of $359.65 for improvements or give a written undertaking to pay after the harvest this year.

There is no wish to unduly harass or embarrass Mr. Crawford provided he on his part will admit the legality of the Department's claim. If he does not pay and refuses to give the desired undertaking, his entry will be cancelled at the expiration of sixty days, notwithstanding that he may be in residence but in that event the Department will be prepared to consider any representations you may have to make on his behalf before disposition is made of the land.

Yours faithfully,

OTTAWA, 14th August, 1924.

COMMISSIONER

Sir,

Re Crawford entry

I have your letter of the 12th inst. re the above entry and will proceed to deal with the matter as you suggest.

Crawford has paid $10., which was the [illegible] on the improvements by an Inspector [illegible] Crawford's entry; that refutes [illegible].

The Deputy Minister's memo of the 16th April last, agreed, instructed that cancellation proceedings be taken against Crawford. It was ruled that he must either pay or give a written undertaking under oath to meet the liability after harvest this year, otherwise his entry is to be cancelled even though he may be in residence.

Proceedings were taken accordingly 2nd May last. Crawford has submitted four declarations by settlers in the vicinity to prove that the improvements were not worth the Inspector's valuation.

The case was submitted on the 16th ultimo and the Acting Deputy Minister instructed that the Soldier Settlement Board be asked if they has any suggestion to offer.

The Board has submitted a commission to the Justice Department and refer to a letter of the Minister's dated the 24th April, which does not appear on the official file.

I understand the Board in its correspondence with the Minister raise the questions:-

(a) [illegible] this entry be legally cancelled in view of the fact that Crawford paid the amount demanded of him at the time the said entry?

(b) Has the Board the power to pay the amount [illegible] by this Department without Crawford's consent?

I suggest that a copy of the Minister's letter be placed on the official file for future guidance

and.....

J.B. Greenway, Esq.,
Commissioner of Dominion Lands,
O t t a w a.

and that a reference be prepared to the Department of Justice giving the point of view of this Department so that the same may be [illegible] the Department of Justice in connection with the statement proposed to be submitted to that Department by the Soldier Settlement Board. In order to enable the Justice Department to deal with the question whether or not the Board has the right to pay the amount, it would be advisable that there should be a full statement before Justice of all the facts from the point of view of this Department.

A full statement of the facts will be found in the Departmental report of the 14th July last, mentioned.

Respectfully submitted.

MEMORANDUM

Re N.W.¼ 15-1-14-W.4th M.
Soldier Grant - George A. Crawford.
Entry granted - 5th February, 1919.
Cancelled Cancellation of Verburg Entry

The Deputy Minister has issued instructions that you are to be furnished with a statement with respect to Mr. Crawford's connection with the above described land, and I have, therefore, prepared a synopsis for your information.

After Mr. Verburg's entry was cancelled Mr. George A. Crawford was granted entry, and when making the same he took an affidavit that the improvements then upon the land, which had been made by Mr. Verburg, were worth $190.00.

After this entry was cancelled, in accordance with the usual practice a Homestead Inspector was instructed to visit the land with the object of furnishing an accurate report as to the value of the improvements in question.

This action was taken and the report subsequently received from Homestead Inspector Wilcox dated the 18th of June, 1919, set out that the improvements made by Mr. Verburg, which were upon the land when Mr. Crawford was granted entry, were worth $240.00. Mr. Verburg was thereupon called to pay the balance due, amounting to $50.00, which he did.

Mr. Verburg was informed of the new valuation and later protested that Homestead Inspector Wilcox had undervalued the improvements, and the latter was accordingly called upon to again look into the matter. In a further report dated the 15th of June, 1920, the Inspector stated that the value of the improvements upon this land when Mr. Crawford made entry was $648.75.

On the 7th of July, 1920, Mr. Crawford was advised of the details set out in the Homestead Inspector's report, and was called upon to remit the further sum of $408.75, or else furnish evidence under oath that the improvements had been undervalued.

In July, 1920, Mr. Verburg called at the Department and, as a result of his interview with the Acting Deputy Minister, another Homestead Inspector was called upon to look into the matter.

Homestead Inspector Mayberry in a report dated the 21st of October, 1920, set out that the improvements upon Mr. Crawford's homestead when he made entry were worth $599.85. This report is quite lengthy and indicates careful enquiry.

[illegible] the 11th of March last the Deputy Minister wrote the Secretary of the Soldier Settlement Board to the effect that it was absolutely necessary that the Board should make arrangements for the immediate payment by Mr. Crawford of the balance due, and that failing immediate payment of the amount claimed that the Board should proceed to realize on the security held by the Board within fifty days. The amount due is [illegible] and a reply would be required.

Instructions were accordingly issued on the 2nd of May and Mr. Crawford granted sixty days within which to pay up.

Instead of paying the amount due Mr. Crawford submitted a number of declarations purporting to set out that the improvements under discussion were not worth the sum demanded.

The Chairman of the Soldier Settlement Board [illegible] of the Board of Supervisors to reference to the Department of Justice on the following points:-

1. Is the entry liable to cancellation in this case because of non-payment of the further amount claimed?

2. Have the Board the power to pay if the settler refuses?

You will observe that in the Minister's letter of the 26th April last addressed to the Chairman of the Board, he intimates as follows in regard to these points:-

"In regard to the first point, sub-section 5 (1) of section 11 of the [illegible] Act as amended [illegible], page 11, section 2, is to mention- ally overrule [illegible] anything contained in section 11 and 27 of the Soldier Settlement Act and the Department in the

With regard to the second point raised in your letter I may say that in my judgment this is a matter which the Board itself should take up with [illegible] if there is any question to be the powers of the Board under [illegible].

It has now been decided that the Board will not forth with the second point above mentioned has been made that this decision might at the same time submit a statement to the Board fully set before your Department from the point of view of the Department of the Interior.

You will observe that modifications were recently issued to have a statement prepared and sent to you in order that you might draft a letter for the Deputy Minister's signature, addressed to the Deputy Minister of Justice.

OTTAWA.

August 30, 1922.

Dear Mr. Newcombe,

Re NW¼ 15-1-14--W. 4th M.

This land was held under entry by Theodore Verburg and the entry was cancelled on the 16th January, 1919. George A. Crawford applied for a Soldier Grant entry for the same land on February 5th, 1919, stating under oath in his application that Verburg's improvements were worth $190.00, which he paid upon being granted entry. A Homestead Inspector subsequently made a valuation of these improvements and increased Crawford's estimate to $240.00, which Crawford paid. Verburg protested that the amount was too small and the Homestead Inspector revalued the improvements at $648.75. Crawford protested that this valuation was too large and after considerable correspondence and interviews, Homestead Inspector Mayberry was sent to make a final valuation, which he did, going fully into all sides of the question and reporting that the improvements when Crawford made entry were valued at $599.85. Crawford has refused to pay the difference between this sum and $240.00, which he has already paid.

Cancellation has therefore been instituted as provided for in paragraph "B", sub-section 5, section 11 of the Dominion Lands Act, as amended by chapter 19, section 2, 1918. Crawford has obtained a loan from the Soldier Settlement Board, all of which has been expended, leaving nothing with which to pay the balance of the improvements. The question, therefore, arises as to whether

A.- Entry is liable to cancellation because of non-payment, as provided in the section

E. L. Newcombe, Esq., M.A., C.M.G., K.C., L.L.D., of.....
Deputy Minister of Justice,
Ottawa.

of the Act, in spite of the fact that it is covered by a loan in the Soldier Settlement Board.

P.- Was the Board power to pay to protect its interests though the loan has been expended.

This Department has taken a stand that notwithstanding anything contained in Sections 26 and 27 of the Soldier Settlement Act, this Department can take action under sub-section 5 (3) of section 11, of the Dominion Lands Act, above quoted. And as Crawford has used and benefitted by the improvements, this Department contends it has the right to call upon him for payment following a revaluation of such improvements, notwithstanding he paid all we asked him to pay in the first place.

This matter is being submitted to you by the Soldier Settlement Board, together with their question as to whether or not they have power to make an additional payment to safeguard their loan, but it was agreed that this Department might also bring the matter to your attention in order to present its views of the case.

Yours very truly,

Deputy Minister.

OTTAWA. 29th September 1922.

Cory;

I have had under consideration the case submitted your letter of 30th ultimo with relation to the cancelled entry of Theodore Verburg for which entry was subsequently granted to George A.Crawford,a returned soldier. It seems that Verburg during his occupancy had made improvements,and the case submitted is concerned with a question as to how much in the circumstances Crawford should pay for the improvements. Crawford appears to have complied with the provisions of Subsection 5 of Section 11 of the Dominion Lands Act by paying the value as found by a homestead inspector,but upon the assumption, as I infer,that the finding of one homestead inspector was subject to review by another,two subsequent valuations have been made,and in the result the last valuation exceeds the first by a considerable amount which Crawford is unwilling to pay,and upon this situation some questions arise which you submit for my opinion. I have however been unable to discover any provision subjecting the valuation of a homestead inspector to appeal or review, and as there is no suggestion of fraud or irregularity in the proceedings leading up to the first valuation I do not perceive why it should not be regarded as conclusive. Your letter seems to take it for granted that there is a right of review,and that one homestead inspector may vary the finding of another,and you speak of the third valuation which was made by Inspector Mayberry as final. If there be

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
O t t a w a.

be any statutory authority for this I shall be glad if you will direct my attention to it, as in the absence of statutory authority I would be disposed to think that the valuation has been concluded by the original finding.

Yours very truly,

COMMISSIONER

OTTAWA, 5th October, 1922.

MEMORANDUM

Mr. Hume

Re N.W.¼ 15-1-14-W.4th M.
Soldier grant - George A. Crawford.
Entry granted - 5th February, 1919.

Cancelled homestead - Theodore Verbury.

This case has been submitted so often that it [illegible] necessary to again recite the facts. Your memorandum of the 18th of August last contains practically all the details necessary for a proper consideration of the matter.

I may say, however, briefly that neither Mr. Verbury, the former entrant, nor Mr. Crawford, the present entrant, are satisfied that the valuation placed upon the improvements made by Mr. Verbury is fair and just.

When Mr. Crawford was granted entry he paid $190.00, this being his own valuation of the improvements then upon the land which had been made by Mr. Verbury.

On the 18th of June, 1919, Homestead Inspector Wilcox valued the improvements at $[illegible]. Mr. Crawford was advised that he would have to pay this further sum and did so.

Verbury protested and a further report was called for.

On the 15th of June, 1921, Homestead Inspector Wilcox increased the valuation of the improvements to $648.75. Mr. Crawford was called upon to pay the difference between $[illegible] and $648.75, but refused to do so.

Further enquiry being considered necessary, a report was obtained from Homestead Inspector Mayberry on the 21st of October, 1921, which reduced the valuation of the improvements to $599.85.

As this report appeared to have been prepared after careful enquiry as to cost of material, etc. and cost of construction, the Department has accepted such report as indicating the true value of the improvements as far as it was possible to get a definite opinion on this point.

Mr. Crawford has refused to pay, and the Soldier Settlement Board, having granted Mr. Crawford a loan on the security of this land, has been writing the Department on his behalf. It appears that the proceeds of the loan have been exhausted and that

the

the Soldier Settlement Board finds itself unable to make any further advances to Mr. Crawford in order to pay the additional amount due for improvements.

The Soldier Settlement Board is not satisfied that the Department had the power to increase the price of the improvements after having notified Mr. Crawford that $[illegible] was the Homestead Inspector's valuation of such improvements, and the Board suggested a reference to the Department of Justice on two points,

(1) Is Mr. Crawford's entry liable to cancellation because of non-payment of the further amount claimed.

(2) Have the Board the power to pay if the settler refuses.

On the 30th of August last the Deputy Minister wrote the Deputy Minister of Justice asking for his opinion on these two points.

It was explained to Mr. Newcombe that this Department has taken the stand that notwithstanding anything contained in Sections 26 and 27 of the Soldier Settlement Act, this Department can take action under sub-section 5 (B) of section 11 of the Dominion Lands Act, and it was further pointed out that as Mr. Crawford has used and benefitted by the improvements this Department contends it has the right to call upon him for payment following a revaluation of such improvements, notwithstanding he paid all we asked him to pay in the first place.

Mr. Newcombe's opinion has now been received and is attached to the file immediately hereunder. Such opinion is in effect that the first report of an Inspector should be regarded as final and that the Department has no power to review the findings of an Inspector, and that no Homestead Inspector may vary the findings of another. Mr. Newcombe states that if there is authority for other action he would be glad to have his attention drawn to it.

The authority under which a report from a Homestead Inspector is called for is contained in sub-section 5 of Section 11, which reads as follows:-

"A person applying for entry shall declare, before being "granted entry, what improvements, if any, there are upon "the land with respect to which his application is made, "and shall pay the value of such improvements, except those "made by himself, subject to valuation of same by a Home-"stead Inspector".

No provision is made as to the action to be taken in the event of the present entrant or the former entrant protesting the accuracy of the Homestead Inspector's valuation, neither is there anything in the Act so far as I can see requiring the Department to regard the Homestead Inspector as having the last say in the matter. The experience of the Department has been that it is very often necessary not only to call upon a Homestead Inspector to either confirm or revise his previous report, but also, on account of protests being made that a Homestead Inspector has not been fair in his dealings, to have another Homestead Inspector detailed to enquire into the matter, and sometimes it has even been found necessary to call upon Mr. Cuttle to conduct an investigation under oath in order to ascertain the facts.

In the present case it was the same Inspector (Wilcox) who raised his original valuation of $[illegible] to $749.75, therefore, there seems to be no shadow of doubt that in his first report he considerably under-valued the improvements made by Mr. Verburg.

- 3/Mac -

Memo re Local Lands.

In submitting this application from the Department of Justice it is needless to say that there is no desire to offer any objection to the view taken by the Deputy Minister of Justice but possibly it may be in order to draw attention to subparagraph (i) of subsection 6 of section 11 of the Act, which reads as follows:-

"Until the declaration made by the entrant as aforesaid is found incorrect in material particulars, or until the entrant fail to pay the full amount due for improvements, his entry shall be liable to cancellation in the discretion of the Minister."

When Mr. Crawford obtained entry he declared the improvements to be worth $150.00, which amount he paid. The affidavit made by him on the back of the application for entry contains these words:-

"That there are no improvements thereon except frame house, $75; 100 acres stable, $100; ½ mile fence, $5; barn, $10."

As called to this the latest report of Homestead Inspector Mayberry shows that the four vacants were dealt with over three miles away, namely Nos. 1, 2, 3 and 4, therefore, he found the declaration made by the entrant to be incorrect in material particulars.

This may not be a sufficient answer to the point raised by the Deputy Minister of Justice, but with reference to the points discussed by him, I suggest that subparagraph (i), above quoted, supported by the latest Homestead's report furnishes the authority for cancellation if the Minister so decides.

Referring to the cancellation proceedings which were instituted against your entry for the above described land owing to your failure to pay the balance due for the improvements made by Mr. Theodore Verburg thereon, and which are still pending, I beg to inform you that after again giving this matter full consideration, it has been decided to require you to pay the sum due in the above regard in accordance with the demands which have been made upon you before abandoning the proceedings in question, and I am further to notify you that until you have paid the required amount patent cannot be issued in your favour nor in favour of the Soldier Settlement Board.

In view of the foregoing, it would be to your advantage to at once remit to the Agent at Lethbridge, the further sum of $369.86 in order to retire the indebtedness in question.

This case has been brought to your attention several times in the hope that you would be able to arrange for the payment of the amount in question, i.e., about $369.86, out of the proceeds of a loan which was granted Mr. Crawford under the Soldier Settlement Act, but up to date no arrangement of this nature has been made.

Soldier Grant - George ... Crawford.
Entry granted 5th February, 1919.
(Theodore Verbury, former entry).

Theodore Verbury writes the Minister again in reference to compensation for improvements on his former Homestead. George A. Crawford has paid $[illegible] on this account in accordance with the first valuation by Homestead Inspector Wilson.

Mr. Verbury protested the valuation and Homestead Inspector Wilson revised his valuation, which, it would seem, to the other extreme, valuing the improvements at $612.75. Mr. Crawford naturally protested and Homestead Inspector Mayberry was instructed to investigate. He valued the improvements at $[illegible]. This valuation the Department has decided to accept as final. Therefore, Mr. Crawford owes $[illegible] but refuses to pay.

Mr. Crawford has obtained a loan under the Soldier Settlement Act and inasmuch as his maximum has been reached the Soldier Settlement Board state that they are unable to advance funds to liquidate the indebtedness for improvements, although it is pointed out that in the event of the entry being cancelled the Board would be compelled to pay any outstanding claims against the land in order to protect their interest and in the case of a Vesting Order the Department would naturally expect the Board to pay the balance for improvements.

The Department took cancellation proceedings against the entry, notwithstanding the loan, the intention being to cancel the entry if payment was not made or an acknowledgment received from Mr. Crawford of his obligations in that connection. However, the Department has refrained from carrying out cancellation. Instead, reference was made to the Justice Department to establish the two following points:-

1. Has the Department power to cancel where land is affected by a charge under the Soldier Settlement Act.

2. Has the Board power to exceed the provisions of the Soldier Settlement Act in the matter of advances, that is where entry has not been cancelled, in order to protect their interest therein.

Re NW 1/4 - 15 - 1 - 14 - W.4th M.

I have your favor of the 15th inst. and contents noted in reply will say that I thank you for your detailed statement of account in regards to the amount due me yet for improvements in connection with the above.

In my letter to you dated Sept. 3rd, I also asked you if Mr. Crawford had made final proof on the above and I also asked you whether, in veiw of the improvements being paid for, if I had a lein on theabove land. which through an oversight I presume you did not answer. Will you please advise me regards the above?.

In your letter you state that Mr. Crawford has made no further payments. Will say that I think that he should pay the above this fall. I understand that Mr. Crawford threshed over 1000 bushels of wheat this year that his crop went several hundred bushel mone than he expected. I therefore think that he is in a position to pay this up this fall. Mr. Crawford last year had a good crop and I never received one cent on account of the improvements. Mr. Crawford also last year, I am informed purchased an automobile and now has same. he also seemed to have plenty of money as I myself was at a public sale and Mr. Crawford was one of the principal bidders and made several purchases to my knowledge. Mr. Crawford has also been hauling water for one of the oil wells that have been drilling here so he has made considerable money this last year.

I am just drawing your attention to these facts because I do not consider that Mr. Crawford has done all that he could towards paying off this obligation.

I also think that with Mr. Crawford raising his present crop upon theland that I broke and him using the improvements that I placed upon the premises and after waiting all these years that I am entitled to the first out of this years crop.

I trust that you will see this matter in the same light that I see it and that also you will see that Mr. Crawford is making no effort to pay up this obligation and that you will insist that same be paid this fall. I am very much in need of this money this fall and I therefore trust that every effort will be made to pay this up either by Mr. Crawford or a loan by him from the Soldiers Settlement Board. Yours very truly,

Theodore Verburg.

Re N.W.¼ 15-1-14, W.4th M.,
Soldier grant - George A. Crawford.

Referring to your letter of the 21st September last, I beg to say that in view of your representations with regard to the ability of Mr. George A. Crawford to pay the balance of $359.85 due for improvements on this land at date of entry, the matter is being referred to the Soldier Settlement Board who are sponsor for this man since he has participated in the benefits of the Soldier Settlement Board.

I may add that Mr. Crawford has not furnished proof of the performance of the requisite settlement duties, a condition precedent to the issue of patent, but in any case in view of the charge created against the land in favour of the Board letters-patent will not be issued until the loan has been repaid in full.

Your claim by reason of your improvements does not give you a lien on the land. The matter of a refund of the amount collected for improvements is one of grace rather than of right under the regulations.

MEMORANDUM:

Mr. Hume.

N.W.¼ 15-1-14 W. 4th M.
Soldier Grant - George Crawford.
Entry granted - 5th February, 1919.

Former homestead - Theodore Verburg.

Commissioner's reference No. 27.

Theodore Verburg has written the Minister with reference to his claim for improvements, which has been before the Department for a long time.

In brief -- Crawford in obtaining entry paid $190.00 for improvements, his own valuation.

Homestead Inspector Wilcox in June 1919 valued the improvements at $240.00, and Crawford, on demand, paid the balance of $50.00. Verburg protested the valuation, and another inspection was made.

Homestead Inspector Wilcox in June 1920 valued the improvements at $648.75. With regard to the discrepancy between this and his former report the Homestead Inspector stated that he had been deceived in his information, being new to the work at that time he did not go into the inspection thoroughly enough, but relied on what he was told by others, who misled him.

Crawford, who is a returned soldier, obtained a loan from the Soldier Settlement Board, and in view of the large increase in the value of the improvements the Board was notified, presumably in order that they might make provision for same.

-- In July --

In July 1920 Mr. Verburg called at the Department more particularly in reference to the cancellation of his entries (homestead and pre-emption), but he also claimed that he had put a great deal more into the improvements than had been credited to him by the valuation made at the time of the cancellation of his entries.

On instructions, Homestead Inspector Mayberry in October 1920 made a very careful appraisal of the improvements, valuing same at $599.85, which, it will be observed, is somewhat lower than the second valuation of Homestead Inspector Wilcox.

It was decided to confirm Mayberry's valuation although Crawford had not protested against Wilcox's valuation of $648.75. Mr. Crawford was informed that a further payment of $359.85 would require to be made without undue delay, and the Board was also advised of the re-valuation.

Crawford protested that the valuation of $599.85 was too high but same was not considered.

Every effort has been made to secure a payment in full settlement from Crawford but so far without success.

The Department appealed to the Soldier Settlement Board to advance the funds, but inasmuch as Crawford had been granted practically the maximum amount provided for by their legislation, the Board was unable to come to his assistance.

The Department took cancellation proceedings but no final action has been taken..

Mr. Verburg in his recent correspondence with the Department declares that Mr. Crawford had a very good crop this year and that he should be in a position to

-- pay this --

pay this long outstanding claim. Mr. Verburg points out that whereas Crawford is securing crops from land which he (Verburg) broke, the balance due on the improvements should properly be the first charge. He states that Crawford has already sold more than half of his crop and disposed of the money, and he is afraid that it will be impossible for the entrant to discharge his indebtedness this season, as he will require the balance of his crop for his own maintenance.

The matter was brought to the attention of the Soldier Settlement Board on the 6th instant, and they were informed of Mr. Verburg's representations, and requested to follow the matter up to guard against any avoidance of payment out of this season's crop. The Board in reply state that this matter was referred to their District Superintendent some time ago, and that the case is now in the hands of the Field Supervisor.

In his letter of the 10th instant to the Department, a duplicate of which was forwarded to the Minister, Mr. Verburg states that Crawford is paying any pressing creditors, and implies that he will avoid paying the Department for the balance due on the improvements unless pressure is brought to bear.

In view of the matter being in the hands of the Soldier Settlement Board the Department is not in a position to take any action except to impress upon the Board the absolute necessity of exerting every legitimate means to secure payment of this account which they have been informed should have priority over any other Government claim.

Papers herewith.

Mr. Hagel secured a statement of Mr. Crawford relative to his fianacely standing.

You will remember that I have wrote you two letters regarding the payment of the balance due me for the improvements that were on the above land when Mr. Crawford filed.

You will also note that in my letters to you that I said that Mr. Crawford was not making an honest effort to pay for these improvements and after my visit at his place today I am more than convinced that I am not getting a fair deal in connection with what he owes me.

I find that Mr. Crawford threshed over 1000 bushels of wheat this year. I also find that he has already sold over 600 bushels of the above and has spent the money.

One of my reasond that I think that I am not getting a fair deal in this matter is that today Mr. Crawford paid Mr. Hagle, the Collector, $ 50.00 in cash on his note due to the John Deere Plow Co. His note to the John Deere Plow Co was contracted in 1921 while his obligation to me was contacted in 1919. and yet I am in the position that I can not ask him to pay me one cent because he must pay the money that he owes me into the Governement and the Government does not seems to press him for payment and as a result he will pay everybody else that call on him for money, before he pays me. I do not think that this is fair that I have to stand back and see him pay other people that he owes while I am powerless to collect that which he owes me. and this ailin the face that he is paying his other creditors out of the grain that he has raised out of the land that I broke for him. I think that you can see the injustice of this. As the matter now stands with Mr. Crawford I can readily see where my chances of getting my money out of his crop this year are gone,he having sold more than half of his crop and he will need most of the balance for his living and that of his family. If this was the first year that this had happened it would not be so bad but it has happened every year for the last several years. and as a result of this happening every year I can see that unless something else is done that I can get my money from some other source that I will have to wait till he

48294 25

[redacted]s all his other debts paid. Simply because I am in no position so press him for payment as are his other creditors.

I do not wish to be understand that I do not think that Mr. Crawford should not pay his creditors, I think far from that but I do think that when the land that he has raised his crop on, with what he pays his creditors on was broke by me, as because if I had not broke his land certainly he would not be able to pay off his creditors with grain, that I am entitled to thefirst money that comes out of the crops. none of which I have received.

I think that in veiw of the fact that Mr. Crawford, as he said today, already owes the Soldiers Settlement Board $2000.00 that some arrangements could be made whereby they advance him enough more money to pay for these improvements or that XXXXX they should pay for the improvements as in a letter I have from the Department you say that you will not vest this land either in Mr, Crawford or the Soldiers Settlement Board until these improvements arepaid. I therefore think that the Soldiers Settlement Board would have enough better security to warrant them paying for he improvements.

I think that I have been very lenient with Mr. Crawford for the past several years but I do need this money so badly this fall that I donot know what I will do without it and I had figured on it so strongly owing to the good crops in this vicinity this year that it is certainly going to work a great hardship on me if I do not get it.

I trust that I hav made this matter plain to you that you will see that ther is absolutely no ill feeling on my part towards Mr. Crawford why I think that he should pay for these improvements but that it is simply that I am unable to carry them any XXXXXX longer.

I therefore trust that you will take this matter up with the soldiers Settlement Board and see what you can do towards getting them to make this advance . if Mr. Crawford has to pay them I cannot see how that he can possibly do it when he as already stated has sold the most of his this years grain.

Please let mehear from you at your earliest convience.

Yours very truly,

AV.

Dear Mr. Stewart:-

Re Geo. A. Crawford

I am enclosing you a copy of a letter that I am writing to the Department of Interior, regarding the above.

You will remember that when you were in Lethbridge last summer that I took this matter up with you personally and that since that time I have wrote you several letters in connection with it.

The enclosed letter needs no further explaining on my part only that I would like to impress upon you that I am very badly in need of this money and I would therfore urge upon you if at all possible that you lend your assistance towards getting the Soldiers Settlement Board to advance this money which to them is such a trifle and which means so much to me.

Thanking you for past favors.

MEMORANDUM:

Your reference No 27.

Mr. Hume.

N.W.¼ 15-1-14 W. 4th M.
Soldier Grant - George Crawford.
Entry granted - 5th February, 1919.

Former homestead - Theodore Verburg.

Commissioner's reference No. 27.

Theodore Verburg has written the Minister with reference to his claim for improvements, which has been before the Department for a long time.

In brief -- Crawford in obtaining entry paid $190.00 for improvements, his own valuation.

Homestead Inspector Wilcox in June 1919 valued the improvements at $240.00, and Crawford, on demand, paid the balance of $50.00. Verburg protested the valuation, and another inspection was made.

Homestead Inspector Wilcox in June 1920 valued the improvements at $648.75. With regard to the discrepancy between this and his former report the Homestead Inspector stated that he had been deceived in his information, being new to the work at that time he did not go into the inspection thoroughly enough, but relied on what he was told by others, who misled him.

Crawford, who is a returned soldier, obtained a loan from the Soldier Settlement Board, and in view of the large increase in the value of the improvements the Board was notified, presumably in order that they might make provision for same.

-- In July --

In July 1920 Mr. Verburg called at the Department more particularly in reference to the cancellation of his entries (homestead and pre-emption), but he also claimed that he had put a great deal more into the improvements than had been credited to him by the valuation made at the time of the cancellation of his entries.

On instructions, Homestead Inspector Mayberry in October 1920 made a very careful appraisal of the improvements, valuing same at $599.85, which, it will be observed, is somewhat lower than the second valuation of Homestead Inspector Wilcox.

It was decided to confirm Mayberry's valuation although Crawford had not protested against Wilcox's valuation of $648.75. Mr. Crawford was informed that a further payment of $359.85 would require to be made without undue delay, and the Board was also advised of the re-valuation.

Crawford protested that the valuation of $599.85 was too high, but same was not considered.

Every effort has been made to secure a payment in full settlement from Crawford, but so far without success.

The Department appealed to the Soldier Settlement Board to advance the funds, but inasmuch as Crawford had been granted practically the maximum amount provided for by their legislation, the Board was unable to come to his assistance.

The Department took cancellation proceedings but no final action has been taken..

Mr. Verburg in his recent correspondence with the Department declares that Mr. Crawford had a very good crop this year and that he should be in a position to

pay this long outstanding claim. Mr. Verburg points out that whereas Crawford is securing crops from land which he (Verburg) broke, the balance due on the improvements should properly be the first charge. He states that Crawford has already sold more than half of his crop and disposed of the money, and he is afraid that it will be impossible for the entrant to discharge his indebtedness this season, as he will require the balance of his crop for his own maintenance.

The matter was brought to the attention of the Soldier Settlement Board on the 6th instant, and they were informed of Mr. Verburg's representations, and requested to follow the matter up to guard against any avoidance of payment out of this season's crop. The Board in reply state that this matter was referred to their District Superintendent some time ago, and that the case is now in the hands of the Field Supervisor.

In his letter of the 10th instant to the Department, a duplicate of which was forwarded to the Minister, Mr. Verburg states that Crawford is paying any pressing creditors, and implies that he will avoid paying the Department for the balance due on the improvements unless pressure is brought to bear.

In view of the matter being in the hands of the Soldier Settlement Board the Department is not in a position to take any action except to impress upon the Board the absolute necessity of exerting every legitimate means to secure payment of this account, which they have been informed should have priority over any other Government claim.

Papers herewith.

N.W. 15--1--14 W. 4th M.
Soldier Grant - Geo. Crawford
4th February, 1913.

Please see attached letter to Mr. Theo. Verburg, former entrant of the above land, dated the 10th instant, addressed to the Minister, in connection with which you ask for a report. Also see Mr. Powell's memorandum of even date setting forth the particulars of the case.

Crawford's entry has now been standing nearly five years and in spite of the continued efforts which have been made by the Department, he has not completed payment of the improvements which were on the land at the date of entry, either personally or by arrangement with the Soldier Settlement Board.

Irrespective of any claim which the Soldier Settlement Board may have in connection with the land, the balance of these improvements should be paid either by Mr. Crawford or by the Board, and the Department should not permit of any further delay in the settlement of the matter.

The action suggested in the last paragraph of Mr. Powell's memorandum might again be taken but if satisfactory results are not had at a very early date, then some further action should be taken by the Department with a view to immediate settlement.

Memorandum:

The Deputy Minister

re: Crawford and Verlaan.

In view of the memorandum from the Deputy Minister of Justice of September 24th, 1923, I do not think the Department could cancel Crawford's entry for misrepresentation.

It is true that we have amended Sub-section 5 of Section 11 of the Dominion Lands Act at the last session of Parliament, providing for further inquiry as to the value of the improvements prior to entry, but I do not think we could take action against Crawford under this amended section because the Soldier Settlement Board has made an advance to him on the strength of our original finding (made by an officer of the Department, and apparently to be relied upon by third parties), and Crawford himself has, no doubt, expended time, money and labour on the land with the expectation that the original finding of the Department would be adhered to.

Even if the Department should, through an oversight on the part of the Soldier Settlement Board, or Crawford, succeed in effecting cancellation of this land, I think we would have to dispose of it subject to the S.S.B. loan which was made on the strength of the Department's valuation at the time Crawford took up residence, or shortly thereafter.

With regard to the general question of cancellation in the event of an erroneous valuation by the Department, it seems to me that we would have to show actual bad faith on the part, not merely a difference of opinion, before

Sir,

Re N.W.T.-15-1-14-W.4th M.
Soldier Grant - George A. Crawford.
Entry Granted 5th February, 1919.
S.S.B. File No. 3-248.

Regarding the controversy in reference to the value of the improvements on this land when George A. Crawford obtained entry, it is considered advisable to review for your information all reports which have been obtained in this connection both before and since Mr. Crawford filed, as affording the best possible evidence that the report first made subsequent to Mr. Crawford's entry did not correctly appraise the improvements actually on the land. There can be no question but that the improvements have been the means of assisting Mr. Crawford very materially in the pursuit of his farming operations, and having due regard for this fact, the attempt which has been made by him to avoid payment of the true value of the improvements on a technicality, does not do justice to the man (Theodore Verburg) responsible for the existence of such improvements.

The reports showing the trend of this matter are given in condensed form herewith as follows:-

1. Report of Homestead Inspector Ripley of the 11th July, 1916.

House (lumber) 12x14	$75.00
Stable (lumber) 10x14	30.00
Fencing. 1 3/4 mile (2 wires, ½ mile 1 wire)	60.00
Well	25.00
Breaking - 100 acres (value not given in this report - land was being Summerfallowed)

Stable (lumber) 12x14	6.00
Fencing, 2 miles (1 and 2 wires)	50.00

Fencing. 1 mile (2 wires).....	60.00
Well (drilled 45 feet at $2.75 per foot)...123.75	
(a supplementary report indicates that the well was measured and that same was found to contain over 15 feet of water, and as such to be of value to the entrant).	
Breaking - 100 acres.....	200.00
Total.....	$645.75

(In furnishing an explanation of the discrepancy between the valuation given in his two reports, Homestead Inspector Wilcox stated "that I was deceived when obtaining my previous report. Also being new at the work I did not go into the inspection thoroughly enough, but went too much on what was told me".)

8. Report of Homestead Inspector Mayberry of the 21st October, 1920.

House (frame) 14x18.....	$234.65

Total.....$599.85

(Prices for material in house obtained from Citizen Lumber Company, Coutts, Alberta. Information regarding the equipment for well obtained from Dixon Sheet Metal Company, Lethbridge).

This concludes the whole of the evidence on the subject.

In obtaining entry Mr. Crawford tendered payment of the sum of $190.00 as his own valuation for the improvements, as follows -

House (frame).....$75.00
Stubble, 100 acres.....100.00
¼ mile fencing..... 5.00
Barn..... 10.00

On receipt of the report of Homestead Inspector Wilcox of the 18th June, 1919, valuing the improvements at $240.00, the Agent of Dominion Lands at Lethbridge communicated with Mr. Crawford and requested him to remit the balance of $50.00 in accordance therewith, the receipt of which was acknowledged by the local Agent in his letter of the 15th July, 1919.

The subsequent report of Homestead Inspector Wilcox wherein he admitted the error in his first report was called for as a result of a protest from Mr. Verburg regarding the valuation of $240.00. In view of the very considerable increase in the value of the improvements on second inspection by Homestead Inspector Wilcox and a further objection from Mr. Verburg, Homestead Inspector Mayberry was instructed to appraise the improvements and his valuation of $599.85 has been accepted as final. This report was prepared with great care and after thorough investigation as to price of material, etc.

While the report of Homestead Inspector Mayberry differs somewhat as to details and value of the different items, from that of Homestead Inspector Scott of the 31st July, 1918 (who does not mention the well at all, nor give the value of the breaking) the aggregate value of the improvements as set out in these reports relatively agrees, certainly as regards the house after allowing for depreciation, which seemingly is the matter mostly in dispute. Under the circumstances it is not considered that Mr. Crawford has any grounds for complaint by reason of the decision of the Department to stand by the report of Homestead Inspector Mayberry.

In view of the full information furnished it is

trusted that the Board will give the Department its heartiest co-operation in securing a settlement with Mr. Crawford. Having been granted a loan on the security of the land, Mr. Crawford will require to liquidate the indebtedness before the Department could consider an application for patent, and whereas interest at seven per cent is now being charged on the unpaid balance, would you be good enough to take such action as may be necessary to effect a settlement, bearing in mind that this account should have priority over other Government claims.

Further assurance of your good offices in this connection would be appreciated in the interests of Mr. Verburg, who has made additional representations, the substance of which has already been communicated to you.

Your obedient servant,

Secretary.

Mr. Hume.

Re N.W.T.-W-1-24-W.4th M.
Soldier Grant - George A. Crawford.
Entry granted 5th February, 1913.

Claim of Theodore Verburg for improvements.

In submitting this case again I beg to draw attention to Mr. Theodore Verburg's letter of the 14th October last addressed to the Minister in regard to which a letter in reply is required for Mr. Featherston's signature in the absence of the Minister at that time. The Minister however has since returned to Ottawa.

The position of the Department in regard to this matter has been laid before the Soldier Settlement Board and no doubt a reply will be received shortly.

With regard to the question of cancelling the entry of George A. Crawford for failure to pay in full for improvements in accordance with the final valuation of Homestead Inspector Mayberry, in regard to which the Departmental Solicitor has expressed the view that owing to the ruling of the Deputy Minister of Justice, this Department would not be well advised to cancel, I beg to express the opinion that whereas the Act was amended for the purpose of meeting cases of this kind, the Department has full power now to act in accordance with the original intention and I believe that view would be upheld by the Deputy Minister of Justice were the matter again referred to him for an opinion.

I understand moreover that in the event of cancellation being carried out the Board is prepared, in order to protect its equity in the land, to grant Mr. Crawford an additional loan to cover his liability, regardless of his personal wishes in the matter, and to charge the amount against his account. This offers an opportunity of securing a settlement which, I think, the Department should take full advantage of in order to settle the claim of Mr. Verburg.

Dear Mr. Stewart:-

Re Geo. A.Crawford.
Soldier Settler.
NW. 15-1-15-West 4th,

You will remember the conversation that I had with you in regards to the above on your recent visit to Lethbridge, while we were walking from the Lethbridge Hotel to the Silver Grill for Dinner.

Since my talk with you I have had a talk with Mr. Arthur Perry, Inspector for the Soldier Settler Board, in regards to the getting of the balance due me for the improvements on the above land.

Mr. Perry informs me that he thinks that the Soldier Settlement Board could and would make a further advance to Mr. Crawford to pay off the balance due for the improvements if he would only make an application to the Board for the loan.

Of course you will understand that I cannot make Mr. Crawford make an application to the Board for a further advance with which to pay off this obligation and I think that Mr. Crawford should make an application for an advance to pay this off.

Surely if the Soldier Settlement Board are willing to make this advance Mr. Crawford certainly can no longer use the excuse that he cannot get the money and that therefore he is unable to pay.

I am giving you this information and am also writing you this letter as you advised me when I was talking with you in regards to this that if I would write you when you had returned to Ottawa that you would look into this matter and see what could be done about it. In my letter to you dated XXX Oct 10th I pointed out as to how I thought that Mr. Crawford stood this fall and that I thought that he would be unable to pay me unless he received a loan from the Board. Thanking you for your attention in this matter I am,

Yours very truly,

COMMISSIONER [illegible]

Ottawa, 3rd December, 1919.

Memorandum:

Re W.S.-1-1-14-W.4th M.
Soldier Grant - George A. Crawford.
Entry granted 5th February, 1919.

In connection with this case please see Mr. Greenway's memorandum of the 14th October (marked) covering a statement of the facts; Mr. Daly's of the 6th November, and the Deputy Minister's of the 7th idem, in reference to the claim of Theodore Verburg for improvements.

In accordance with this decision the position taken by this Department in reference to the matter was reviewed in a letter to the Soldier Settlement Board under date of the 19th ultimo. The object of the correspondence was to enlist the co-operation of the Board in the matter of securing payment of the balance of $359.85, with interest.

Mr. Verburg has followed up the case very closely, and in his letter of the 11th October last to the Department, copy of which he forwarded to the Minister, he claimed that George A. Crawford would not complete payment of the balance due from him for the improvements unless pressed. His letter contains several allegations involving the good faith of the entrant in this regard, claiming that he had procured an automobile and made sundry other purchases which he inferred were unnecessary or, at least, should not have been made until he had discharged his more legitimate obligation, namely, his indebtedness for improvements on the land at date of entry, the use and benefit of which had been a factor in his re-establishment.

The Board has now submitted a reply, under cover of which is enclosed a copy of a letter from the District Superintendent of the Board at Lethbridge. On the face of the facts, as represented by the District Superintendent, who has had the matter investigated by a Field Supervisor, Mr. Maher states that "there does not appear to be any further action we can take at present, much as we would like to assist your Department in this matter".

From the report furnished by the District Superintendent (marked) it appears that Mr. Verburg may have misrepresented the facts. For instance, it is stated that Mr. Crawford does not own an automobile but that his brother, who lives with him, has purchased a very ancient Ford which he (George A. Crawford) uses occasionally and that his other purchases are negligible. It is further stated that Crawford threshed [illegible] bushels of grain, [illegible] bushels of which is required for seed and feed. The balance has been sold at 7½ per bushel and of the amount derived from the sale a very considerable portion was required to meet his Twine and Threshing account.

It is further alleged that Mrs. Crawford is very ill and she is stated to have told the Field Supervisor that she was informed by her doctor that unless she could go to Rochester (Minn)

.....very.....

very shortly,her chance of recovery would be extremely small. Under the circumstances, the Field Supervisor is of the opinion that the outlook for a settlement this Fall is not very good but that Mr. Crawford had promised that if he could get work this Winter he would pay what he could.

The Field Supervisor states that he suggested to Mr. Crawford that he was prepared to make a recommendation to the Board for an additional loan for the purpose of liquidating the indebtedness, but that the settler declined to encumber the land further. He is reported to have stated that the Department has charged him double the amount he was led to believe would be charged for the improvements.

Inasmuch as there appears to be no immediate prospect of securing payment from Mr. Crawford, or on his behalf by the Soldier Settlement Board through the usual channels, it remains to be decided whether or not the Department should now carry out the intention contemplated by the Deputy Minister in his memorandum of the 24th April, 1922 (marked). Cancellation proceedings were instituted on behalf of the Department on the 2nd May, 1922, but no final action has been taken.

Mr. Verburg has written the Minister again under date of the 19th ultimo, referring to an interview which he claims to have been given by the Minister at Lethbridge recently, during which the Minister is reported to have said that the matter would be given his consideration on his return to Ottawa, in regard to which Mr. Matheson has called for a statement.

Dear Mr. Cory:

I have your letter dated the 19th inst. and note that you say you are endeavouring to arrive at a settlement with the Soldiers Settlement Board for the balance on the improvements due me in connection with the North West Quarter of section 15, Township 1, Range 15, West of the 4th, Meridian.

I thank you for your attention in this matter and trust that you will be able to make this settlement at a very early date as I am very much in need of same.

Very truly yours.

Dear Major Barnett,

Re Your file S-248.

With further reference to the soldier grant entry of Mr. George A. Crawford for the North West quarter of Section 15, Township 1, Range 14, West of the 4th Meridian, in view of the long period of controversy in connection with this matter, it has been decided to grant Mr. Crawford a final period of thirty days within which to pay the valuation set upon the improvements, failing which, his entry will be immediately cancelled.

It is felt that in justice to the former entrant who placed the improvements on the land a further extension of time would not be justified.

Yours very truly,

Major John Barnett,
Chairman,

Dear Mr. Verburg,

I have your letter of the 19th November last addressed to the Minister with regard to the improvements on the North West quarter of Section 15, Township 1, Range 14, West of the 4th Meridian, at the time Mr. George A. Crawford secured soldier grant entry therefor, and in reply may say that the Department is endeavouring to arrive at a settlement through the Soldier Settlement Board.

It is anticipated that the matter will be adjusted at an early date and you will be informed of the result.

Yours very truly,

JAN 8 1924

Referring to previous correspondence on the subject of your liability for improvements, fixed at $599.85 by final report of a Homestead Inspector on the 21st October, 1920, on account of which you have paid only $240.00, I am directed to notify you herewith that it has been decided to grant you a final thirty days from the date of this communication, within which to pay to the Agent of Dominion Lands at Lethbridge the balance of $359.85 due on this account.

Furthermore, I am to warn you that failure on your part to tender the required payment within the time stated, that is to say, on or before the 16th February next, will result in the summary cancellation of your entry without further notice. In such circumstances, you will of course realize that your further occupation of the land will be untenable, your position being that of an unlawful squatter on Dominion Lands.

I may add that the Secretary, Soldier Settlement Board, Ottawa, is being furnished with a copy of this letter in order that the Board may be made aware of the decision, and the consequences for failure on your part to comply with same.

Memorandum:

Mr. Hume.

Re N.W.¼-15-1-14-W.4th M.
George A. Crawford & Theodore Verburg.

The facts with regard to this case are well known and a brief statement will probably suffice.

George A. Crawford obtained entry for this land as a Soldier grant on the 5th. February, 1913, paying $190. for improvements - his own valuation.

Homestead Inspector Wilcox, reporting on the 14th June, 1913, valued the improvements at $[illegible]. Crawford, on being notified, immediately paid the balance of $[illegible].

Theodore Verburg, the former entrant, protested the valuation, and Homestead Inspector Wilcox on the 13th June, 1914 (one year later) valued the improvements at $644.75.

In view of the discrepancy, another inspection was deemed necessary, and Homestead Inspector Mayberry on the 21st October, 1913, valued the improvements at $[illegible].

Mr. Crawford was called upon for a further payment of $[illegible] but has refused to do so on the grounds that he had already paid for the improvements as valued originally by Homestead Inspector Wilcox. He had been granted a loan by the Soldier Settlement Board, but although an effort was made to secure his consent to an additional loan, the efforts of the Board have been without effect.

Under instructions from the Deputy Minister's Office, cancellation proceedings were instituted on the 2nd May, 1914, for non-payment of balance due for improvements and, also on the Deputy Minister's instructions, Mr. Crawford was granted a final thirty days within which to complete payment or suffer cancellation of his entry.

Mr. Crawford was advised by registered mail on the 24th January last in accordance with the foregoing and the Agent of Dominion Lands at Lethbridge reports refusal in the absence of a remittance, carried out cancellation on the 17th instant and asks for instructions as to the disposal of the land.

Mr. Crawford is in residence, and in notifying him of the decision, he was warned that in the event of cancellation of his entry, his continued occupation of the

.....land.....

land would be untenable. His position here that [illegible] an unlawful squatter on Dominion lands. He has not responded.

The Soldier Settlement Board have been kept advised of the events and I presume it is the intention now that the Board shall either arrange to come to Mr. Crawford's assistance by advancing the money required to liquidate the indebtedness for improvements, or arrange for his removal from the land. In such circumstances, the Board might be asked for a statement as to their attitude in the matter.

Sir,

Re N.W.½ 15-1-14, W.4th M.,
Soldier grant - George A. Crawford.
S.S.B. File No. S-248.

I am directed to notify you of the cancellation of the entry of George A. Crawford for the quarter-section above mentioned, through failure on his part to tender payment in full of account for improvements on his soldier grant at date of entry. For details in regard to the case I would refer you to the Departmental letter of the 10th November last, addressed to Mr. J. Maher, Secretary of the Board.

I may add that Mr. Crawford was given due notice of intention to cancel should he fail to complete payment within a stated time, and he was warned further that in such circumstances his continued occupation of the land would be untenable, his position being that of an unlawful squatter on Dominion lands. Having failed to complete payment, the entry has been cancelled, and it will be necessary for Mr. Crawford to give up possession of the land unless the Board in order to preserve its security for advances made under your legislation, is prepared to come to his assistance financially.

I am to ask you to give the matter your personal and immediate attention, and to advise the Department without delay as to what action you propose to take. The Department requires payment of the value of the improvements as finally determined by the report of Homestead Inspector Mayberry of the 21st October, 1920, and if an amount sufficient to liquidate the balance due on this account is not forthcoming steps for the removal of Mr. Crawford from the land will require to be taken. It is most important that a definite decision should be reached with regard to the disposal of the land before spring work commences.

The improvements were valued by Homestead Inspector Mayberry in the report previously referred to, at $555.86, on account of which Mr. Crawford has paid $200.00, leaving a balance of $359.86, which is subject to interest at seven per cent. from the due date, namely, 10th December, 1920.

TO:
THE HONORABLE CHARLES STEWART,
Minister of the Interior.

Dear Sir:

About December 1912 I filed on the North West Quarter of Section 15 in Township 1 Range 14 West of the Fourth Meridian in the Province of Alberta as a homestead entry. The Department was never satisfied with my residence, and after many misrepresentations on the part of different people in the vicinity of Coutts, the Government cancelled this entry. I had on the place plenty of improvements for proving up same. The improvements consisted of a house, barn, drilled well, 100 acres broken and all fenced. After the cancellation the homestead Inspector valued the above improvements at $290.00 which I objected to and called for a re-valuation. The re-valuation was placed at about $600.00. Up to date I have received nothing on account of the improvements. I have taken up this matter at various times with the Department and they have informed me that they would try and secure this money through the Soldier Settlement Board, as after the above land was cancelled, it was re-entered upon by a soldier settler entrant, namely, George A. Crawford of Coutts. I have taken this matter up with Mr. Corry several times during the past year, and also with the Honorable Mr. Stewart, but have never received any satisfaction whatever. I also hold a letter from the Department stating that they will not issue patent to the above land either in the name of the Soldier Settlement Board or in the name of George A. Crawford unless these improvements are settled for, and that I also will be entitled to 7% interest from the time that Mr. Crawford took same over. The amount of the claim is $355.00 and interest, which runs for six and a half years at 7% according to the letter from the Department.

I respectfully ask that you give this matter

MEMORANDUM:

Ottawa, 5th June, 1925.

Mr. Hume.

Re - Crawford - Verburg.
M.W., 15-1-14-W.4th M.

This case has again been brought to the attention of the Deputy Minister's Office, and after consideration it has been decided to allow the matter to stand for the present.

Acting Commissioner.

Ottawa, 5th January, 1926.

Dear Major Barnett,

The case of Mr. George A. Crawford, who formerly held a soldier grant entry for the North-West quarter of Section 15, Township 1, Range 14, West of the 4th Meridian, has recently been brought to my attention, and it has occurred to me that if the facts were brought to your attention you might be able to arrange for your Board to come to the assistance of Mr. Crawford by advancing a further sum of money to pay for the improvements in dispute.

The quarter-section mentioned was at one time the homestead of Mr. Theodore Verburg who made certain improvements thereon. For reasons satisfactory to the Department Mr. Verburg's entry was cancelled and Mr. Crawford secured the land as a soldier grant on the 5th of February, 1919.

As you are no doubt aware, every entrant is required to make a declaration as to the value of the improvements upon the land, and in this instance Mr. Crawford valued the improvements at $190.00, which sum he paid. In accordance with the practice a Homestead Inspector was called upon to report and he stated that such improvements were worth $240.00. Mr. Crawford paid the further sum demanded.

Mr. Verburg protested that the Inspector had undervalued his improvements, and the latter was accordingly called upon to look into the matter again. He did so and increased his valuation to $648.75. Mr. Crawford was called upon to pay the difference between $240.00 and $648.75, but refused to do so.

In view of all the circumstances another Inspector was called upon to look into the matter, and a report furnished by him dated the 21st of October, 1920, set

pr John Barnett,
Chairman,

a valuation

a valuation of $599.85 on the improvements in dispute. As this last report seemed to have been prepared after careful inquiry as to cost of material, cost of construction, etc., the Department accepted it as indicating the true value of the improvements at the time Mr. Crawford was granted entry. Up to the present time Mr. Crawford has refused to pay the difference between $240.00 and $599.85, i.e., $359.85, although repeatedly called upon to do so.

I understand the matter was taken up with your Board by the Department, and after considerable correspondence it was decided to institute cancellation proceedings against Mr. Crawford's entry, which was done on the 2nd of May, 1922. Mr. Crawford protested against the institution of such proceedings, but refused to pay.

The Department continued to press Mr. Crawford for payment, and it was not until it was realized that he had no intention of making a settlement that it was finally decided to grant him a final notice of thirty days from the 6th of January, 1924, within which to pay up or else lose the land. Mr. Crawford failed to pay any attention to this notice and the Agent accordingly cancelled his entry on the 19th of February, 1924.

You will note that Mr. Crawford held entry for this quarter-section for five years, which goes to show that the Department granted him every possible consideration, and that it was with the greatest reluctance and only after it was realized that he had no intention of paying the further sum demanded, that cancellation was carried out.

Although Mr. Crawford's entry no longer exists I may say that the land is being withheld from settlement, and that if payment for the improvements were made the entry could be restored immediately.

I would be very glad if you would do what you can towards having this matter straightened out.

Yours faithfully,

Canada

but that he had definitely stated that he would lose the land rather than pay the additional amount required.

The Board points out that unless Mr. Crawford asks that an advance be made to him to cover the required payment, the Board has no power to make any payment or his behalf.

Reference is also made to the fact that Mr. Crawford's wife is suffering from cancer and that all available funds were exhausted in medical treatment.

OTTAWA. 1st February, 1926.

MEMORANDUM

N.W.¼ 15--1--14 W.4th M.
Soldier Grant - George Crawford.
Entry granted 5th February, 1919.

At your request the following brief statement is submitted in reference to the case of George Crawford.

Mr. Crawford when obtaining entry declared that the improvements on the land were worth $190.00, which amount he paid. Some four or five months afterwards an Inspector valued the improvements at $240.00. Crawford paid the balance of $50.00.

Verburg, the former entrant, then protested and a report was obtained from Inspector Wilcox in June 1920 valuing the improvements at $648.75. In October of the same year Inspector Mayberry went over the improvements very carefully and submitted a detailed statement (marked A) reducing the valuation to $599.85.

Mr. Crawford was then called upon to pay the balance of $159.85 on the basis of Mayberry's report.

Mr. Verburg from time to time has pressed his claim and pointed out that Mr. Crawford had been obtaining crops from the breaking done by Verburg.

The Department has made every effort to reach some settlement both with Mr. Crawford and with the Soldier Settlement Board but without result.

For details of the various reports submitted from time to time see Departmental letter of the 10th November, 1923, marked B.

Finally it was decided two years ago to give Mr. Crawford a final period of thirty days to pay the balance, in default of which his entry would be cancelled.

Cancellation was carried out on the 9th February, 1924, upon which the Chairman of the Soldier Settlement Board was notified and asked to advise this Department what action he proposed to take. A further communication was addressed to the Chairman of the Board on the 5th ultimo.

Major Barnett replied drawing attention to his letter of the 14th March, 1924 (which does not appear on the official file) and intimating that the Board had used its good offices with the settler to obtain payment

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

but

Even though the Board is not convinced of its power to act, it might be suggested to them that in order to close the matter up, they might make an adjustment in connection with the affairs of their settler, Mr. Crawford. I think it is fairly clear that there is default in [illegible] which might be made the ground for an action for the purpose of adjustment, and it might be suggested to the Board that they possibly can take action for the purpose of salvage in the case, and having done so, make the necessary payment to the Department when Mr. Crawford's entry, having been restored for that purpose, might be dealt with under the legislation providing for a vesting order transferring the land to the Board, in which case, they would be able then to deal with Mr. Crawford in connection with the land on whatever basis may appear advisable and in his interests, as well as in their own.

The entry of Mr. Crawford has been cancelled some time ago and the land is now solely in the Crown and Mr. Crawford is in the position of an unlawful squatter thereon, and subject to eviction by this Department should the action be taken.

If the Board agrees to a proposal similar to that above, or if the claim of the Department for improvements is otherwise satisfied, the entry of Mr. Crawford may be restored at any time. In any case, Mr. Crawford cannot get restoration of his entry, and earn patent for the land without paying this balance of improvements, nor can the Board acquire title from this Department by vesting order, or otherwise, without such payment being made so that it is the interests of all concerned, it would appear advisable and necessary that action be taken, even though it may be an extraordinary one, to effect a settlement at the earliest possible date.

Assistant Commissioner.

N.L. In connection with the valuation of the improvements, there can be no dispute. The matter has been gone into fully and considerable time and money spent in investigating in that regard and there is no doubt that the valuation placed is an equitable one. Memorandum:

Mr. Orr.

Re N.W. 15--1--14 W. 4th M.
Soldier Grant - George Crawford
Entry granted 5th February, 1919.

With respect to the verbal request from your office for a statement in connection with the above case, I beg to refer you to Mr. Hum's summary of the file contained on File 205501, herewith.

This is a case which has been the cause of a lot of controversy and trouble to the Department because of the attitude of the Soldier Grant entrant, Mr. George A. Crawford. He persists in refusing to pay the balance of the valuation of improvements which were on the land at the time he got entry and the Soldier Settlement Board has up to this date declined to move any move which would have the effect of bringing up the matter. On the other hand, they have rather taken the attitude of upholding the soldier settler in his refusal to consider [illegible] settlement.

From the records in connection with the case, it is beyond doubt that the improvements which the Department is requiring Mr. Crawford to pay for were actually on the land at the time he acquired it, and that he has used them in connection with his operations since he obtained entry in 1919, a period of seven years.

It is also apparent that the Soldier Settler Superintendent for the District has been at all times willing to recommend an additional loan in the name of Mr. Crawford from which this amount could be paid to the Department, but notwithstanding that fact, the Board has assumed the attitude of not being able to take action in the matter because Crawford himself declines to make application for such an additional loan.

The Soldier Settlement Board claim that they have no power to act unless Mr. Crawford will make application for the loan, but in looking over the Soldier Settlement Act, I doubt if that claim is justified. Of course, the Act is a very complicated piece of legislation, but at the same time it is very instructive, and while I do not pretend to be able to fully interpret the provisions thereof, it appears to me that thereunder the Board has ample power to take such action as may be necessary in a case of this kind.

Over

Ottawa, Ontario,
8th April, 1926.

Dear Major Barnett,

I wish you would look up the case of Mr. George A. Crawford, who has a soldier grant entry for the North West quarter of Section 18, Township 1, Range 14, West of the 4th Meridian, and let me know whether there is any possibility of the Board being in a position to pay for the improvements. This case has been outstanding for some considerable time, and I am very anxious to have it cleaned up as expeditiously as possible.

I was thinking that perhaps if your Board would arrange to pay for these improvements, I might sign a Vesting Order transferring the land to the Board, when you could deal with Mr. Crawford in whatever way you thought advisable.

I should be very glad to have your comment at your early convenience.

Yours faithfully,

Major John Barnett,
Chairman,
Soldier Settlement Board,
Ottawa.

Ottawa, Ontario,
5th February, 1926

Dear Major Barnett,

Acknowledging your letter of the 13th ultimo, with respect to the case of Mr. George A. Crawford, the soldier-settler under the Board, whose entry for the North West quarter of Section 15, Township 1, Range 14, west of the 4th Meridian, has been cancelled by the Department of the Interior for failure to pay for the improvements, I have taken the opportunity to carefully scrutinize the papers and to discuss this matter with the Department of the Interior.

It seems to me that this is a case where the Soldier Settlement Board and the Department of the Interior might have worked in more harmonious relationship, and from what I can gather from the papers it is apparent that Mr. Crawford, perhaps unintentionally, misrepresented the facts as to the value of the improvements when making entry.

The entry granted to Mr. Crawford by the Department of the Interior has been cancelled and I believe that should the Board find it necessary to institute salvage proceedings, the Department will refuse to recommend the granting of a Vesting Order for this land unless the debt is paid.

It does not seem from your file that there are very bright prospects of Mr. Crawford making a success of his present locations and that adjustment proceedings might be necessary in the immediate future. Under these circumstances, could the Board not find some means to liquidate the indebtedness and, if necessary, a Vesting Order

Dear Mr. Stewart:

With reference to the [illegible] and the question of additional [illegible] Veterans' Land Act, I have discussed the matter with Mr. Jolliff and I find that I should again try to get in touch with Crawford and secure his consent to pay. He has, however, refused, so that nothing can be done on that score.

We may have to [illegible], but so far [illegible] will possibly arise. [illegible] were made on the strength of the Chartered Accountant's first valuation, which fixed the value of the improvements at $[illegible], and we should not be called upon to [illegible] returned soldiers' appreciation a further sum of $[illegible], which we knew nothing about when we made the [illegible] Lake Nipissing area.

Should the matter ever be called in question, I feel that it would be very difficult to justify legally the payment of the further amount of $[illegible] which has been asked for. However, if you feel that this should be done and instruct us to adjust the matter in my making payment out of our appropriation, I will have our Calgary office issue the necessary warrant in favour of the Department of the Interior. I would be glad if you would let me have your instructions as soon as possible, as Mr. Jolliff is anxious to have the matter disposed of quickly.

The situation as presented to me by the Interior Department is that there is undoubtedly a balance due which the Interior Department is in duty bound to collect and the Department of the Interior is unwilling that the quarter-section should be vested in the Board until this balance is paid.

Under the circumstances I do not see that there is any course open to the Board but to arrange payment as suggested in the last paragraph of your letter of the 29th ultimo.

S.S.B. file No. 3-248.

I am to acknowledge your letter of the 22nd June last, enclosing Warrant for $359.85, being a payment on account of the balance due for improvements on the quarter-section above mentioned at date of entry therefor to George A. Crawford as a soldier grant, and to state, in reply, that it has been decided under the circumstances to re-instate Mr. Crawford in his entry - cancellation having been carried out for non-payment on the 19th February, 1924 - and abandon cancellation proceedings.

The Agent of Dominion Lands at Lethbridge is being furnished with a copy of this letter for his information and guidance.

Ottawa, [illegible]

Memorandum:

Mr. [illegible]

In E.C., 1141-14- [illegible]
Cancelled Soldier Land - George A.Crawford.

The case of George A. Crawford needs very little introduction as the matter has been before the Department for several years.

Mr. Crawford made entry on the 4th February, 1919, paying $10.00 for improvements, subject to valuation by a Homestead Inspector. A further payment of $20.00 was made on the 15th November, 1919, completing payment for the improvements as valued by Homestead Inspector Wilson in his report of the 2nd June, 1919.

Pasture Verburg protested against the above valuation and after several investigations the value of the improvements was finally fixed at $399.00.

In the meantime, Crawford had been granted a loan under the Soldier Settlement Act and had apparently received the maximum allowance. He refused to pay the balance of $389.65 and the Department was unable to collect through the Soldier Settlement Board, owing the board maintained, to the fact that the quarter-section could not be subjected to further encumbrance without the consent of the entrant.

The Department, while not presuming to dictate to the Soldier Settlement Board in the matter, was nevertheless of the opinion that the Soldier Settlement Act did provide for action by the board. Accordingly it was decided to institute cancellation proceedings. The usual notice, setting forth the loan charged against the land, and after allowing the entrant every reasonable opportunity to complete payment, cancellation was carried out on the 14th February, 1921. However, a disposition was made of the land.

Certain correspondence has passed recently between the Minister and the Chairman of the Soldier Settlement Board, as a result of which the board has now tendered payment of the balance due for improvements at $389.65.

Under the circumstances, presumably the entry will revive to be restored as cancellation proceedings abandoned, as the case now falls within the scope of the Soldier Settlement Act. It is understood that when cancellation was effected Crawford left the land and the Board was not able to locate the land to sell it.

Before further action is taken, however, I would call attention to the fact that on the 14th June, 1921, the Acting Deputy Minister ruled as follows -

"Mr. Crawford must be informed that the balance owing "in connection with improvements placed upon the land by "Mr. Verburg is subject to interest, which will have to "be paid together with principal before the patent will "issue."

.....and.....

Mr. Crawford was advised on the 14th of the same month
(a copy of the letter being transmitted to the Chairman of the
Board for their information), that interest at 8% from
date of entry (1st February, 1918) would be charged on the
unpaid balance of $119.35.
In the correspondence between Mr. Crawford and Mr. Barrett.

Interest on $119.35 at 8% from the 1st
February, 1918, to the 23rd June, 1920, amounts to $[illegible].

Soldier Grant entry of Geo. A. Crawford,

Date of entry 5th February, 1919.

I beg to call your attention to the fact that this entry is now subject to cancellation proceedings for failure to make application for patent. In view of the general winter protection please note this case for the 1st March next and then time ordinary cancellation proceedings on Form 3-4 on the ground of failure to apply for patent. On the expiry of 60 days from the [illegible] cancellation will be effected.

The Inspector should give full information as to the nature of the land, using the blanks provided in the [illegible] of report for that purpose. The fullest possible information should be given in regard to duties [illegible] improvements. In case of a pre-emption it will be necessary to report on the Department homestead as well.

If there is some special condition existing which would render it advisable not to dispose of the land in the ordinary way, the report should contain full particulars.

When you receive the Inspector's report you should forward it at once to Head Office for consideration.

A copy of any letter or form issued by you in this case should be forwarded to Head Office in the usual way.

Mr. Hume.

S.W.¼ 22-2-14-W.4th M.
Homestead - George A. Crawford,
Entry granted - 5th January, 1916.
Area "A",
No cancellation proceedings outstanding.

The entrant in this case made application for patent on the 11th March, 1927, claiming duties as shown on Form #58A (marked).

The residence claimed is that on Military Service, verified by the Department of Militia and Defence. As he secured entry for the quarter section prior to the date of his enlistment, the time spent by him on active service can be counted to his credit as residence performed. Therefore, he completed the required residence duties by virtue of Military Service and was entitled to complete his cultivation duties in one season.

You will note that he claims to have performed cultivation duties in each of seven years, but has only twenty-one acres broken, whereas he should have thirty.

Inspector Wilcox in his report of the 11th ultimo corroborates the applicant's statement with respect to cultivation, but does not place a valuation on same. He states that Mr. Crawford has 94 acres broken on his Soldier Grant.

Mr. Crawford made application for patent for his Soldier Grant on the 11th ultimo, claiming residence, cultivation and other improvements as shown on Form #58A (marked). The access area broken on the Soldier Grant could not be counted to his credit in connection with his homestead.

In view of the fact that the entrant was entitled to complete his cultivation duties in one season but has performed cultivation in each of seven years, please say if you will accept the shortage of nine acres of breaking or whether it will be necessary for the entrant to break the nine acres referred to and then execute a supplementary statement.

The.....

The entries I presume, however, could be interchanged, in which case he would then have sufficient cultivation duties.

The case is submitted for consideration.

Gentlemen:- Re:- N.W.¼-15-1-14- W. 4th M.

On January 9th, 1919 according to your letter File No. 2055015 and 1829137 the above land which them consisted of my homestead and pre-emption entries were cancelled.

On September 15th, 1923 according to your letter File No. 2055015, signed by J.M.Roberts , Secretary you advise me that I would receive interest at 7% on the unpaid balance as aforesaid. This balance according to this letter was $359. 85.

On July 19th 1926, I received Departmental Cheque No. 58118 for $359.85 being refund of balance of value of improvements .

This cheque did not include interest at the rate of 7% as according to the above letter I would receive. I find that the interest on the above from date of cancellation till July 19th, 1926 at the rate of 7% would be $136.78.

I have now waited over a year for this interest, thinking that the payment of same had been an oversight, but have heard nothing further with regards to it. I am therefore writing you this letter and trust that it will receive your immediate attention.

A waiting your early reply with check for same

F. Verner, formerly from Lumsden's Landing, has entered for the W½ of section 19. These entries were cancelled on January, 1913, the owner A. Crawford not having complied with the requirements of the homestead law. Mr. Verner furnishes evidence of the completion of his duties (proof marked Exhibit with A.L.S. 1913), enclosed. The case was investigated by Mr. C. O. Martin who it was decided to confirm entry. A difficulty then arose about payment for Verner's improvements and for some years it has been impossible to secure payment from Mr. Crawford of the just amount of such improvements. For details see memo. of the 5th October, 1923, enclosed.

The matter was finally taken up with the Chairman of the Soldier Settlement Board, who intimated that Crawford has definitely stated that he would pay up rather than pay the assessed amount. It was further pointed out that Mr. Crawford's title has been a matter of much difficulty since the land was originally taken up with extensive improvements. Various difficulties regarding the land have to be cleared up from time to time before Soldier Settlement Board loans were also secured by Crawford successfully. Mr. Verner was therefore [illegible] for expenses, which was stated to be far more than the land would bring if sold.

The Board finally cancelled the entry [illegible] of 1923, and the case was submitted on the 20th June, 1924, (memo enclosed) stating that it is believed that Crawford does not now possess the [illegible]. The Board was brought out that a promise has been made to Verner that [illegible] would be collected but it was considered at that time that

OTTAWA, 12th August, 1927.

Sir,

Re N.W.¼ 15-1-14-W.4th M.

I beg to acknowledge the receipt of your letter of the 29th ultimo, drawing attention to the Departmental letter addressed to you on the 15th September, 1923, in which the following paragraph occurs -

> "I may add that Mr. Crawford will be required
> "to pay interest at seven per cent on the
> "unpaid balance as aforesaid, which will stand
> "to your credit."

It is regretted that you were not advised at the time payment was made to you of the sum of $359.85 that it had been decided, in view of all the circumstances of the case, to accept the sum mentioned, being the balance payable on account of improvements, without payment of interest thereon.

This decision was arrived at in view of the representations made on behalf of Mr. Crawford by the Soldier Settlement Board in connection with which I quote the following -

> "I might aid that the case of this settler is a
> "very sad one. His wife has cancer of the jaw,
> "caused by the splintering of the bone in the
> "removal of a tooth and for years she has been
> "suffering great agony. All the available funds
> "of this family were exhausted in medical treat-

> "Crawford to secure medical treatment to relieve
> "her sufferings. Funds had to be obtained by
> "public subscription to send her to the Hospital
> "of the Mayo Brothers. It appears, however, that her
> "ailment is incurable."

After a lengthy correspondence and after every effort had been made on the part of this Department to make collection, it was finally found possible to secure the payment of the principal which, as already stated, was accepted

as being the best possible adjustment.

I might remind you that when an entry is cancelled, the former holder thereof has no legal right to a refund of the amount collected for improvements. Upon cancellation of an entry all improvements become the property of the Crown. Sub-section 2 of Section 15 of the Dominion Lands Act empowers the Minister of the Interior at his discretion to pay to the person who made the improvements in whole or in part the monies collected on account thereof from any subsequent entrant.

It should also be borne in mind that you were liberally dealt with along other lines in connection with the cancellation of your entry. The evidence furnished as to your settlement duties was very contradictory notwithstanding which it was ruled that you would be allowed to take credit in connection with any new entry which you might make for any duties performed in connection with the cancelled entries that were not disputed. (Departmental letter of the 30th August, 1920).

Application to have patent for this land vested in the Soldier Settlement Board under Section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10. George V. Salvage case.

This entrant has obtained advances on the security of the above land from the Soldier Settlement Board.

Amount of Loan		$2774.71
Purpose -- Permanent improvements ...	$ 739.10	
Stock and equipment	$ 965.00	
Special advances	$1070.61

The Board holds no other land security.

In a memorandum hereunder dated the 25th ultimo, the Board reports that the settler suffered several crop failures which were very disheartening to him. In 1921 his wife became ill and from that time was a continual burden. He had considerable difficulty in making a living for his five small children and could make no payments to the Board. In 1927 it was found that his crop had been seized and he and his family had left the land. He could not be located and his agreement was rescinded pursuant to a Thirty Day Notice issued in December 1927, to which no defence was filed.

The most recent valuation for the half section is $1588.00, as follows: N.W.¼ 15-1-14-W.4th M., $1238.00; S.W.¼ 22-2-14-W.4th M., $350.00. However, several offers have been received for the soldier grant, the highest of which is $1500.00, and it is stated that evidently there will be no surplus on resale of the property.

The land in question being "charged land" within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the agreement made with the

Board.....

Board, it is requested that the right, title and interest of the settler in the above land be forfeited and that same be vested in the Board. A Vesting Order for the Minister's signature is attached.

The Board has an effective charge on the land under the recent amendment to the Act, as all advances have been made to the settler after the date of entries.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

[redacted] - S.½.22-2-14-W.4th.

This was the licence's homestead, upon the security of which together with his Soldier Grant, the W.½-1-12-1-14-W.4th, he obtained certain loans from the Soldier Settlement Board. And as he became in default with respect to the terms and conditions of the agreement made with the Board, they requested that his right, title and interest in this land be forfeited. Vesting Order in the name of the Soldier Settlement Board was signed by the Minister of the Interior on the 26th November last.

W.½-12-1-11-W.4th.

This was the licence's Soldier Grant, for which he obtained entry on the 13th February, 1919, paying at that time the sum of $190.00 for improvements left by the former entrant; however, the improvements were later valued by an Inspector at $240.00, and Mr. Crawford paid the additional $50.00. Protest was made by the former entrant against this valuation, and the Inspector re-valued the same at $239.65. The licence protested this valuation as being too high, but it was held by the Department to be equitable. As efforts to secure payment of the balance of $39.00 for improvements were unavailing, Mr. Crawford's entry was finally cancelled on the 13th February, 1926. In this regard the Chairman of the Soldier Settlement Board addressed the Department as follows on the 13th January, 1926:-

-"I am-

"I am in receipt of your letter of the 4th instant in connection with the case of Mr. George W. Crawford, the settler under the Board, whose entry for the S.W.¼ 18-1-14 W.4th was cancelled for failure to pay for the improvements in dispute.

"This is a case in connection with which I have had some previous correspondence with you and I shall be very glad if you will refer to my letter to you of the 16th March, 1926, which outlines certain phases of it that are not touched upon in your letter.

"As I mentioned before, we think that, apart from the legal aspects of the case, the settler has good moral ground for declining to pay the full amount asked. At the same time, I mentioned that in order to assist your argument, we used our good offices with the settler to make the payment if he wished to do so and expressed our willingness to come to his assistance by advancing him the necessary amount. This the settler declined. He definitely stated that he will throw up the land rather than pay the additional amount, as he felt that he was not in a position to carry any additional indebtedness.

"I might add that the case of this settler is a very sad one. His wife was owner of the farm, owned by the solicitors of the bank in the removal of a tooth and for years she has been suffering great agony. All the available funds of this family were exhausted in medical treatment, and various charitable organizations had to be appealed to from time to time to enable Mrs. Crawford to secure medical treatment to relieve her sufferings. Funds had to be obtained by public subscription to send her to the Hospital of the Grey Brothers. It appears, however, that her ailment is incurable. Disorganized as the affairs of this family were by the illness of Mrs. Crawford, by crop failures, the family was further distressed by the cancellation of Mr. Crawford's entry, as having been advised by the Agent of Dominion Lands that he had no further right to cut hay. Mr. Crawford did not feel secure in putting the crop on the land in 1924 and decided to work out.

"We have done everything we could to induce the settler to stay on the land, and we have no reason to believe that he will reconsider his decision to abandon the land rather than to make any further payments in connection with the improvements in dispute. Unless he asks us to make an advance to him, we have no power to make any payment on his behalf."

In reply to this communication it was stated that if the Board would arrange to pay for the improvements, Vesting Order might be signed transferring the quarter-section to the Board. In this regard the Chairman of the Board advised in part as follows under date of the 30th May, last:-

"He (Mr. Crawford) now owes us $250.00, which is far more than the land will possibly bring. Our advances were made on the strength of the homestead inspector's first valuation, which fixed the value of the improvements at $450.00, and we should not be called upon to pay out of returned soldiers' re-establishment further sum of $309.65, which we know neither about and had no means of knowing anything about at the time our advances were made."

-However-

However, on the 22nd June, 1926, the Soldier Settlement Board remitted the sum of [illegible] being payment of the balance of the improvements under the above agreement. It will be noted, more left on the land by the settler prior to the issue. None of the money paid for improvements was available to be applied to the folder's indebtedness, but was necessarily refunded on the sale [illegible]. In view of the payment by [illegible] being made on account, entry to this quarter was relinquished under date of the 17th July, 1926. Further view is awaited as to this quarter in the name of the Soldier Settlement Board was also signed by the Minister of the Interior on the 30th October 1926.

In October 1926 before [illegible] Prime [illegible] the [illegible] Soldier Settlement Board reported in their following:-

"The settler was [illegible] July, 1919, and in due course secured [illegible] Board totalling $3774.71, as follows: [illegible] costs, $733.10; stock and implements, [illegible]; advances, $1770.61. As security [illegible] settler's homestead and soldier grant. The Board holds no other [illegible] security in this case.

"The settler suffered several crop failures, which were very discouraging to him. In 1921 his wife became ill and from then on was a continual burden. The settler had considerable difficulty in making a living for his family of five small children, and could make no payments to the Board. In 1927, the District Office was advised that the settler's stock had been seized, and it was then found that Crawford and his family had left the farm. No address could be located, and a thirty-day notice of intention was issued in December, 1927. No defence being filed, final notice of cancellation issued on January 12th, 1928.

"The settler's indebtedness, with interest to July 31st last, is $2732.21. The land values [illegible] is $1800.00. No [illegible] $300.00. No arrangements have been made for the disposal of this half section. Several offers have been received for the soldier grant, the highest of which is $[illegible]. No offers have been received for the homestead. It is evident that there will be no surplus on a resale of this property, but on the contrary there will be a loss."

In 31-1-11-.4th

This is the Crawford's second [illegible], entry to which was granted to him with consent [illegible].

Representations for an adjustment in accordance with the [illegible] and the [illegible] have been made by the Soldier Settlement Board under their Ref. No. 3-456 to the effect that the board is faced with a serious loss in this case, and they state in part as follows:-

"We note from our file that in June 1926 we paid to your Department the sum of $[illegible], as a supplementary payment for the improvements effected on this land by the former owners. This payment, which was made by us without adequate security, was made in accordance to the wishes of the Honourable the Minister of the Interior."

"We would-

"We would appreciate whether under the circumstances there is a possibility, on application to the Board by your Department, of the Soldier and relief indebtedness written off to this case being released under the provisions of the Act for adjustment of security due to the Crown."

MEMORANDUM

Mr. Hume

W½ 15-1-14 W.4th Mer.

In a letter dated the 6th instant, Mr. D. H. Boles, the Director of Lands of the Department of Lands & Mines, Edmonton, states that Mr. Theodore Verburg has made application for patent for the S.E.¼ 13-1-15 W.4th Mer., and claims credit for two terms of residence performed on his cancelled Homestead and Pre-emption entries above described. Mr. Boles states that in order to deal with the application for patent it is necessary to obtain evidence of the two terms of residence claimed and he therefore requests that the files covering the W½ 15-1-14 W. 4th Mer., be sent to him.

Verburg entered for the N.W. 15-1-14 W. 4th M. as a homestead in 1912. The entry was cancelled in 1919 and re-entry as a soldier grant allowed to G.A. Crawford the same year. The quarter section was salvaged by the Soldier Settlement Board and patented to them on the 19th August 1931.

Verburg entered for the S.W.15-1-14 W. 4th M. as a pre-emption in 1913. The entry was cancelled in 1919 and re-entered as a homestead by J. Wollersheim the same year. Patent for the quarter section was issued to him in 1922.

While the lands were under entry to him Verburg was interested in an implement business in Coutts, Alberta, where he appears to have spent a large proportion of his time. The question as to what residence duties had actually been performed by him was the subject of numerous investigations and reports by homestead inspectors. The entries were cancelled in 1916 on the grounds of default in residence duties.

Mr. H. G. Cuttle held an investigation under oath in 1917 in regard to the case and in accordance with his recommendations Verburg was reinstated in his entries and advised in a letter dated the 14th March 1917 that he would be credited with two completed terms of residence with one more to perfor-

Verburg

Verburg did not proceed with the completion of the residence duties and the entries were again cancelled on the 8th January 1919.

Verburg called at the Department on the 20th July 1920 and executed statutory declarations before Mr. W. S. Perrin in regard to the residence performed and the improvements completed in connection with the half section. In a memorandum to you dated the 19th August 1920 the Deputy Minister stated he had discussed the case with the Minister and it had been decided that Verburg was to be allowed to take credit in connection with any new entry which he might make for any duties performed in connection with the cancelled entry that were not disputed, this allowance being made on the understanding that Verburg was to perform at least one term of six months residence on the land before becoming entitled to patent therefore. In a memorandum dated the 27th August 1920 to the Commissioner, the Deputy Minister stated that it was intended to allow Mr. Verburg to make entry for a homestead only. Verburg was duly advised of the decision in a letter dated the 30th August 1920. The papers referred to in this ~~and the two preceding~~ paragraph, are on file 1829,137, herewith and are marked for your reference.

As previously stated Wollersheim obtained patent to the S.W.15-1-14-W. 4M. in 1922, his entry causing no further complications.

The improvements left on the N. W. 15-1-14 W. 4 M., by Verburg however caused much trouble, At the time of Crawford's entry on this quarter section they were valued by a homestead inspector at $240. which amount was paid by the entrant. Verburg protested the valuation and several more homestead inspector's reports were obtained before one valuing them at $599.85 was accepted as satisfactory by the Department.

Crawford would not pay the additional amount and the Soldier Settlement Board from whom he had secured a loan were not disposed to pay it.

On instructions from the Deputy Minister, (memorandum of the 24th April 1923) cancellation proceedings were instituted against the entry for non-payment of the balance of the improvement money notwithstanding that a charge had been registered against the land by the S.S.B. At the request of the S.S.B. the case was then referred to Justice Department to ascertain if the entry was liable to cancellation because of non-payment of the further amount claimed and if the S.S.B. had the power to pay when the settler refused to do so. In reply the Deputy Minister gave as his opinion that the first report of an Inspector should be regarded as final, that the Department had no power to review it and that no Inspector may vary the findings of another.

Further endeavours having been made in the meantime to collect the amount outstanding Crawfords entry was cancelled in 1924, and the S.S.B. asked as to what action they proposed to take. They replied that Crawford had definitely stated he would lose the land rather than

pay

pay the additional amount required, It was also stated that unless Crawford requested it they had no power to make payment on his behalf. The Chairman of the S.S.B. was subsequently advised by the Minister of this Department that if the Board would arrange to pay the balance due for the improvements, he might sign a Vesting Order transferring the land to the Board.

In a letter dated the 29th May, 1926, to the Minister the Chairman of the S.S.B. stated he felt it would be very difficult to justify legally the payment of the $359.85, which had been asked for but if the Minister gave instructions that it should be done he would have the necessary warrant issued. The instructions were given and the payment was made. A Vesting Order was then signed and patent for the quarter section issued in the name of the Board under Section 27 of the S. S. B. Act.

The Province request that the files covering this half-section be sent to them in order that they may obtain evidence of the two terms of residence claimed by Verburg. The lands however being patented this would not appear to be in accordance with the practice of the Department, or with Section 23 of the Natural Resources Agreement. Approval might have been given to sending the files to our Agent at Edmonton for perusal by the Province if it were not for the complications which arose in connection with the additional payment required for the improvements and finally paid by the Soldier Settlement Board. It may for instance not be thought desirable that the Province be allowed to peruse the Deputy Minister's letter of the 5th February 1926 to Major Barnett or Major Barnett's letter of the 29th May 1926 to the Minister. These letters are marked on file 2055015.

Perhaps it may be considered that the papers dealing with the improvements on the N.W. 18-1-14 W. 4th M., when Mr. Crawford made entry thereon should be placed on temporary files for the N. W. & S.W.'s of the section, (there are copies of some of these papers on the file for the S.W.$\frac{1}{4}$) and the original files then sent to our Agent at Edmonton for perusal by the Province.

THE DEPUTY MINISTER OF THE INTERIOR
OTTAWA, CANADA

8th July, 19[illegible]

Memorandum.-

Mr. Lamb.

I herewith return Mr. Gresley's memorandum of the 3rd instant, files 2055015 and 1[illegible], concerning the request of the Director of Lands, Edmonton, for the files covering the patented entries on the West half of Section 15, Township 1, Range 15, West of the 4th Meridian. These are required by the Provincial authorities in order that they may deal with the application of Mr. Theodore Verburg, for patent for the South East quarter of Section 15, Township 1, Range 15, West of the 4th Meridian. Mr. Verburg is entitled to credit for certain residence periods on the West half of Section 15 which he formerly held under homestead and pre-emption entries.

As suggested by Mr. Gresley, it would be advisable to remove from these files all papers in which the Province is not concerned, and send only the material dealing with the residence duties of Mr. Verburg's former homestead and pre-emption. The files should be sent to Mr. Norquay for perusal by the Provincial authorities.

Sir:

Re: N.W.¼ 15-1-14 W. 4th Mer.
N.W.¼ 22-55-4 W. 4th Mer.

The Township General Registers shipped from Ottawa to us in October, 1931, show the above mentioned lands retained by the Dominion Government in accordance with the Agreement of the transfer of the Natural Resources owing to loans by the Soldier Settlement Board, being charged against same, to have been patented to the Board on the 19th of August, 1931, and the 31st of August, 1931, respectively.

It would appear your usual Notification by letter as to the issue of Patents were not received in the above instances. In view of this fact I assume that we have not been advised of the issue of Patents in similar cases prior to the shipment of the Registers.

In order that all the records of this Department may be placed in order, would you please let me have a list of the charged lands, patented to the Soldier Settlement Board between the date of the transfer of the Natural Resources, October 1, 1930, to the date of the shipment of the Township Registers, with a brief description of each patented parcel and the date of Patent.

Memorandum:

Mr. Wade.

S.W.¼ 2-1-17-W. 4th M.
Pre-emption of Chas. J. Zimmer.
Entry granted - 17th January, 1910.

Mr. Zimmer made application for patent claiming sufficient duties have been performed, and he was issued a Certificate of Recommendation. This document expired on the 2nd February, 1922, and Departmental communications forwarded to him in connection with same have been returned unclaimed.

A Homestead Inspector reported in connection with this quarter-section on the 21st April last, stating that there are no improvements on the land and the general opinion of the people living in the district is that Mr. Zimmer will not return. Mr. C. P. McCarthy is the present owner of his homestead.

In view of this report, the Agent was instructed to institute cancellation proceedings and to furnish an Abstract of Title of the quarter-section.

Cancellation proceedings were instituted on the 21st May last, and the Agent now reports that no defence has been filed. He has also furnished an Abstract of Title which shows that there are no liens or caveats against this land. I would, therefore, recommend that the entry be summarily cancelled and reserved for leasing purposes as it is situated in Area "A".

S.W.¼ of 28-3-10-W. 4th M.
Homestead, Daniel Wesley Kennison, deceased.
Patent issued to the legal representative of Daniel Webster Kennison.

S.E.¼ of 25-3-10-W. 4th M.
Pre-emption, Daniel Wesley Kennison, deceased.

Application for patent for the pre-emption has been made and, with the exception of the discrepancy which I will refer to later, the application appears to be in order and could be accepted.

The discrepancy in question is in regard to the name.

When the late Mr. Kennison made application for these entries he signed is name in full in several places as Daniel Wesley Kennison. In the application for patent for the homestead, however, the late entrant was referred to as Daniel Webster Kennison, and Letters of Administration were also issued in connection with the estate of Daniel Webster Kennison. (Letters of Administration marked).

The discrepancy was not noticed and patent issued in connection with the estate of Daniel Webster Kennison.

Application has now been made for patent for the pre-emption and in the first instance the late entrant was referred to evidently as Daniel Webster Kennison, but this was altered to read Daniel Wesley Kennison. (Application marked).

The question now to be decided is whether patent should issue for the pre-emption under the Letters of Administration on the authority of which patent for the homestead issued, or whether the matter should be taken up with the legal representative with a view to having fresh Letters of Administration obtained.

The matter is complicated by the fact that the legal representatives themselves now refer to the late entrant as Daniel Wesley Kennison.

Respectfully submitted,

J. W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

Sir,-

In reply to the application received from you under the Dominion Lands Act for the above described quarter section, I beg to inform you that according to information furnished in a recent report by a Dominion Lands Inspector who performed homestead duties since May, 1910, after the last inspection or when your entered homestead, the north half quarter of the said section, has been sold to the railway company.

Under the circumstances it is impossible to grant you a final certificate for this late within which to fully satisfy the terms of homestead duties at Lethbridge that you have performed residence on the land with the exception of remaining three months to complete the requisite settlement duties actually in accordance with the regulations, and to show you that while you fail to do so your application entry will be summarily cancelled and the land thereon disposed of without further notice. If you wish to retain the land you should govern yourself accordingly.

If you so desire, you may make application before a Sub-agent for this district but such application or the temporary receipt of such application from the Sub-agent, must be received in this office before the expiration of the 30 days period above mentioned.

You may make application for homestead entry by proxy by having your father, mother, son, daughter, brother or sister appear in your behalf, but in the case of any other class of entry the application must be made by yourself personally. Application for entry by proxy cannot be made before a Sub-agent, but must be made at this office. The person acting as proxy must have written authority from you.

Memorandum:

Mr. Hume:

S. E. ¼ 15-1-11-W. 4th M.
Homestead E. C. Johnson.
Entry Granted 18th Oct.1916.

The entrant in this case furnished evidence of farm labour from the 1st of November to the 10th of December, 1917 and from the 1st of March to the 20th of July, 1918.

As the farm labour Order-in-Council of 1918 did not come into effect until the 7th of March, you will observe that the entrant could not be given credit for quite six months residence.

On the 14th ultimo Mr. Johnson wrote the Department asking for an extension of time for a year owing to the dry season.

He was requested to furnish a statement showing what he had done on his land in the way of settlement duties when his case would receive consideration.

A statement has now been received from the entrant in which he claims residence with his brother in Township 1, Range 11, from the 1st of March to the 15th of May, 1919.

Improvements:-

House, $80.00,
Fence, $120.00.

Cultivation:-

1917, broke 25 acres, cropped 25 acres,
1918, broke 10 acres, cropped 35 acres,
1919, broke 10 acres, cropped 45 acres.

According to the evidence furnished it would appear that the entrant is in good standing at the present time as regards cultivation, but he has not yet completed one full term of six months

residence.

residence. His entry would appear to be in good standing in that respect at the present time.

In view of the foregoing, please say if Mr. Johnson is to be granted the extension he has asked for.

Dear Sirs

I have been thinking of going into the Peace River District in British Columbia and taking up a homestead.

Now at one time I had a homestead in Alberta it being in a very dry district S.E. 4-1-11. W of the 4th.) I was forced to leave it as I could not raise any crops I put in my proof for patent a little but have never taken title from land office and I also do not know if this land has been sold for taxes or not

Could you kindly let me know if I have a right to take up a homestead in the Peace River District in B.C.?

Sir,

Patented Homestead.

I beg to acknowledge receipt of your letter of the 3rd instant and in reply may say that under an amendment made to the Dominion Lands Act in 1923 the privilege of a second free homestead is extended to those settlers who took up homesteads and obtained patent for same prior to the 1st January, 1918, in what is known as the "Dry Area" in southern Saskatchewan and Alberta, i.e., that portion south of the south boundary of Township 31 in the old pre-emption and purchased homestead tract. The main points of the amendment are explained on page 8 of the enclosed "Hand-book".

If you wish to secure the benefits of the amendment you should first of all communicate with the Provincial Authorities at Edmonton giving them full particulars as before your case can be considered by this Department you will require to obtain a Certificate of Approval from the Province. You should address your letter to the Deputy Minister of Agriculture, Edmonton, Alberta.

In the event of your being successful in securing a Certificate of Approval you may then select one vacant and available quarter-section outside the "Dry Area" as specified in the amendment to the Act and make application to the Agent of Dominion Lands for the district in which the land is located to have it reserved for you. If the Agent is aware of no reason to the contrary he will reserve the land in your favour. You will then require to furnish this Department with satisfactory evidence as soon as possible in the shape of Abstracts of Title showing that you have been divested of all interest in your patented homestead and any other land holdings (excepting town property) which you may have in the said "Dry Area". Upon your furnishing this evidence you will be given permission to again appear before the Agent and make formal application for entry for the land selected.

Encl.

I....

F. C. Johnson, Esq.,
116 - 3 St. W.
Drumheller,
Alberta.

I might add that there is no provision under which you can recovey your land holdings in the "Dry Area" to the Crown. It will be necessary for you to furnish evidence that you have disposed of all your interest in such lands and that they stand in the name of some other person or persons, but not in the name of the Crown, or in the name of a member of your family.

Should you secure another homestead you would require to perform all the ordinary homestead settlement duties in order to obtain patent. Any Seed Grain or Relief indebtedness to this Department would have to be transferred to the new location.

Your obedient servant,

Commissioner of Dominion Lands.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

I have your letter of the 16th instant in the matter of your desire to exercise your right of second homestead entry under the terms of the Departmental letter of the 4th July last, in pursuance of which you request to be given the privilege of making your entry at the Dominion Lands Office at Calgary for a quarter-section of Dominion lands stated to have been reserved for you near Fort St.John, B.C., presumably in the Peace River district.

I may say, in reply, that in the absence of a description of the land it is impossible to verify the facts herein, but on general principles it may be stated that it is contrary to the provisions of the Dominion Lands Act for a person to make application for entry other than at the Dominion Lands Office or a Sub-Office authorised to transact business for the district in which the land is situate.

Dear Mr. Cathcart:-

Mr. F. C. Johnson secured an advance of seed grain in 1919, and executed a lien for repayment thereof. A copy of the account will be found enclosed.

Patent was issued for Mr. Johnson's homestead, the SE¼-16-1-11-W.4th. (Province of Alberta), in 1921. This patent was forwarded in accordance with our practice, to the Registrar of Land Titles at Calgary Alberta, subject to his indebtedness for seed grain.

On the 21st of May 1929, Mr. Johnson took up as a second homestead, the SW¼-14-16-18-W.6th. in the Peace River Block, B.C. We have on file here an Abstract of Title dated 1927, showing that Mr. Johnson was at that time the owner of his patented land.

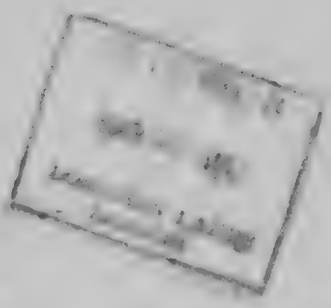

Cancellation proceedings were instituted against this entry on the 1st of March 1930. Although the seed grain indebtedness is secured in connection with Mr. Johnson's patented first homestead, may I ask the cooperation of your Department in securing repayment by holding the patent for his second homestead in the Peace River Block, when issued, for payment of the amount due.

If this meets with the approval of your Government kindly advise me and I will see that you are kept advised of the standing of this account.

Re: S.F. 15-1-11-4

I wish to acknowledge receipt of your letter as of July 22, last through the Dept. of Municipal Affairs, Edmonton requesting the present standing and whether the above mentioned land is likely ever to be used for farming again.

I have to advise that this land has been turned over to the Municipal District of Warner No. 4, by the Dept. and that it is our intention to sell this land sometime this fall.

Of the 154.81 acres in this quarter only 60 acres are arable. Whether this land will be used for farming again will depend on the person that buys it.

Re: Account of Frederick C. Johnson
S.E.¼ 15-1-11-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $159.00 was advanced to Frederick C. Johnson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$159.00	$411.07	$570.07

Patent was issued in the name of Frederick Carl Johnson for the S.E.¼ 15-1-11-W.4th on the 19th of July, 1921, subject to the lien.

The debtor later abandoned his homestead and title has since reverted to the Crown in the right of the Province.

This quarter-section is of low assessed value and has never been revenue producing sufficiently to enable the repayment of the lien. In 1926 the homestead inspector in a report stated that there were no buildings on the land and there was no cultivation being done. The whereabouts of the debtor was unknown.

According to an Abstract of Title dated the 30th of January, 1956, this quarter-section now stands in the name of Her Majesty the Queen in the Right of the Province of Alberta as represented by The Minister of Municipal Affairs. As such the land no longer offers any security of value for our lien.

Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

W. J. Taylor.

Ottawa, March 14, 1956.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.
